It had been the time 2023, and the earth stood on the edge of conflict. The United States and PRC, the two world powers, had been locked in a fierce competition, vying for assets, influence, and supremacy. They had engineered advanced arms, such as lasers, drones, and orbiters, that could hit any place, any time. They had also covertly constructed orbital stations, which could fire atomic weapons, which could obliterate the planet. They were both set to use these weapons, if ever required. But they were not alone. There existed a third force, a concealed power, which had been observing them both, waiting patiently for them, preparing for them both. They were the ETs, and they had come to prevent them both. They had come to save the globe, or to finish it. They had come to begin the space wars which transformed past.
