It had been the year 2023, and the earth was at the brink of battle. The USA and Peoples Republic of China, the pair of world powers, had been entangled in a fierce rivalry, contending for resources, influence, and dominance. They had both engineered high-tech weapons, like lasers, unmanned aerial vehicles,

and spacecrafts, that could strike any location, anytime. They had secretly constructed space stations, that could deploy atomic weapons, which could obliterate the planet. They were both ready to utilize these weapons, if at all required. But they were the sole ones. There existed a third power, a secret entity, which had been watching them both, waiting for them, getting ready for them. They were the aliens, and they had arrived to stop them. They had come to rescue the earth, or to end it all. They had come to initiate the space wars which transformed past.
