He was weary of his existence. He was bored, sad, and unfulfilled. He had a job he hated, a boss he despised, and a significant other he didn't cherish. He had no enthusiasm, no aim, no significance. He believed like he was squandering his time, his capability, his existence. He desired to alter, he wished to escape, he wanted to live. He decided to resign from his work, to split up with his partner, to sell his possessions, and to buy a single fare to the other side of the earth. He didn't realize where he was proceeding, he didn't know what he was doing, he didn't understand what he was looking for. He only knew that he had to leave, that he had to discover, that he had to find out. He embarked on a trip of a thousand kilometers, a journey of excitement, of difficulty, of knowledge, of growth, of transformation.

It had been the year 2023, and the world stood at the brink of battle. The USA and China, the two world powers, had been locked in a fierce competition, contending for resources, power, and control. They had developed sophisticated weapons, like lasers, unmanned aerial vehicles, and orbiters, which could hit any location, anytime. They had also secretly constructed orbital stations, which can launch atomic weapons, that could annihilate the world. They were both ready to use these weapons, if at all necessary. But they were not the sole ones. There was a third entity, a hidden entity, which had watching them both, waiting for them both, getting ready for them. They were extraterrestrials, and they had come to halt them both. They had come come to protect the globe, or to terminate it all. They had come to initiate the space wars that altered past.
