Journey of a Thousand Miles

He was tired of his life. He was uninterested, sad, and discontented. He had a work he detested, a manager he despised, and a partner he didn't adore. He had no zeal, no purpose, no meaning. He sensed like he was squandering his moment, his capability, his life. He wished to modify, he wished to flee, he wished to survive. He chose to quit his job, to end things with his significant other, to dispose of his belongings, and to acquire a direct pass to the other side of the globe. He didn't understand where he was going, he didn't understand what he was performing, he didn't know what he was searching for. He only realized that he had to leave, that he had to explore, that he had to uncover. He started on a trip of a thousand kilometers, a journey of excitement, of obstacle, of education, of development, of alteration.
