I Will Not Fear

2018-01-16 Melba Pattillo Beals In 1957, Melba Beals was one of the nine African American students chosen to integrate Central High School in Little Rock, Arkansas. But her story of overcoming didn't start--or end--there. While her white schoolmates were planning their senior prom, Melba was facing the business end of a double-barreled shotgun, being threatened with lynching by rope-carrying tormentors, and learning how to outrun white supremacists who were ready to kill her rather than sit beside her in a classroom. Only her faith in God sustained her during her darkest days and helped her become a civil rights warrior, an NBC television news reporter, a magazine writer, a professor, a wife, and a mother. In *I Will Not Fear*, Beals takes readers on an unforgettable journey through terror, oppression, and persecution, highlighting the kind of faith needed to survive in a world full of heartbreak and anger. She shows how the deep faith we develop during our most difficult moments is the kind of faith that can change our families, our communities, and even the world. Encouraging and inspiring, Beals's story offers readers hope that faith is the solution to the pervasive hopelessness of our current culture.

2019-12-24 Melba Pattillo Beals "From the legendary civil rights activist and author of the million-copy selling *Warriors Don't Cry* comes a powerful, timely new memoir about growing up in the segregated South. Civil rights heroine Melba Patillo Beals puts readers right in her saddle oxfords as she struggles to understand--and fight back against--the laws that told her she was less just because of the color of her skin. Includes photos and illustrations"--

March Forward, Girl

2018-01-02 Melba Pattillo Beals "Beals' recollection of white oppression and her rise above it will haunt readers. A must-read for teens." —School Library Journal From the legendary civil rights activist and author of the million-copy-selling *Warriors Don't Cry* comes an ardent and profound childhood memoir of growing up while facing adversity in the Jim Crow South. Long before she was one of the Little Rock Nine, Melba Pattillo Beals was a warrior. Frustrated by the laws that kept African-Americans separate but very much unequal to whites, she had questions. Why couldn't she drink from a "whites only" fountain? Why couldn't she feel safe beyond home—or even within the walls of church? Adults all told her: Hold your tongue. Be patient. Know your place. But Beals had the heart of a fighter—and the knowledge that her true place was a free one. Combined with emotive drawings and photos, this memoir paints a vivid

picture of Beals' powerful early journey on the road to becoming a champion for equal rights, an acclaimed journalist, a best-selling author, and the recipient of this country's highest recognition, the Congressional Gold Medal.

Let the Children March

2018 Monica Clark-Robinson Coretta Scott King Honor Award for Illustration 2019 I couldn't play on the same playground as the white kids. I couldn't go to their schools. I couldn't drink from their water fountains. There were so many things I couldn't do. In 1963 Birmingham, Alabama, thousands of African American children volunteered to march for their civil rights after hearing Dr. Martin Luther King Jr. speak. They protested the laws that kept black people separate from white people. Facing fear, hate, and danger, these children used their voices to change the world. Frank Morrison's emotive oil-on-canvas paintings bring this historical event to life, while Monica Clark-Robinson's moving and poetic words document this remarkable time.

This Is Your Time

2020-11-10 Ruby Bridges NEW YORK TIMES BESTSELLER • CBC KIDS' BOOK CHOICE AWARD WINNER Civil rights icon Ruby Bridges—who, at the age of six, was the first black child to integrate into an all-white elementary school in New Orleans—inspires readers and calls for action in this moving letter. Her elegant, memorable gift book is especially uplifting in the wake of Kamala Harris making US history as the first female, first Black, and first South Asian vice president-elect. Written as a letter from civil rights activist and icon Ruby Bridges to the reader, *This Is Your Time* is both a recounting of Ruby's experience as a child who had to be escorted to class by federal marshals when she was chosen to be one of the first black students to integrate into New Orleans' all-white public school system and an appeal to generations to come to effect change. This beautifully designed volume features photographs from the 1960s and from today, as well as stunning jacket art from *The Problem We All Live With*, the 1964 painting by Norman Rockwell depicting Ruby's walk to school. Ruby's honest and impassioned words, imbued with love and grace, serve as a moving reminder that "what can inspire tomorrow often lies in our past." *This Is Your Time* will electrify people of all ages as the struggle for liberty and justice for all continues and the powerful legacy of Ruby Bridges endures.

The Young Warriors

2021-03-25 Victor Stafford Reid In 1735, five Maroon boys are ready to be initiated as warriors. They have prepared long and hard for this day, and must now pass a sequence of tests. How the boys approach this, the most important day of their lives, says much about how they will respond to the challenges ahead. When they encounter a Redcoat troop in the forest near their village, the defence of the village and surrounding Maroon communities will depend on these boys, their training, courage, and intelligence. On this occasion, their community depends on them for its survival, but their initiation as warriors also teaches them lifelong lessons about loyalty, responsibility, trustworthiness and friendship.

The field of Engineering Economics and Cost Estimation is a crucial aspect of any engineering project. It involves present and future economic factors, making it essential to obtain accurate estimates of future costs, benefits, and other economic parameters. Engineers regularly deal with projects whose scale, complexity, and uncertainty call for complex approaches to planning and budgeting^[1]. Several methods are used for cost estimation, including rough estimates, semi-detailed estimates, or detailed estimates, depending on the needs for the estimates^[2]. Key concepts in this field include overhead costs, cost driver identification, cost allocation methods, capital budgeting, flexible budgeting, zero-based budgeting, budgets, and estimates. Various models are available for developing cost (or benefit) estimates, such as the per-unit model, the segmenting model, cost indexes, the power-sizing model, and learning curve cost estimating. Mystery of the Missing Diamond

It was a gloomy and tempestuous night. The rain was pouring down, and the wind was roaring. In the middle of the town, there was a museum, where a precious diamond was on exhibit. The diamond was named the African Star, and it was the largest and most stunning diamond in the earth. It was protected by a high-tech security system, and a group of equipped guards. No one could pilfer it, or so they assumed. But someone did. Someone managed to get around the safeguard, to evade the watchmen, to shatter the window, and to grab the diamond. And no one noticed them, no one listened to them, no one recognized who they were. They departed from no sign, no lead, no proof. They disappeared into the nightfall, with the Star of Africa. And the mystery of the missing diamond started.

He was exhausted of his life. He was uninterested, unhappy, and unsatisfied. He had a work he detested, a supervisor he abhorred, and a girlfriend he didn't love. He had no zeal, no purpose, no value. He sensed like he was squandering his time, his capability, his existence. He wanted to change, he desired to run away, he desired to live. He decided to resign from his job, to split up with his significant other, to get rid of his belongings, and to purchase a single fare to the opposite end of the earth. He didn't understand where he was proceeding, he didn't understand what he was doing, he didn't know what he was seeking. He only knew that he had to depart, that he had to investigate, that he had to uncover.
