Toltec Dreaming Ken Eagle Feather 2007-06-11 A metaphysical instruction manual on the role of dreaming in the Toltec tradition • Describes the energy body, its modes of perception, and how it produces dreaming • Provides an outline of the dream gates showing how they correspond to the chakras • Includes detailed instructions for awakening dreaming potential and for exercising and expanding the dreaming body--what to expect and how to respond Toltec Dreaming explores the many aspects and levels of the dream-state, distinguishing ordinary dreaming from “dreaming awake,” a condition of heightened awareness through which the active dreamer ascends to the Dream of Transcendence. In this book, Ken Eagle Feather presents the history of dreaming’s place within the Toltec tradition and provides a practical how-to manual for achieving and maximizing dreaming potential. The Toltec Way superimposes on the waking world the subtle physics of the dream world in order to create a conscious dreaming body, often referred to as an “out-of-body experience,” that can allow anyone to use dreaming as a vehicle to higher consciousness. Once the dreaming energies are fully awakened, an unbounded conscious perception can come alive, whether one is in the world of dreams or in daily life. The author shows how to communicate while in the dreaming body and indicates what one may encounter in the dream. He also identifies barriers to dreaming and includes instructions for detaching the dream body from the waking ego. Filled with techniques that stimulate dreaming and the development of the dreaming body, this book will guide practitioners along the Toltec Way of the Dream. *The Sexual Practices of Quodoushka* Amara Charles 2011-07-26 Practical exercises to reach higher levels of orgasm, renew relationships, and discover the healing power of sex • Illustrates how to identify and best please the nine male and female genital anatomy types--such as Coyote Man or Buffalo Woman • Provides exercises for greater sexual pleasure and orgasmic intensity, including the Firebreath exercise for full-body orgasm • Explains how to perform powerful healing sexual energetic work with the chakras and light body Based on ancient Mayan, Olmec, and Toltec teachings passed down through the generations by the Twisted Hair Nagual Elders of the Sweet Medicine Sundance Path, the practice of Quodoushka offers practical guidance on sex, intimacy, and relationships as well as how to reach higher levels of orgasm and sexual ecstasy. Working with the healing power of sexual union and orgasm, this practice offers a path to repair emotional wounds and sexual insecurities, revive monotonous relationships, and discover the sweet medicine of sex. Revealing these once-secret teachings for the first time, initiated Quodoushka instructor Amara Charles explains the physical, energetic, and sexual qualities of the nine male and female genital anatomy types--such as Coyote Man or Buffalo Woman--and how to identify and best please each type as well as take pride in your own unique anatomy. Describing the nine variations of orgasmic expression--from avalanche to forest fire--she provides exercises for greater sexual pleasure and increased orgasmic intensity, including the Firebreath exercise, a method for reaching a full-body orgasm through breathwork. Covering role playing and sexual energetic work with the chakras and the light body as well as ceremonies to bring the sacred back into your lovemaking, the practice of Quodoushka reveals how we can--through pleasure--become more sensitive, creative lovers.

Power of Silence Carlos Castaneda 2013-03-26 Millions of readers worldwide have treasured the visionary brilliance of Carlos Castaneda, who first explore the world of the Yaqui Indian sorcerer in The Teachings of don Juan. Now, at last, don Juan returns in The Power of Silence -- wise, infuriating, capable or working miracles and playing practical jokes, but always seeking the wisdom of the warrior. The Power of Silence is Castaneda's most astonishing book to date -- a brilliant flash of knowledge that illuminates the far reaches of the human mind. Through don Juan's mesmerizing stories, the true meaning of sorcery and magic is finally revealed. Honed in the desert of Sonora, the visions of don Juan give us the vital secrets of belief and self-realization that are transcendental and valid for us all. It is Castaneda's unique genius to show us that all wisdom, strength, and power lie within ourselves -- unleashed with marvelous energy and imaginative force in the teachings of don Juan -- and in the writings of his famous pupil, Carlos Castaneda *What's a Cellphilm?* Katie MacEntee 2016-07-27 What’s a Cellphilm? explores cellphone video production for its contributions to participatory visual research. There is a rich history of integrating participants’ videos into community-based research and activism. However, a reliance on camcorders and digital cameras has come under criticism for exacerbating unequal power relations between researchers and their collaborators. Using cellphones in participatory visual research suggests a new way forward by working with accessible, everyday technology and integrating existing media practices. Cellphones are everywhere these days. People use mobile technology to visually document and share their lives. This new era of democratized media practices inspired Jonathan Dockey and Keyan Tomaselli to coin the term cellphilm (cellphone + film). The term signals the coming together of different technologies on one handheld device and the emerging media culture based on people’s use of cellphones to create, share, and watch media. Chapters present practical examples of cellphilm research conducted in Canada, Hong Kong, Mexico, the Netherlands and South Africa. Together these contributions consider several important methodological questions, such as: Is cellphilming a new research method or is it re-packaged participatory video? What theories inform the analysis of cellphilms? What might the significance of frequent advancements in cellphone technology be on cellphilms? How does our existing use of cellphones inform the research process and cellphilm aesthetics? What are the ethical dimensions of cellphilm use, dissemination, and archiving? These questions are taken up from interdisciplinary perspectives by established and new academic contributors from education, Indigenous studies, communication, film and media studies.

