**Guide a cowboy to keep a contemporary western**-Eva had always been captivated by the realm of magic, but she never anticipated that she would uncover her own witchcraft. She had spent her childhood in a ordinary family, living in a unassuming town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A mysterious package arrived, sent by her grandmother, who had left this world years ago. Within the package lay an ancient leather-bound book, its cover adorned with the inscription, “The Book of Shadows”. As Eva opened the book, a wave of energy coursed through her veins. She realized that the book held the hidden mysteries of her familys magical lineage, and that she was the last descendant of a long line of powerful witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar

abilities, and some of them sought to wield their magic for evil purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be changed beyond recognition from that moment forward.

It had been the year 2023, and the world stood at the brink of war. The U.S. and Peoples Republic of China, the pair of superpowers, had been locked in a ferocious contest, competing for assets, influence, and dominance. They had developed sophisticated weapons, such as lasers, drones, and spacecrafts, that could attack anywhere, anytime. They had secretly established space stations, which could deploy nuclear missiles, that can destroy the world. They were prepared to use them, if ever needed. But they were the sole ones. There was a third entity, a concealed force, that had been watching them both, waiting patiently for them, getting ready for them. They were the ETs, and they had arrived to stop them. They had come arrived to protect the earth, or to terminate it. They had come to initiate the galactic wars that transformed past.
