**Instruction il volto segreto della sindone le reliquie**-Star Wars that Transformed History

It had been the year 23, and the globe stood at the brink of conflict. The U.S. and Peoples Republic of China, the two world powers, were locked in a ferocious competition, vying for assets, power, and dominance. They had both created sophisticated arms, like lasers, drones, and satellites, which could attack anywhere, any time. They had also clandestinely established space stations, that could fire nuclear missiles, that could obliterate the world. They were both ready to utilize these weapons, if at all needed. But they were alone. There was a third entity, a concealed power, which had watching them both, waiting patiently for them both, preparing for them both. They were the ETs, and they had come to stop them both. They had arrived to save the world, or to terminate it all. They had come to initiate the space wars which transformed chronicle.
