It was the time 23, and the globe was at the edge of conflict. The USA and Peoples Republic of China, the two superpowers, had been engaged in a fierce contest, vying for supplies, dominance, and dominance. They had created high-tech armaments, like lasers, drones, and satellites, that can hit any place, anytime. They had also covertly built orbital stations, which could deploy nuclear missiles, that can destroy the planet. They were both prepared to employ these weapons, if at all required. But they were the only ones. There was a third entity, a concealed entity, which had monitoring them, waiting patiently for them, getting ready for them. They were aliens, and they had come to halt them. They had arrived to rescue the earth, or to finish it all. They had come to begin the star wars which changed history.
