The Starless Sea Erin Morgenstern 2019-11-05 NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

She has become so accustomed to being resentful of her husband, James, that even when she wants to show him love she doesn't know how. He made some mistakes over the course of their decades-long marriage, but she made some mistakes, too, which alienated not only her husband but friends and neighbors as well. Deep down she is sorry for what happened and still loves Harold, but stubborn pride eats away the short time they have left to make amends. When she finds herself widowed with grown children in far-off places, a deep loneliness sets in and she starts to give up on life. That is until a group of red hat ladies—whom she once thought of as belonging to a cult—extend hands of friendship and reintroduce her to herself and, possibly, a new love. In this debut novel, Wayans has crafted unforgettable characters in Alma, her family, and friends, and a charming story that stays with the reader long after the last page is read and reminds us of the enduring power of love and friendship.

**Copy Cap Murder** Jenn McKinlay 2016-01-05 The New York Times bestselling author of *At the Drop of a Hat* returns to her London hat shop with a fresh tale of milliners and murder. For Scarlett Parker, part of the fun of living in London is celebrating the British holidays, and she's excited to share her first Bonfire Night with her cousin Vivian Tremont. Invited to a posh party by their friend Harrison Wentworth, Scarlett and Viv decide to promote their hat shop, Mim's Whims, by donning a few of their more outrageous creations. The hats prove to be quite the conversation starters as the girls mix and mingle with the guests—never suspecting that one of them is a killer. It's a cold, clear night, perfect for the British tradition of tossing a straw stuffed effigy of Guy Fawkes, traitor to the crown, onto the bonfire. But instead of a straw man, they realize in the heat of the moment that the would-be Guy Fawkes is actually Harrison's office rival and he's been murdered. Before the smoke has cleared, Harrison is the Metropolitan police's prime suspect, and Scarlett and Vivian must find the real homicidal hothead before their dear friend's life goes up in flames.

**ArchEnemy** Frank Beddor 2009-10-15 Discover the fate of Wonderland- and imagination itself- in this riveting conclusion to the New York Times bestselling trilogy. The Heart Crystal's power has been depleted, and Imagination along with it. The people of Wonderland have all lost their creative drive, and most alarmingly, even Queen Alyss is without her powers. There is some comfort in the fact that the vicious Redd Heart seems to be similarly

disabled. Amazingly, she is attempting to team up with her enemy, Alyss, in order to reclaim Wonderland from King Arch. Alyss might have no choice but to accept Redd's overtures, especially when she begins to receive alarming advice from the caterpillar oracles. Page-turning and complex, this culmination of the Wonderland saga is intensely satisfying.

**Queen of Hearts** Colleen Oakes 2016-05-03 The first novel in Colleen Oakes's epic, imaginative and twisted series, perfect for fans of *Dorothy Must Die* and *Heartless*, tackles the origin of one of the most infamous villains—the Queen of Hearts. This is not the story of the Wonderland we know. Alice has not fallen down a

rabbit hole. This is a Wonderland where beneath each smile lies a secret, each tart comes with a demand, and only prisoners tell the truth. Dinah is the princess who will one day reign over Wonderland. She has not yet seen the dark depths of her kingdom; she longs only for her father's approval and a future with the boy she loves. But when a betrayal breaks her heart and threatens her throne, she is launched into Wonderland's dangerous political game.
