New on Earth 2021-03-16 Suzi Eszterhas Glimpse into the lives of the very youngest members of these majestic, endangered wild species. For the last twenty years, Suzi Eszterhas has dedicated her life and her work as a wildlife photographer to capturing the family life of wild animals throughout the world, mainly those that are endangered. Often spending weeks, months, or even years with a single animal family, she has photographed many unique moments in the lives of young animals. New on Earth is a collection of her most spectacular photographs—from groundbreaking images of tiger cubs in their den in India, to newborn cheetahs on the African savanna, to brown bear cubs seeing the world for the first time in the Alaskan wilderness. Suzi Eszterhas will donate 30% of her proceeds from this book to the Wildlife Conservation Network, one of the most respected wildlife conservation organizations in the world.

Let's Visit the Farm! A Children's eBook with Pictures of Farm Animals and Baby Animals (A Child's 0-5 Age Group Reading Picture Book Series) William A. Campbell Jr Let's Visit the Farm! A Children's eBook with Pictures of Farm Animals and Baby Animals has been designed to be the first step in helping your child build their vocabulary. Included in each book is a number of high quality images of very cute farm animals and baby animals that your child will enjoy looking and reading about for months. In this book your child will be learning about which animals live on the farm and what job or role they have on the farm. My books use simple one or two sentence facts which is accompanied by a relevant picture of the animal. This makes the perfect first word book to share because young children will love reading along while being encouraged to start using their words to read along. This is an excellent and fun educational resource to start your child off with. No more having to buy complex and ugly picture books. You child will also enjoy getting to use the family tablet for fun time which is also learning time. Lets Visit the Farm! is a fun and entertaining journey for a young child to find out interesting facts about the world's most common farm animals along with baby animals. The Let's visit series is particularly aimed at the 0-5 age group, but it can be used for any beginner readers who are interested in farm animals. This children's book contains high quality images of farm animals. It has been optimized to look great on all devices. With the number of great reviews I have been getting I feel that my "Let's Visit" book series is one of the best new children's book series of 2014 to hit the e-book market. Don't forget to check out the other books within the series. Scroll up to get "Baby Animals" at this SPECIAL PRICE exclusive to the Amazon Store. *** Your child will love it.*** A quick note from John: Baby Animals is the second in a series of Nature Books for Children. Every time I write a book, I'm fascinated by what I learn. For example I had no idea that a baby giraffe falls 6 feet and hits its head on the ground when its born. Nature is just so weird sometimes! It's my hope that I can pass on some of my love and enthusiasm for nature on to you and your children. I also write in hopes that your family enjoys reading these books and talking about them together; giving you the opportunity to teach strong values to your children and grow closer as a family. Above all. I truly hope you are inspired to appreciate this beautiful world we live in. Here are some of the comments about my first book that people left on FaceBook... Hey John! I just downloaded and read your book to my daycare kids. They LOVED it! Especially my little guy, he's aalllll nature, can't keep him inside. I'm sharing with all my FB peeps and my daycare parents as well. Way to go, and good for you! Best wishes!!! John, I read your book prior to letting the kids read it. It was a good read and I definitely learned some things myself. I look forward to the kids reading it. John, I downloaded your book to my phone and I will add it to my kid's tablets they are getting from Santa. Thanks! Please scroll up to purchase and enjoy this book with your family.

A Gripping Tale of Unrelenting Pursuit

This is not a mere work of fiction, nor is it a product of cinematic imagination. This is the chilling reality, the chronicle of a serial killer who, with cold-blooded intent, extinguished the lives of 17 innocent souls. He relished in the infamous moniker "Zodiac," taunting the authorities and the public with cryptic messages and elusive clues. His actions were driven by a twisted sense of purpose, a self-proclaimed divine mission. He harbored the delusion of intellectual superiority, believing himself to be an unstoppable force. But his arrogance proved to be his undoing. This is the narrative of his eventual downfall, orchestrated by the one individual who possessed an intimate understanding of his psyche - his own brother.

It was a gloomy and tempestuous night. The rain was pouring down, and the gale was howling. In the center of the town, there was an exhibition, where a precious diamond was on exhibit. The diamond was called the Star of Africa, and it was the largest and most beautiful diamond in the globe. It was secured by an advanced security setup, and a squad of armed guards. No one could pilfer it, or so they believed. But an individual did. An individual managed to get around the security, to evade the guards, to break the glass, and to take the diamond. And no one noticed them, no one heard them, no one knew who they were. They departed from no trace, no hint, no testimony. They faded into the nightfall, with the Star of Africa. And the enigma of the missing diamond began.
