Nike Culture

1998-12-28 Robert Goldman This book is one of the first to take an in-depth look at how an advertising image works. It situates the Nike swoosh logo in terms of political economy, sociology, culture and semiotics. Nike Culture describes and deconstructs the themes and structures of Nike's advertising, outlines the contradictions between image and practice, and explores the logic of the sign economy. In addition, by focusing on issues revolving around representations of race, class and gender, the desire for both community and recognition, and the construction of sport as a spiritual enterprise, the book offers insights into the cultural contradictions embedded in sports culture.

One Language, Two Grammars?

2009-01-22 Günter Rohdenburg It is well known that British and American English differ substantially in their pronunciation and vocabulary - but differences in their grammar have largely been underestimated. This volume focuses on British-American differences in the structure of words and sentences and supports them with computer-aided studies of large text collections. Present-day as well as earlier forms of the two varieties are included in the analyses. This makes it the first book-length treatment of British and American English grammar in contrast, with topics ranging from compound verbs to word order differences and tag questions. The authors explore some of the better-known contrasts, as well as a great variety of innovative themes that have so far received little or no consideration. Bringing together the work of a team of leading scholars in the field, this book will be of interest to those working within the fields of English historical linguistics, language variation and change, and dialectology.

English in Mind Level 3A Combo with Audio CD/CD-ROM

2007-07-16 Herbert Puchta The English in Mind Combos offer flexibility in a contemporary English course for teenagers. Each Combo contains eight Student's Book units with the corresponding Workbook material grouped into two modules, and offers approximately 40 to 45 hours of classwork. Clear learning objectives at the beginning of each module, plus 'Check your Progress' sections at the end, help students and teachers plan learning more effectively. There are free Audio CDs/CD-ROMs combining an interactive CD-ROM and audio material. The English in Mind Combos can be used with mixed-ability classes. Combo Starter A is for complete beginners. Combos 1A and 1B are for elementary students; 1A contains a 16-page starter section to review key language. Combos Levels 2A, 2B, 3A and 3B take students from pre-intermediate to intermediate level.
