Trust Life

2018-10-02 Louise Hay 365 affirmations and reflections drawn from the inspirational work of Louise Hay, Queen of the New Age . . . A founder of the self-help movement . . . The closest thing to a living saint . . . Louise Hay was called all this and more, and her work inspired millions worldwide, but she never set herself up as a guru with all the answers. She urged every attendee at her workshops and conferences, every reader of her dozens of books, to remember that it is you who has the power to heal your life. She was just here to guide you on the path of remembering the truth of who you are: powerful, loving, and lovable. In honor of Louise's life, you now hold in your hands this compilation of her most inspiring teachings from her greatest works. Our hope is that the 366 entries within this book allow you to carry the wisdom of Louise with you each and every day, and inspire you to trust the process of Life. As Louise said: "Very simply, I believe that what we give out, we get back; we all contribute to, and are responsible for, the events that take place in our lives--both the good and the so-called bad. We create our experiences based on the words we say and the thoughts we think. When we create peace and harmony in our minds and think positive thoughts, we will attract positive experiences and like-minded people to us. In essence, what I'm saying is that what we believe about ourselves and about Life becomes true for us."

*F**k It - Do What You Love*

2016-05-01 John C. Parkin A recent Gallup poll in the US found that 70% of those in work didn't enjoy their job. In his latest book, John C. Parkin brings the power of saying "F**k It!" to the subject of doing what we love. In this highly entertaining and motivational book, John sets out to prove that when we do what we love, we're actually more likely to be happier, healthier, wealthier, and more successful. He addresses the significant blocks that people experience when they consider doing what they love, including: "Doing what you love is for time off, not work", "Doing what I love would be selfish", "I just don't know what I love" and "I could never make a living from doing what I love". Through no-nonsense ideas, fascinating facts and motivating calls to action, John brings us from pessimism to inspiration, so that our thoughts become powered by "F**k it, I can't waste any more of my life", "F**k it, I will find a way to make this work", "F**k it, I will do what I love". F**k It: Do What You Love is not just a book: it's a step-by-step map to get every single person to spend their precious time on this planet doing what they love.

An Introduction to the Love of Wisdom

2004 James A. Harold The purpose of this engaging book is twofold: to explain and justify the primary objects and methods of the discipline of philosophy, and to show how philosophy is relevant to a person's life and happiness. Both purposes are implied in the idea of wisdom in its theoretical and existential dimensions. Philosophy is the 'love of wisdom,' and wisdom involves coming into a right relation to the world of beauty, goodness, and truth

All About Love

2018-01-30 bell hooks A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Toward Wisdom

2001-10 Copthorne Macdonald Toward Wisdom addresses the nature of wisdom, humanity's need for it, and ways and means of developing it. The situation the world faces today is extremely complex. Long-cherished values have begun to conflict with each other: material comfort vs. an uncontaminated world; economic growth now vs. economic well-being for our grandchildren. Toward Wisdom takes the position that the only way to make the world a better place is to make it a wiser place. Wisdom is no longer an option or a frill. We, and the world, need wisdom-based analyses of our problems followed by wisdom-based action. In the past, becoming wise was left to chance; a few people became wise before they died, but most did not. This lackadaisical approach will no longer do. Wisdom can be developed intentionally, and Toward Wisdom shows us how. The book examines some of the key impediments to wisdom — what they are, how they work, how they came to be — and introduces us to techniques for getting beyond them.

Strength to Love

2019-10-15 Martin Luther King, Jr. The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for Strength to Love, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as "Loving Your Enemies" and "Shattered Dreams," and he continued to edit the volume after his release. Strength to Love includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.
