The Little Book That Makes You Rich

2011-01-07 Louis Navellier Profit from a powerful, proven investment strategy The Little Book That Makes You Rich is the latest book in the popular "Little Book, Big Profits" series. Written by Louis Navellier -- one of the most well-respected and successful growth investors of our day -- this book offers a fundamental understanding of how to get rich using the best in growth investing strategies. Navellier has made a living by picking top, actively traded stocks and capturing unparalleled profits from them in the process. Now, with The Little Book That Makes You Rich, he shows you how to find stocks that are poised for rapid price increases, regardless of overall stock market direction. Navellier also offers the statistical and quantitative measures needed to measure risk and reward along the path to profitable growth stock investing. Filled with in-depth insights and practical advice, The Little Book That Makes You Rich gives individual investors specific tools for selecting stocks based on the factors that years of research have proven to lead to growth stock profits. These factors include analysts' moves, profit margins expansion, and rapid sales growth. In addition to offering you tips for not paying too much for growth, the author also addresses essential issues that every growth investor must be aware of, including which signs will tell you when it's time to get rid of a stock and how to monitor a portfolio in order to maintain its overall quality. Accessible and engaging, The Little Book That Makes You Rich outlines an effective approach to building true wealth in today's markets. Louis Navellier (Reno, NV) has one of the most exceptional long-term track records of any financial newsletter editor in America. As a financial analyst and editor of investment newsletters since 1980, Navellier's recommendations (published in Emerging Growth) have gained over 4,806 percent in the last 22 years, as confirmed by a leading independent newsletter rating service, The Hulbert Financial Digest. Emerging Growth is one of Navellier's four services, which also includes his Blue Chip Growth service for large-cap stock investors, his Quantum Growth service for active traders seeking shorter-term gains, and his Global Growth service for active traders focused on high growth global stocks.

Beating The Dow Revised Edition

2000-03-22 Michael B. O'Higgins In 1991, Michael B. O'Higgins, one of the nation's top money managers, turned the investment world upside down with an ingenious strategy, showing how all investors--from those with only \$5,000 to invest to millionaires--could beat the pros 95% of the time by putting 100% of their equity investment into the high-yield, low-risk "dog" stocks of the Dow Jones Industrial Average. His formula spawned a veritable industry, including websites, mutual funds, and \$20 billion worth of investments, elevating the theory to legendary status. Reflecting on the greatest bull market of our time, this must-have investment guide has been revised and updated for a new economy. With current company and stock profiles, as well as new charts, statistics, graphs, and figures, Beating the Dow is the smart investment that you--and your portfolio--can't afford to miss

Winning with the Dow's Losers

2004-12-14 Charles B. Carlson Bestselling author Charles B. Carlson returns with a counterintuitive yet simple strategy for beating the Dow and making money in the stock market. In Winning with the Dow's Losers, Carlson shows how any investor -- with any size portfolio or any level of investment knowledge -- can apply his worst-to-first strategy to generate impressive wealth over the long term. By following this simple, sound, and time-tested strategy, investors can invest in high-quality stocks at beaten-down prices and watch them rebound year after year. Investors can: Start with as little as \$1,000. Invest in as few as 1 or as many as 10 Dow stocks. Review and adjust your portfolio no more than once a year. Achieve better results than the famous "Dogs of the Dow" approach. Stock market funds come and go, while investors who chase them usually enrich only their stockbrokers and not themselves. Now, with Winning with the Dow's Losers, you can regularly pick winning stocks and make money for yourself.

Beating the Dow with Bonds

1998-12-23 Michael B. O'Higgins In Beating the Dow with Bonds, Michael O'Higgins, bestselling author of Beating the Dow and one of America's top-ranked money managers, provides a proven system for achieving the lowest-risk, highest returns in a chaotic stock market--investment advice requiring less than five minutes per year that will help you beat the pros 95 percent of the time regardless of market conditions. In 1989 Michael O'Higgins rocked the investment world. By following a very simple formula, he asserted, investors could beat the pros 95 percent of the time by putting 100 percent of their money into the "dog" stocks of the Dow. Not only did his formula work for nearly a decade, but the publication of Beating the Dow spawned a veritable industry, including websites, mutual funds, and \$20 billion worth of investments, elevating the theory to legendary status. Now O'Higgins is back--and geared to rock the investment world again. With stock market fluctuations ranging from all-time highs to all-time lows, the King of the Dow Dogs insists that incorporating bonds--once considered the ugly stepsibling to stocks--into your portfolio is the only way to win. In Beating the Dow with Bonds, you will learn: how to tell when stocks aren't the best place to be for the highest returns--and where to go in the meantime how to protect yourself from radical market fluctuations and continue to beat the Dow a reliable, easy-to-understand method of assessing the attractiveness of T-bonds, T-bills, and stock in order to achieve the best return with the least risk why, in the thirty years since December 1968, this new strategy of asset allocation would have produced almost thirty times the cumulative return of the Dow Jones Industrial Average (DJIA) and S&P 500--and five times the cumulative return of a Beating the Dow five-stock strategy how investors would have gained annual returns of 24.1 percent using this new strategy--verses annual returns of 18.2 percent with a Dow-based, stocks-only strategy and an 11.2 percent annual performance by the DJIA and S&P 500. For in investors with as little as \$5,000, Beating the Dow with Bonds provides a safer, more reliable opportunity to beat

the Dow not just in today's market--but in any market.

Trouncing the Dow: A Value-Based Method for Making Huge Profits in the Stock Market

1998-09-21 Kenneth W. Lee Insights on value investing from a Wall Street superbroker. From 1973 to 1997, the stock market averaged 9% return. Kenneth Lee's "Benchmark Investing" averaged 24%. Value investing may be a hot topic on Wall Street right now, but Lee has been making money with it for nearly a quarter-century. Trouncing the Dow, Written in an easy-to-understand style, is packed with step-by-step instructions that show any investor how to be a winner. With returns that rival Warren Buffett and Benjamin Graham, Kenneth Lee carves out his own spot in history with Trouncing the Dow.

High above the clouds, where airships sailed between floating islands, an ancient order of Skyweavers practiced the art of cloud-shaping. Using enchanted looms, they wove clouds into tapestries that told the stories of the skies. Each floating island bore a narrative, and the weavers, guided by celestial constellations, continued to thread the celestial tales that adorned the firmament.
