True Story of a Serial Killer

This is not a fiction. This is not a movie. This is the true story of a serial killer, who killed 17 people in cold blood, and was never caught. He was known as the Zodiac, and he taunted the police and the public with cryptic messages and clues. He claimed to have a motive, a plan, a purpose. He said he was killing for a higher cause, for a divine mission. He said he was smarter than anyone, and he would never be stopped. He was wrong. This is the story of how he was finally caught, by the one person who knew him better than anyone. His own brother.