The Wisdom of the Shamans Don Jose Ruiz 2019-05-07 For generation after generation, Toltec shamans have passed down their wisdom through teaching stories. The purpose of these stories is to implant a seed of knowledge in the mind of the listener, where it can ultimately sprout and blossom into a new and better way of life. In The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of "witch doctor," the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.

Coyote Anthropology Roy Wagner 2010-07-01 Coyote Anthropology shatters anthropology's vaunted theories of practice and offers a radical and comprehensive alternative for the new century. Building on his seminal contributions to symbolic analysis, Roy Wagner repositions anthropology at the heart of the creation of meaning—in terms of what anthropology perceives, how it goes about representing its subjects, and how it understands and legitimizes itself. Of particular concern is that meaning is comprehended and created through a complex and continually unfolding process predicated on what is not there—the unspoken, the unheard, the unknown—as much as on what is there. Such powerful absences, described by Wagner as “anti-twins,” are crucial for the invention of cultures and any discipline that proposes to study them. As revealed through conversations between Wagner and Coyote, Wagner's anti-twin, a coyote anthropology should be as much concerned with absence as with presence if it is to depict accurately the dynamic and creative worlds of others. Furthermore, Wagner suggests that anthropologists not only be aware of what informs and conditions their discipline but also understand the range of necessary exclusions that permit anthropology to do what it does. Sly and enticing, probing and startling, Coyote Anthropology beckons anthropologists to draw closer to the center of all things, known and unknown.

I Never Knew There Was a Word For It Adam Jacot de Boinod 2010-08-05 From 'shotclog', a Yorkshire term for a companion only tolerated because he is paying for the drinks, to Albanian having 29 words to describe different kinds of eyebrows, the languages of the world are full of amazing, amusing and illuminating words and expressions that will improve absolutely everybody's quality of life. All they need is this book! This bumper volume gathers all three of Adam Jacot de Boinod's acclaimed books about language - The Wonder of Whiffing, The Meaning of Tingo and Toujours Tingo (their fans include everyone from Stephen Fry to Michael Palin) - into one highly entertaining, keenly priced compendium. As Mariella Frostup said 'You'll never be lost for words again!' **The Art of Stalking Parallel Perception: Revised 10th Anniversary Edition** Lujan Matus 2015-10-28 The Art of Stalking Parallel Perception is a new kind of autobiography - an interdimensional odyssey that weaves its magical threads through one's own existence in a way that has to be experienced to be believed. In this revised edition, Lujan clarifies and expands upon key elements of his teachings. Readers familiar with the original will be surprised at the awakenings that unfold via powerful additions woven throughout the text. Some chapters have been removed, others expanded upon, and exciting new material has come to light. Traversing these pages, we accompany Lujan Matus during pivotal journeys on his path to becoming a shaman. With compelling visual imagery and in-depth explanations, he and his benefactors impart an empowering sequence of transmissions that offer unprecedented insight into the intricacies of human existence. In sharing his experiences, Lujan opens the door to a universe of mythical proportions and bestows vital keys to access these dimensional possibilities in one's own life. The Art of Stalking Parallel Perception magnifies the essence of the ancient wisdom traditions in a functional, non-dogmatic format that speaks directly to the heart. One may recognize strands of Tibetan Dzogchen and Taoism, and aficionados of Toltec wisdom will discern the unmistakably potent voice of Don Juan Matus and discover the mysterious guiding influence of the ancient seer, Xoxonapo. With direct language, Lujan conveys an otherworldly grasp of human nature, not to mention coherent accounts of interdimensional travel, a precise description of the enigmatic manifestation of the energy double, insights into the non-linear nature of time and the elucidation of hieroglyphs that are maps to completely open one's perception, this is a bridge to new thresholds unlike any other.

