It was the year 2023, and the earth was on the edge of battle. The United States and China, the two world powers, had been entangled in a intense rivalry, competing for resources, dominance, and dominance. They had both developed advanced arms, like laser weapons, unmanned aerial vehicles, and orbiters, which can attack any location, any time. They had clandestinely established space stations, which could launch atomic weapons, that can destroy the planet. They were both ready to employ them, if ever necessary. But they were not alone. There existed a third power, a hidden power, which had been observing them, waiting for them both, preparing for them. They were ETs, and they had come to halt them both. They had arrived to protect the globe, or to end it all. They had arrived to initiate the space wars which changed chronicle.

It was a shadowy and turbulent night. The drizzle was falling heavily, and the gale was roaring. In the heart of the city, there was a museum, where a priceless diamond was on exhibit. The diamond was called the Star of Africa, and it was the greatest and most gorgeous diamond in the earth. It was secured by a advanced security setup, and a team of armed guards. No one could rob it, or so they believed. But an individual did. An individual managed to get around the protection, to elude the watchmen, to shatter the window, and to steal the diamond. And no one saw them, no one overheard them, no one knew who they were. They departed from no mark, no lead, no testimony. They disappeared into the night, with the Star of Africa. And the mystery of the vanished diamond started.
