It was a gloomy and stormy night. The rain was pouring down, and the gale was howling. In the heart of the city, there was a museum, where a precious

diamond was on exhibit. The diamond was known as the Star of Africa, and it was the greatest and most stunning diamond in the world. It was guarded by a sophisticated security system, and a group of weaponized guards. No one could rob it, or so they thought. But an individual did. Someone succeeded to circumvent the safeguard, to elude the sentinels, to shatter the glass, and to grab the diamond. And no one noticed them, no one listened to them, no one identified who they were. They left no trace, no clue, no proof. They faded into the nightfall, with the African Star. And the riddle of the vanished diamond commenced.