Popol Vuh Dennis Tedlock 2013-02-21 Popol Vuh, the QuichÁ© Mayan book of creation is not only the most important text in the native language of the Americas, it is also an extraordinary document of the human imagination. It begins with the deeds of Mayan Gods in the darkness of a primeval sea and ends with the radiant splendor of the Mayan Lords who founded the QuichÁ© Kingdom in the Guatemalan highlands. Originally written in Mayan hieroglyphs, it was translated into the Roman alphabet in the 16th century. The new edition of Dennis Tedlock's unabridged, widely praised translation includes new notes and commentary, newly translated passages, newly deciphered hieroglyphs, and over 40 new illustrations.

Medicine Dream Merilyn Tunneshende 1996 In the 1970s, the author became apprentice to the nagual shaman John Black Crow. Years later, ill with AIDS, the author returned to Mexico and underwent the ritual of "Healing Dreaming".

Beyond Philosophy Nancy Tuana 2020-09 Questions of whether anything exceeds reasonable sense and meaning have persisted throughout the history of philosophy. These questions have even continued in postmodern thought as well as in liberatory philosophies in which many kinds of events and lineages are experienced and seen as beyond philosophy. In this cowritten text, distinguished philosophers Nancy Tuana and Charles Scott pay particular attention to lineages and their dynamism as they develop the idea of things beyond philosophy, beyond norms. This is not a history of philosophy or a critical study of a particular philosopher but a way to engage experience around dimensions of events that are beyond measuring, counting, meaning, and value. These attunements, they assert, are vitally important for the ways people orient themselves in the world and comport themselves in it. Tuana and Scott build on the alternatives to normative ethics that they find in the work of Nietzsche, Foucault, and Anzaldúa. They urge attunement to the world as a way to speak about what is impossible to give voice to, to live in the spaces between speech and the unspeakable, and to conceptualize and articulate the boundaries of rational sensibility.

The Five Levels of Attachment Don Miguel Ruiz, Jr 2013-02-04 The Five Levels of Attachment picks up from where Don Miguel Ruiz, Jr's father's book, The Four Agreements, left off. Building on the principles found in his father's international bestseller (2.5 million copies sold in the US), Don Miguel explores the ways in which we attach ourselves inappropriately to beliefs and the world. This is ancient wisdom for finding your true self. Ruiz explores the five levels of attachment that cause suffering in our lives. The five levels are: • Authentic Self • Preference • Identification • Internalization • Fanaticism Accessible and practical, The Five Levels of Attachment invites us to look at our own lives and see how an unhealthy level of attachment can keep us trapped in a psychological and spiritual fog. He then teaches us to reclaim our true freedom by cultivating awareness, detaching, and discover our true selves.

Living a Life of Awareness don Miguel Ruiz 2013-12-05 For the first time ever, the Toltec wisdom from the Ruiz family is bound together in a book of Daily Meditations. Readers are invited on a six-month journey of daily lessons with don Miguel Ruiz Jr. that are designed to inspire, nourish, and enlighten adherents as they travel along the Toltec path. Drawing on years of apprenticeship under his father and grandmother, don Miguel Ruiz Jr. shares Toltec lessons on Love, Faith, Agreements, and most importantly: Awareness. The purpose of each meditation is to guide readers into a deeper understanding of his or her self, as well as the world in which we live. In the introduction to the book, don Miguel Ruiz Jr. reminds readers that progress on the Toltec path is not measured by the acquisition of things, status, or even ideas, but rather the complete and total realization that everything in the world is perfect, exactly the way it is at this moment. "Love is accepting ourselves just the way we are, with all of our flaws and our ever-changing belief system. You are nothing else but who you are. You are not the person you were a year ago. You are not the person you will be in a year. You aren't even the person you think you are. You simply are, and that must be enough." —don Miguel Ruiz Jr. This book will have special appeal to those already familiar with his father's books The Four Agreements, The Mastery of Love, and The Fifth Agreement, as well as don Miguel Ruiz Jr.'s own book, The Five Levels of Attachment. It also makes a wonderful gift.

