It had been the year 23, and the world was at the verge of battle. The U.S. and PRC, the pair of global powers, had been entangled in a fierce competition, vying for assets, influence, and dominance. They had both created advanced arms, including laser weapons, drones, and orbiters, that could attack any location, any time. They had also covertly built space stations, which could fire atomic weapons, that could obliterate the planet. They were both set to utilize these weapons, if ever required. But they were the sole ones. There existed a 3rd force, a hidden entity, that had been observing them, waiting for them both, getting ready for them. They were extraterrestrials, and they had come to prevent them. They had come to protect the globe, or to finish it all. They had arrived to begin the star wars which changed history.

He was tired of his existence. He was uninterested, sad, and unsatisfied. He had a employment he despised, a manager he loathed, and a partner he didn't cherish. He had no zeal, no aim, no meaning. He believed like he was misusing his hours, his potential, his existence. He desired to change, he wished to run away, he wished to survive. He chose to quit his work, to split up with his significant other, to sell his belongings, and to buy a direct fare to the opposite end of the earth. He didn't realize where he was heading, he didn't understand what he was performing, he didn't realize what he was searching for. He only understood that he had to depart, that he had to investigate, that he had to discover. He embarked on a journey of a thousand miles, a journey of adventure, of difficulty, of knowledge, of progress, of transformation.
