Born Knowing 2003-02-01 John Holland Given the phenomenal change in attitudes about life after death, public interest in the Other Side is ever-increasing. Born Knowing will show you that even after the loss of a loved one, you're never truly alone. Born Knowing is John Holland's first book. In an open and candid way, he explains how he dealt with his conflict of coming to terms, and finally accepting, his rare ability as a spirit messenger who helps people connect with those who have passed on. Born in the tough suburbs of Boston, John coped with a difficult childhood, where he was ridiculed by his family and society, leaving him feeling isolated because of his psychic abilities. He refused to acknowledge his gift until a near-fatal automobile accident amplified his abilities to the point where he had to learn how to control what was once pushed away. Drawn by the history and knowledge of spiritualism in England, John takes you on his two-year journey throughout Britain. He tells the story of his training to be a top medium in the British spiritualist organizations, which he humorously refers to as A Spirit Boot Camp, and how he gained acceptance and respect within this tightly knit, often-conservative spiritual community. Born Knowing takes out the "psychic babble" by validating and dispelling some of the mystery and myths regarding mediumship. Throughout the book, John presents real-life case studies, where he discusses his readings with clients, the effect on their lives, and the sense of closure people feel, knowing that their loved ones who have passed on are still with them. The book will also help you develop your own psychic and intuitive abilities, recognize signals from the Other Side, and make spiritual connections for yourself.

The Battlefield of Ontario Politics 2014-10-10 Greg Sorbara 2015 Speaker's Book Award – Shortlisted Greg Sorbara presents a front-row seat to some of the most significant changes in Ontario politics. Greg Sorbara has enjoyed one of the most successful careers of any Ontario politician, and in two different Liberal administrations. He was appointed minister of finance by Premier Dalton McGuinty in 2003, and served as campaign chair for the Liberals’ three consecutive election victories – the first time that had happened in more than a century. First elected in 1985, Sorbara was also in the cabinet of Premier David Peterson – the first Liberal leader elected in Ontario in forty-two years. Through his quarter-century of public life in the province, Sorbara had an enviable record of introducing new policies to help Ontarians, while having the guts to raise taxes to pay for those programs. A reinvigorated health-care system, the Ontario Child Benefit, and a subway to York University all have Sorbara’s fingerprints on them. In Greg Sorbara: The Battlefield of Ontario Politics, the author brings you into the back rooms of the Ontario Liberal Party as some of the most significant changes in Ontario’s political history are made. He also gives readers an insider’s view of his party’s election strategies and dispels the myths surrounding the controversial gas plants cancellations.

The Spirit Whisperer 2010-02-15 John Holland There’s a special language that transcends time and space –a language that’s not constrained by the limitations of just words –but one that consists of signs, symbols, energy, and thought. A language that can only be heard when one truly listens. It’s the language of The Spirit Whisperer. In John Holland’s past books, he explained how he came to terms with, and learned to accept and embrace, his spiritual gifts as a psychic medium; and how "readers" could develop their own intuitive psychic abilities. In this book, John picks up the fascinating story of his personal journey of growth and development as one of the most respected practicing mediums today. This work chronicles his career to date and includes some enlightening and heartfelt real-life case studies. He candidly discusses readings with clients, including those who’ve had their own After Death Communications (ADCs) –from the outrageous to the profound. John also explains the signs and symbols that our loved ones continually try to send us. One of his most popular sayings is: "Those on the Other Side want to talk to you –as much as you want to talk to them!" John divulges for the first time some of the extraordinary paranormal occurrences he’s witnessed throughout his career, and provides a rare glimpse behind the scenes of what it’s like to be a "Psychic Time Machine" for several television shows. He’ll also help parents who have a psychic child themselves. The Spirit Whisperer is a book you’ll want to read over and over, as many of the stories will touch your heart as well as your soul!
