Without Hope Barbara Naughton 2010-09-30 Barbara's father was a sadistic man at the best of times - his idea of fun was to kill the family dog by tying it to the back of his car and driving off. Also for kicks, he took his children out on to the lake and held them under until they were gasping for their lives. He sexually assaulted Barbara from a young age, often when the rest of the family were in the house. He repeatedly threatened to kill her, and made two very serious attempts. During the final attempt, as he was raping and choking her, Barbara made a vow - if she survived, she would come forward and get justice against her father ... Without Hope is a powerful and inspiring true story of a girl who finally found the inner strength to escape her brutal childhood.

Hope's Boy Andrew Bridge 2008-07-10 Andrew grew up in the 1970s with his funny, loving but deeply unstable mother. Life with her was totally chaotic. She left him alone in motel rooms at night and took him with her when she went house burgling. But Andrew's mother wasn't bad, she was just lost herself and one thing she did was always tell him she loved him. Gradually, though, the bad times got worse. One day Andrew, aged seven, found his mother in the bathroom in the middle of a breakdown, the walls covered in her pleas for help all written in the blood from the cuts she'd inflicted on herself. He was taken into care and put with a foster family who treated him with loneliness and neglect at best and cruel indifference as standard. This is a groundbreaking story of a childhood destroyed by mental illness. It is also a heartbreaking love story about a mother's legacy of love.

was already losing her grip on reality. Schoolwork, family, and "ordinary people" had no meaning behind the iron gates of the Mansion, where celebrities frolicked, pool parties abounded, and her own father—Hugh Hefner's personal physician and best friend, the man nicknamed "Dr. Feel Good"—typically held court. Every day was a party, every night was an adventure, and through it all was a young girl falling faster and faster down the rabbit hole—trying desperately hard not to get lost.

A Boy Without Hope Casey Watson 2018–11 A BOY WITHOUT HOPE is the heart-breaking story of a boy who didn't know the meaning of love. A history of abuse and neglect has left Miller destined for life's scrap heap. But in this turbulent story of conflict and struggle, Casey Watson is determined to help Miller overcome his demons, show him love and give him hope. Casey Watson is back, doing the job she does best – rolling up her sleeves and fostering the children who, on first meeting, seem like hopeless cases. But when she meets Miller and discovers the truth about his disturbing childhood, even Casey begins to doubt if this child will ever be able to accept love. Found naked and alone on a railway track, Miller was just five when he was first admitted into the care system. Emotionally tormented by his biological parents, Miller has never understood how to establish meaningful relationships, and his destructive past, and

over 20 failed placements, is sealing his fate in society's social scrap heap. After a torrent of violent behaviour and numerous failed attempts to help Miller, Casey decides to make an intervention, implementing a severe regime that strips Miller of all control. But soon the emotional demands of Miller's case start to take their toll on Casey and Mike. Just how far is Casey willing to go to help Miller and save him from his inner demons?

In these speeches, Emmeline Pankhurst and other leading militant suffragists defend themselves against the charges of damaging city property in their attempt to publicize the issue of women's suffrage. They illustrate the complexity of the issue and the ambivalence of the court which found them guilty of damaging city property yet acknowledged the virtues of the cause for which they were fighting.
