Reading environmental studies objective type paper pdf pdf~Journey of a Thousand Miles

He was weary of his living. He was bored, depressed, and discontented. He had a employment he despised, a boss he despised, and a significant other he didn't adore. He had no passion, no aim, no significance. He believed like he was wasting his moment, his potential, his being. He desired to alter, he desired to flee, he wished to survive. He chose to quit his job, to break up with his partner, to get rid of his stuff, and to buy a one-way fare to the far end of the earth. He didn't realize where he was going, he didn't understand what he was doing, he didn't know what he was looking for. He only knew that he had to depart, that he had to explore, that he had to find out. He set out on a trip of a thousand kilometers, a journey of adventure, of obstacle, of learning, of development, of transformation.

Star Wars that Altered Chronicle

It was the time 2023, and the earth was at the edge of war. The U.S. and PRC, the two global powers, had been entangled in a fierce competition, contending for resources, power, and control. They had developed high-tech armaments, including laser weapons, drones, and satellites, which could attack anywhere, anytime. They had clandestinely built space stations, which can fire atomic weapons, that could destroy the world. They were prepared to employ these weapons, if necessary. But they were not the sole ones. There existed a third power, a concealed power, that had been observing them both, waiting patiently for them, getting ready for them. They were aliens, and they had come come to prevent them. They had come to protect the world, or to finish it. They had come come to initiate the space wars that altered history.
