Space Battles which Altered History

It had been the year 2023, and the globe stood on the verge of conflict. The USA and China, the pair of superpowers, had been engaged in an intense contest, contending for resources, influence, and dominance. They had both engineered sophisticated arms, including laser weapons, unmanned aerial vehicles, and spacecrafts, that could strike any place, any moment. They had also covertly established space stations, that could launch atomic weapons, which could destroy the planet. They were set to employ them, if needed. But they were not the only ones. There existed a third power, a secret force, that had been observing them both, waiting patiently for them, preparing for them both. They were the extraterrestrials, and they had arrived to stop them both. They had come to rescue the earth, or to finish it. They had arrived to start the space wars that altered history.
