2020-10-26 This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the "age of Tumblr activism." The Deal: Churchill, Truman, and Stalin Remake the World Charles L. Mee Jr. 2014-08-05 For two weeks in the summer of 1945, Winston Churchill, Harry Truman, and Josef Stalin gathered to reconstruct the world out of the ruins of World War II. They met "only a few miles," as President Truman noted, "from the war-shattered seat of Nazi power" - around a baize-covered table in the Cecilienhof Palace at Potsdam, a suburb of Berlin. The Allied powers had met twice before, engaging in the cordial horse-trading of properties and promises, to perpetuate a united military front against Germany. Potsdam, however, was different. With Germany defeated, the Allies knew victory in the Far East was imminent. The objective was no longer how to

unite for victory, but how instead to divide the spoils and create a new balance of power. In *The Deal*, Charles L. Mee Jr. demonstrates how, with national self-interest the primary motivation, peace was destined to be sacrificed to deliberate discord. If Allied harmony would stand in the way of expanding "spheres of influence," then it would become necessary to maintain the political expedient of aggression. What did each power want and were these objectives of sufficient importance to warrant forfeiting peace? Would the outcome have been different had Churchill's rhetoric been less powerfully disruptive, had Stalin been surer of domestic calm, had Truman been more open? Would the history of the last seventy years have been the same? Through logbooks,

eyewitness accounts, and conference transcripts, Mee vividly reconstructs this moment in history, when three men came together to forge a peace and a new face for Western Europe and left with a tri-partite declaration of the Cold War.

The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. 2010-09-28 Two of the most trusted reviewers in the field join with top authors, illustrators, and critics in a definitive guide to choosing books for children – and nurturing their love of reading. A Family of Readers is the definitive resource for parents interested in enriching the reading lives of their children. It's divided into four sections: 1.

Reading to Them: Choosing and sharing board books and picture books with babies and very young children. 2.

Reading with Them: Launching the new

reader with easy readers and chapter books. 3. Reading on Their Own: Exploring what children read – and how they read – by genre and gender. 4. Leaving Them Alone: Respecting the reading privacy of the young adult. Roger Sutton knows how and why children read. He must, as the editor in chief of The Horn Book, which since 1924 has been America's best source for reviews of books for young readers. But for many parents, selecting books for their children can make them feel lost. In this essential resource, Roger Sutton and Martha V. Parravano, executive editor at the magazine, offer thoughtful essays that consider how books are read to (and then by) young people. They invite such leading authors and artists as Maurice Sendak, Katherine Paterson, Margaret Mahy, and Jon

The more beautiful the flower is, the more does one offend God in despising it. The tulip is the most beautiful of all flowers. Therefore, he who despises the tulip offends God beyond measure.

the history of that time, and
especially that of the year in the
middle of which our narrative

Chapter 13. What was going on all this Time in the Mind of one of the Spectators. Whilst Cornelius was engaged with his own thoughts, a coach had driven up to the scaffold. This vehicle was for the prisoner. He was invited to enter it, and he obeyed. His last look was towards the Buytenhof. He hoped to see at the window the face of Rosa, brightening up again. But the coach was drawn by good horses, who soon carried Van Baerle away from among the shouts which the rabble roared in honour of the most magnanimous Stadtholder,
