Among the many anticipated questions these are perhaps the most important: 1 What is an Age? 2 What is the Piscean Age? 3 What is the Aquarian Age? 4 What is meant by the Christ as the word is used in this book? 5 What relationship existed between Jesus of Nazareth

Dowling 2022-01-04 *The Aquarian Gospel of Jesus the Christ* is a book by Levi H. Dowling who claimed that he had transcribed the text of the book from the kashic records, a purported compendium of mystical knowledge supposedly encoded in a non-physical plane of existence. In the later 20th century, it was adopted by New Age spiritual groups. The title is derived from the practice in astrology of naming time periods in terms of constellations and their dominant positions in the sky, according to the earth's axial precession. 2014-05-03 What is an Age? Astronomers tell us that our sun and his family of planets revolve around a central sun, which is millions of miles distant, and that it requires something less than 26,000 years to make one revolution. His orbit is called the Zodiac, which is divided into twelve signs, familiarly known as Aries, Taurus, Gemini, Cancer, Leo, Virgo, Libra, Scorpio, Sagittarius, Capricorn, Aquarius and Pisces. It requires our Solar System a little more than 2,100 years to pass through one of these signs, and this time is the measurement of an Age or Dispensation. Because of what Astronomers call "the precession of the Equinoxes" the movement of the sun through the signs of the Zodiac is in order reverse from that given above. Exact Time of the Beginning of an Age. Regarding this matter there is a disagreement among astronomers; but in this Introduction we are not called upon to give the reasons of the various investigators for their opinions, there are enough well authenticated facts for our present

purposes. It is conceded by all critical students that the sun entered the zodiacal sign Taurus in the days of our historic Adam when the Taurian Age began, that Abraham lived not far from the beginning of the Arian Age, when the sun entered the sign Aries. About the time of the rise of the Roman empire the sun entered the sign Pisces, the Fishes, and the Piscean Age began, so that early in this Age Jesus of Nazareth lived.

the Age of Aquarius is approaching. The Aquarian Gospel makes the following claims, among others: The revelation of the Aquarian Gospel was prophesied 2000 years ago by Elihu, who conducted a school of the prophets in Zoan, Egypt. Jesus puts on the role of The Christ, but is not automatically Christ by nature. By making himself, through effort and prayer, a fit vessel, Jesus enabled The Christ to dwell within him. Christ is therefore used as a term for the perfect human being that Jesus exemplified, a human being that has been "Christened" (anointed) and therefore made holy. Jesus came to earth to show the way back to God via his lifestyle and teachings. He is the example we must model our own lives after, if we seek salvation. Reincarnation exists, and is the explanation for various seeming injustices. Reincarnation allows people to settle debts they have incurred in past lives. Humanity has forgotten God and is currently working its way back to fully remembering God. Time is separated into ages.

*Cronache Dell Akasha Pdf Pdf upload

These ages last approximately 2,000 years. We are now nearing the start of the Aquarian Age. All souls will eventually mature and become perfect, like Jesus, thus ending the cycle of reincarnation. No soul is ever abandoned by God.

16 The prophets and the seers, and all the good of earth, have been maligned. 17 If you are worthy of the crown of life you will be slandered, vilified and cursed on earth. 18 Rejoice when evil men shall drive you from their ways and cause your name to be a hiss and byword in the street. 19 I say, rejoice; but deal in mercy with the doers of the wrong; they are but children at their play; they know not what they do. 20 Rejoice not over fallen foes. As you help men rise from the depth of sin, so God will help you on to greater heights. 21 Woe to the rich is gold and lands; they have temptations multiform. 22 Woe unto men who walk at will in pleasure's paths; their ways are full of snares and dangerous pits. 23 Woe to the proud; they stand upon a precipice; destruction waits for them. 24 Woe to the man of greed; for what he has is not his own; and, lo, another comes; his wealth is gone. 25 Woe to the hypocrite; his form is fair to look upon; his heart is filled with carcasses and dead men's bones. 26 Woe to the cruel and relentless man; he is

himself the victim of his deeds. 27 The evil he would do to other men rebounds; the scourger is the scourged. 28 Woe to the libertine who preys upon the virtues of the weak. The hour comes when he will be the weak, the victim of a libertine of greater power. 29 Woe unto you when all the world shall speak in praise of you. It is conceded by all critical students that the sun entered the zodiacal sign Taurus in

the days of our historic Adam when the Taurian Age began; that Abraham lived not far from the beginning of the Arian Age, when the sun entered the sign Aries. About the time of the rise of the Roman empire the sun entered the sign Pisces, the Fishes, and the Piscean Age began, so that early in this Age Jesus of Nazareth lived. What is the Piscean Age? This question requires further consideration. The Piscean Age is identical with the Christian Dispensation. The word Pisces means fish. The sign is known as a water sign, and the Piscean Age has been distinctly the age of the fish and its element, water. In the establishment of their great institutions John the Harbinger and Jesus both introduced the rite of water baptism, which has been used in some form in all the so-called Christian Churches and cults, even to the present time. Water is the true symbol of purification. Jesus himself said to the Harbinger before he was baptized: “All men must be washed, symbolic of the cleansing of the soul.”

(Aquarian Gospel 64:7.) Fish was a Christian Symbol. In the earlier centuries of the Christian Dispensation the fish was everywhere used as a symbol. In his remarkable book, "Christian Iconography," Didron says: "The fish, in the opinion of antiquarians generally, is the symbol of Jesus Christ. The fish is sculptured upon a number of Christian monuments, and more particularly upon the ancient sarcophagi. It is also upon medals, bearing the name of our Savior and also upon engraved stones, cameos and intaglios. The fish is also to be remarked upon the amulets worn suspended from the necks by children, and upon ancient glasses and sculptured lamps. "Baptismal fonts are more particularly ornamented with the fish. The fish is constantly exhibited placed upon a dish in the middle of the table, at the Last Supper, among the loaves, knives and cups used at the banquet." In the writings of Tertullian we find this statement: "We are little fishes in Christ our great fish." The last two thousand years,

comprising the Piscean Age, has certainly been one of water and the many uses of that element have been emphasized, and sea and lake and river navigation has been brought to a high degree of efficiency. What is the Aquarian Age? The human race is today standing upon the cusp of the Piscean-Aquarian Ages. Aquarius is an air sign and the New Age is already noted for remarkable inventions for the use of air, electricity, magnetism, etc. Men navigate the air as fish do the sea, and send their thoughts spinning around the world with the speed of lightning.

animal telepathy Mystics and sages have long maintained that there exists an interconnecting cosmic field at the roots of reality that conserves and conveys information, a field known as the Akashic record. Recent discoveries in vacuum physics show that this Akashic Field is real and has its equivalent in science's zero-point field that underlies space itself. This field consists of a subtle sea of fluctuating energies from which all things arise: atoms and galaxies, stars and planets, living beings, and even consciousness. This zero-point Akashic Field is the constant and enduring memory of the universe. It holds the record of all that has happened on Earth and in the cosmos and relates it to all that is yet to happen. In *Science and the Akashic Field*, philosopher and scientist Ervin Laszlo conveys the essential element of this information field in language that is accessible and clear. From the world of science he confirms our deepest intuitions of the oneness of creation in the Integral Theory of Everything. We discover that,
