The Mystery of the Missing Diamond

It was a shadowy and turbulent night. The drizzle was pouring down, and the gale was roaring. In the middle of the metropolis, there was a exhibition, where a priceless diamond was on display. The diamond was called the African Star, and it was the largest and most beautiful diamond in the earth. It was secured by a sophisticated security system, and a team of armed guards. No one could pilfer it, or so they believed. But someone did. An individual managed to circumvent the security, to evade the watchmen, to break the pane, and to steal the diamond. And no one saw them, no one overheard

them, no one identified who they were. They left no sign, no hint, no evidence. They disappeared into the nightfall, with the Star of Africa. And the riddle of the vanished diamond began.

Space Battles which Altered History

It had been the year 23, and the globe stood at the brink of war. The USA and China, the pair of superpowers, had been locked in a intense contest, contending for assets, influence, and supremacy. They had engineered sophisticated arms, like laser weapons, drones, and satellites, which could hit any place, anytime. They had covertly established space stations, that could launch nuclear missiles, that can obliterate the earth. They were set to utilize these weapons, if at all required. But they were the sole ones. There existed a 3rd entity, a concealed power, which had been watching them both, waiting for them both, getting ready for them both. They were aliens, and they had come arrived to prevent them both. They had come arrived to rescue the globe, or to terminate it all. They had come to begin the star wars which changed past.
