How to Get a First Thomas Dixon 2004-08-05 In this informative guide, Thomas Dixon argues that you do not have to be a genius to get a first at university. He sets out to de-mystify first-class degrees in the arts, humanities and social sciences, clearly articulating the difference between the excellent and the merely competent in undergraduate work. This concise, no-nonsense guidebook will give prospective and current students advice on teaching and learning styles that prevail in university and on how to manage their two most important resources - their time and their lecturers. In an accessible and entertaining style, the author looks at subjects such as: making the transition from school to university developing transferable skills making use of lectures and seminars using libraries and the Internet note-taking, essays, seminars and presentations common mistakes to avoid writing with clarity and style revision and examinations. Illustrated with many examples from a range of academic disciplines, How to Get a First is an all-purpose guide to success in academic life. Visit the companion website www.getafirst.com

If I Say Yes Neha Yazmin 2021-07-23 You know the story where the girl-next-door-type is getting married to a jerk - and she's only marrying him because she's given up on finding Mr. Right - only for the man of her dreams to walk into her life days before the wedding? This is not that story. How about the story where the girl is engaged to the nicest guy in the world, but the appearance of a mysterious hunk rocks her world off its axis and makes her wonder if she should select sexy instead of sweet? This isn't that story, either. My story does however, include a man I'm going to marry and a man that... You'll find out soon enough... An unexpected arranged marriage proposal, the perfect fiancé, a magical engagement party, and Shell is about to embark on a new chapter of her life. But as she prepares for her happy ever after, she discovers that there are people trying to sabotage her pending nuptials. One of them might be a stalker she never knew she had and the other comes in the form of Sebastian Lowe--her future husband's best friend! How could her sweet, clean-cut fiancé be close friends with a guy that has such questionable morals and a chilling dark side? Seb thinks he's saving his childhood friend from marrying the wrong girl and will stop at nothing to get his way. But when unforeseen circumstances force him to work with her, will Shell prove that he's wrong about her? Or will Seb succeed in splitting the bride and groom apart forever?
