After conquering Europe, where this feisty, little warrior is a true pop culture super-star, Asterix is invading America with another three classic adventures, newly translated into American English. Empire. Turns out, Asterix and his fellow villagers have a secret weapon, a potion that imbues them all with super strength. But the Romans aren't about to give up no matter how many times Asterix and his friends fend them off. These classic comics are not only incredibly entertaining, filled with humor, adventure, and great characters, but the historic figures are brought to life in a way that's exciting and humanizing, providing educational elements to each story, similar to the Geronimo Stilton graphic novels.
