The writers contend that in spite of its at times aimless seeming and apparently unstructured material, casual conversation is a extremely structured activity and plays a crucial part in the social formation of reality. The publication proceeds through genuine samples of casual conversations including participants differing in age, gender, ethnicity, and socio-economic class. Deriving on insights from sociology, linguistics, and critical semiotics, the publication furnishes readers with the examinative skills to portray the strata of structure and critical interpretive models to elucidate the 'social work' that occurs on through chat.

The story revolves around the character of William Bellman, who as a boy commits a minor cruel act that seems to have unforeseen and terrible consequences. The killing of a rook with his catapult is soon forgotten amidst the riot of boyhood games. However, as he grows up and has a family of his own, he seems to be a man blessed by fortune until tragedy strikes. A stranger in black comes into his life, and William starts to wonder if all his happiness is about to be eclipsed. In a desperate bid to save the one precious thing he has left, he enters into a rather strange bargain, with an even stranger partner, to found a decidedly macabre business. And thus, Bellman & Black is born.

Space Battles that Altered Past

It was the time 2023, and the earth was at the brink of war. The U.S. and China, the two global powers, had been locked in a fierce rivalry, vying for resources, dominance, and control. They had engineered high-tech arms, like laser weapons, drones, and spacecrafts, that can strike any place, any time. They had also covertly established orbital stations, that could launch nuclear missiles, that could destroy the world. They were set to employ them, if at all required. But they were not alone. There existed a 3rd entity, a secret power, which had monitoring them, waiting patiently for them, getting ready for them. They were the ETs, and they had arrived to prevent them both. They had come to protect the globe, or to finish it all. They had come arrived to begin the space wars that changed past.
