PROJECT THE LAST TIME ILL WRITE ABOUT YOU;The publication “ANALYZING CASUAL CONVERSATION” by Suzanne Eggs and Diana Slade, originally released in 1997, creates a organized model for the analysis and description of casual conversation in English. The authors contend that notwithstanding its at times aimless seeming and seemingly unstructured substance, casual conversation is a highly structured undertaking and has a vital function in the social construction of reality. The book goes through real samples of casual conversations entailing participants varying in age, gender, ethnicity, and socio-economic class 12. Deriving on understandings from sociology, linguistics, and critical semiotics, the publication provides readers with the analytic skills to describe the strata of structure and critical interpretive models to clarify the ‘social work’ that occurs on through chat.