The Great Cosmic Mother Monica Sijo 2013-12-10 This classic exploration of the Goddess through time and throughout the world draws on religious, cultural, and archaeological sources to recreate the Goddess Religion that is humanity's heritage. Now, with a new introduction and full-color artwork, this passionate and important text shows even more clearly that the religion of the Goddess--which is tied to the cycles of women's bodies, the seasons, the phases of the moon, and the fertility of the earth--was the original religion of all humanity.

Animation: A World History Giannalberto Bendazzi 2015-11-06 A continuation of 1994's groundbreaking Cartoons, Giannalberto Bendazzi's Animation: A World History is the largest, deepest, most comprehensive text of its kind, based on the idea that animation is an art form that deserves its own place in scholarship. Bendazzi delves beyond just Disney, offering readers glimpses into the animation of Russia, Africa, Latin America, and other often-neglected areas and introducing over fifty previously undiscovered artists. Full of first-hand, never before investigated, and elsewhere unavailable information, Animation: A World History encompasses the history of animation production on every continent over the span of three centuries. Volume III catches you up to speed on the state of animation from 1991 to present. Although characterized by such trends as economic globalization, the expansion of television series, emerging markets in countries like China and India, and the consolidation of elitist auteur animation, the story of contemporary animation is still open to interpretation. With an abundance of first-hand research and topics ranging from Nickelodeon and Pixar to modern Estonian animation, this book is the most complete record of modern animation on the market and is essential reading for all serious students of animation history. Key Features Over 200 high quality head shots and film stills to add visual reference to your research Detailed information on hundreds of never-before researched animators and films Coverage of animation from more than 90 countries and every major region of the world Chronological and geographical organization for quick access to the information you're looking for The Encyclopedia of Angels Rosemary Guiley 2004 An encyclopedia describing and giving the history of angels from the time when the earth was created forward, using texts from Hebrew, Arabic, ancient and contemporary works.

The Meaning of Tingo Adam Jacot de Boinod 2006-10-05 Did you know that people in Indonesia have a word that means 'to take off your clothes in order to dance'? Or how many words the Albanians have for eyebrows and moustaches? Or that the Dutch word for skimming stones is plimplamppletteren? Drawing on the collective wisdom of over 154 languages, this intriguing book is arranged by theme so you can compare attitudes all over the world to such subjects as food, the human body and the battle of the sexes. Here you can find not only those words for which there is no direct counterpart in English (such as the Japanese age-otori which means looking less attractive after a haircut), but also a frank discussion of exactly how many 'Eskimo' terms there are for snow, and a vast array of information exploring the wonderful and often downright strange world of words. Oh, and tingo means 'to take all the objects one desires from the house of a friend, one at a time, by asking to borrow them'.

The System of Antichrist Charles Upton 2005 The System of Antichrist examines the present religious and cultural scene from the standpoint of traditional metaphysics and critiques the New Age spiritualities within their postmodern context. Its many references to Rene Guenon and Frithjof Schuon also help introduce these important but little-known "traditionalist" thinkers. The book presents lore relating to the 'latter days' of the present cycle from the vantage point of comparative religion, drawing upon relevant doctrines from Buddhism, Hinduism, Judaism, Christianity, Islam, Zoroastrianism, and the Native American traditions. It also speculates upon the social, psychic, and spiritual nature of that being known to Christianity, Judaism, and Islam as the Antichrist, presenting him as both an individual and a system and warning those willing to be warned against the spiritual seduction and terror he represents, and against the regime which will be-and is-the social expression of that seduction and that terror. Finally, in tracing the roots of Antichrist in the fallen nature of man, the author sketches the particular quality of spirituality proper to apocalyptic times, the dangers it faces, the unique opportunities open to it. And along the way he describes his own course from the 'spiritual revolution' of the 1960s, through the world of New Age spiritualities, to the threshold of traditional esoterism and metaphysics. As he says, speaking of the angst that characterizes the modern world: "The specific medicine for the shock of despair is the deeper shock of meaning. Nothing but the weight of eternity, breaking through the thin, brittle shell of the postmodern sky, can set us on our feet." *Dictionary of Gods and Goddesses* Michael Jordan 2014-05-14 Presents brief entries describing the gods and goddesses from the mythology and religion of a wide variety of cultures throughout history.

