The work “Analyzing Casual Conversation” by Suzanne Eggins and Diana Slade, originally published in 1997, establishes a organized model for the examination and portrayal of casual conversation in English. The authors argue that in spite of its occasionally aimless seeming and apparently unstructured content, casual conversation is a extremely structured activity and has a vital part in the social building of reality. The book works through real instances of casual conversations involving participants varying in age, gender, ethnicity, and socio-economic class12. Deriving on insights from sociology, linguistics, and critical semiotics, the publication equips readers with the analytical skills to depict the layers of structure and critical interpretive models to explain the ‘social work’ that goes on through chat.
