## **People I Want to Punch in the Throat**

2014-09-09 Jen Mann NATIONAL BESTSELLER • A debut collection of witty, biting essays laced with a surprising warmth, from Jen Mann, the writer behind the popular blog People I Want to Punch in the Throat People I want to punch in the throat: • anyone who feels the need to bling her washer and dryer • humblebraggers • people who treat their pets like children Jen Mann doesn't have a filter, which sometimes gets her in trouble with her neighbors, her fellow PTA moms, and that one woman who tried to sell her sex toys at a home shopping party. Known for her hilariously acerbic observations on her blog, People I Want to Punch in the Throat, Mann now brings her sharp wit to bear on suburban life, marriage, and motherhood in this laugh-out-loud collection of essays. From the politics of joining a play group, to the thrill of mothers' night out at the gun range, to the rewards of your most meaningful relationship (the one you have with your cleaning lady), nothing is sacred or off-limits. So the next time you find yourself wearing fuzzy bunny pajamas in the school carpool line or accidentally stuck at a co-worker's swingers party, just think, What would Jen Mann do? Or better yet, buy her book. Praise for People I Want to Punch in the Throat "People I Want to Punch in the Throat is so good that it'll make you want to adopt all the cats in the world. I'm not sure about the correlation, but it's that good. It should come with a warning."—Jenny Lawson, author of Let's Pretend This Never Happened "Jen Mann has an amazing way of telling stories that will make you cringe and burst out laughing at the same time. From swinger parties to racist toddlers, she makes the suburbs unbelievably funny."—Karen Alpert, author of I Heart My Little A-Holes "Jen Mann says the things we're all too afraid to say. Her honest and hilarious writing style reminds me of David Sedaris and Tina

Fey."—Robin O'Bryant, author of Ketchup Is a Vegetable: And Other Lies Moms Tell Themselves "Jen Mann's shrewd and unrelenting assault on the absurdity of suburban life is an honest peek into the occasional nightmare that is part of living the American dream. I love Jen. I wish she was my neighbor. It's so refreshing to know that I'm not the only one who wants to punch almost everyone in the f\*\*\*ing throat."—Nicole Knepper, author of Moms Who Drink And Swear

First Love that Never Fades

Anna could never forget her first love, Leo. Their paths had crossed when they were both 16, at a idyllic summer camp. They were drawn to each other like magnets, spending every day laughing, exchanging heartfelt thoughts, and sharing stolen kisses. Their bond was solid, and they vowed to stay connected, to cherish their connection, and to never let their love fade. But life, as it often does, had different plans in store for them. They lost communication, they moved on with their lives, and they eventually married other people. Years passed, and the turmoil of life took them in different directions. But fate, it seems, had not forgotten their unwavering connection. At a chance encounter, at a long-awaited reunion, their paths crossed once again. The moment they laid eyes on each other, the spark of their connection rekindled. The same undeniable attraction that had drawn them together years ago was still potent. They felt the same thrill that had fueled their teenage romance, but they also felt the weight of time. Their emotions swirled for the unconditional love they had shared, but their minds grappled with the challenges of their current lives. They were caught in a conflict of the heart, torn between the passion of their past and the complications of their present. They stood at a critical juncture, forced to make a life-altering choice. Would they choose the intense connection of their first love, risking the unknown that lay ahead, or would they hold onto the predictability of their current lives, forever wondering what could have been? Only time would tell if their unbreakable bond would find a way to prevail.