Twilight Language of the Nagual Merilyn Tunneshende 2004-07-27 Reveals how the Nagual shamans move between this world and the dream realms • Shows how the Twilight Language of Dreaming is an avenue for understanding the energetic gateways of human existence • Presents detailed exercises for practical experiences in extra-lucid dreaming Twilight Language of the Nagual is a shamanic and spiritual account that illuminates the author's experiences under the tutelage of don Juan Matus, the Toltec shaman who mentored Carlos Castaneda, and the sorceress doña Celestina. The author journeys from a mountaintop peyote pilgrimage of the Huichol people of western Mexico to the home of Tibetan monks in Mexico City and the hut of a Mazatec mushroom shaman in a remote Oaxacan village. She learns the Twilight Language of Dreaming, an avenue for understanding the energetic gateways of human existence. Don Juan Matus defines the language of this dream power and doña Celestina tutors on sex, reproduction, and male-female affairs in relation to the state of the world. Twilight Language enables communication between beings of the upper and lower realms. The author describes how it is possible for our individual and collective consciousness to be transported to higher levels. At the conclusion of each of her narratives she offers detailed exercises for experiences in extra-lucid dreaming as well as case studies showing how to apply dreaming techniques in the "real" world. Twilight Language of the Nagual is both a serious navigational aid to other realms revealed through dreams and an exploration of the energy techniques of dream power for healing and enlightenment.

The Teachings of Don Juan Carlos Castaneda 2016-05-03 In 1968 University of California Press published an unusual manuscript by an anthropology student named Carlos Castaneda.ÉThe Teachings of Don Juan enthralled a generation of seekers dissatisfied with the limitations of the Western worldview.

Castaneda's now classic book remains controversial for the alternative way of seeing that it presents and the revolution in cognition it demands. Whether read as ethnographic fact or creative fiction, it is the story of a remarkable journey that has left an indelible impression on the life of more than a million readers around the world.

Don Juan and the Power of Medicine Dreaming Merilyn Tunneshende 2002-04-01 A journey of healing and transformation through Toltec mysticism,

shamanic dreaming, and the teachings of the Mayan prophecies. • The author studied with don Juan Matus and the Nagual sorcerers who taught Carlos Castaneda. • Includes numerous transcripts of Toltec Dreamwork sessions, providing examples of how dreamwork can transform personal life challenges. Marilyn Tunneshende learned the secrets of Dream Power, energetic healing, and sorcery from don Juan Matus, the Toltec shaman who mentored Carlos Castaneda. This book is her personal story of over 30 years of interaction with the mystical guides, dreams, and prophecies of the Maya. Through her journey we learn of the power of transmutational energies and how they might be applied to heal and transform our world. Like so many in the early 1970s, Marilyn Tunneshende had plans to travel the world beatnik-style, beginning with Mexico. Traumatized by the sudden death of her fiance after a series of premonitions, Marilyn found her adventurous trip transformed into a path of spiritual awakening, which took her into an intense apprenticeship with Toltec shaman don Juan Matus. After becoming a fully initiated Toltec sorceress and Nagual Dreaming Woman, she experienced a second trauma that threw her from the path of mystical study back into the everyday world of the West. For years she pursued her career as a teacher and linguist--all but dismissing her former mystical experiences as madness. When a series of dreams begin to pervade her consciousness and she received a heart-breaking diagnosis that she had AIDS, Marilyn returned to the world of Mayan prophecy and nagualist training in order to unleash the powers of transmutative energies in healing her own body and actualizing transcendent liberation.

Medicine Dream Marilyn Tunneshende 1997 Marilyn Tunneshende spent many years studying with Castaneda and his teacher Don Juan (John Black Crow) in Mexico. They prepared her for her experiences in Mexico amongst the descendents of the Maya.

