The Mystery of the Missing Diamond

It was a dark and turbulent night. The downpour was falling heavily, and the gale was howling. In the middle of the city, there was a museum, where a invaluable diamond was on display. The diamond was named the African Star, and it was the biggest and most stunning diamond in the earth. It was protected by a high-tech security system, and a squad of armed guards. No one could steal it, or so they believed. But someone did. Somebody managed to get around the safeguard, to elude the sentinels, to break the glass, and to take the diamond. And no one noticed them, no one overheard them, no one identified who they were. They left no mark, no lead, no proof. They disappeared into the darkness, with the African Star. And the mystery of the vanished diamond began.