Fire from Within Carlos Castaneda 2013-04-23 Fire from Within is the author's most brilliant thought-provoking and unusual book, one in which Castaneda, under the tutelage of don Juan and his "disciples," at last constructs, from the teachings of don Juan and his own experiences, a stunning portrait of the "sorcerer's world" that is crystal-clear and dizzying in its implications. Each of Carlos Castaneda's books is a brilliant and tantalizing burst of illumination into the depths of our deepest mysteries, like a sudden flash of light, like a burst of lightning over the desert at night, which shows us a world that is both alien and totally familiar -- the landscape of our dreams.

The author describes how it is possible for our individual and collective consciousness to be transported to higher levels. At the conclusion of each of her narratives she offers detailed exercises for experiences in extra-lucid dreaming as well as case studies showing how to apply dreaming techniques in the "real" world. Twilight Language of the Nagual is both a serious navigational aid to other realms revealed through dreams and an exploration of the energy techniques of dream power for healing and enlightenment. **The Mastery of Self** Don Miguel Ruiz, Jr. 2016-01-01 The ancient Toltecs believed that life as we perceive it is a dream. We each live in our own personal dream, and all of our dreams come together to make the Dream of the Planet. Problems arise when we forget that the dream is just a dream and fall victim to believing that we have no control over it. "The Mastery of Self" takes the Toltec philosophy of the Dream of the Planet and the personal dream and explains how a person can: Wake upLiberate themselves from illusory beliefs and storiesLive with authenticity Once released, we can live as our true, authentic, loving self, not only in solitude and meditation, but in any place--at the grocery store, stuck in traffic, etc.--and in any situation or scenario that confronts us. The Ruiz family has an enormous following, and this new book from don Miguel, Jr. will be greeted with enthusiasm by fans around the world. Secrets of the Talking Jaguar Martin Prechtel 2002-11-18 Raised on a Native American reservation in New Mexico, Martin Prechtel wandered as a young man throughout the landscapes of Mexico and Guatemala. Drawn in his dreams to the traditional Mayan community of Santiago Atitlan, he carved a life for himself among the villagers. Though an outsider himself, Prechtel was adopted as an apprentice by a powerful ancient Shaman. He married a Mayan woman and became a village chief and famous Shaman in his own right - entrusted with the rich legacy of Atitlan's ancient Mayan heritage and its deepest spiritual traditions.

Homo Serpiens Aeolus Kephas 2011-06 Homo Serpiens investigates the millennia-long "psi-opa known as culture and the various socio-religious systems of worship that have shaped and directed humanity's evolution until now. Mapping a flow of archetypes, beliefs, and practices from Ancient Egypt, through the wilderness with Moses and the Israelites, into the Ministry of Christ, the Gnostic movement and the inception of Christianity, Aleister Crowley's Law of Thelema, Hitler and the National Socialists, and finally the UFO contact cults and alien abduction rituals of modern times, Homo Serpiens unveils an occult agenda behind history and the mythic narrative of Masonic Sorcery Theater that drives it. Drawing on the works of C.G. Jung, Rudolph Steiner, and Philip K. Dick, this work interprets all human and even trans-human manipulations as side effects of an even deeper process of DNA-activation, Kundalini rising, and species mutation, from personal to galactic consciousness, into 2012 and beyond. Homo Serpiens is a grimoire for the end times. Chapters include: A Fellowship of the Rings; Homoplasmate and Apotheosis of Species; The Egyptian Strand; The Judaic Strand; The Aiwaz Working; The Nazi Strain; The Humalien Agenda and the Return of "the Gods"; The Goddess Revival; The Lucifer Coil; more. Aeolus Kephas has dedicated much of his life to the study of philosophy, world folklore, comparative religion, Jungian psychology, parapolitics, and the so-called "paranormal.a He has traveled extensively throughout his life and continues to do so. He has lived on three different continents. Kephas is devoted to mapping worlds both inner and outer. He is currently hosting a podcast, "Stormy Weather: News from the Front Line in the End Times, a as well as setting up "Crisis-Gnosis Management, a an "Existential Detective Agency.a His twenty-year researches for The Lucid View and Homo Serpiens have led him into the realms of paranoid awareness, surrealism, mind control, ritual abuse, shamanism, demonology, and alien abductions. Against all odds, he has kept his sense of humor intact.
