Surviving and Thriving in Postgraduate Research

2019-06-27 Ray Cooksey This handbook provides an in-depth exploration of the entire journey of postgraduate research in the social and behavioural sciences, from enrolment to its culmination in the form of a thesis, dissertation or portfolio, and beyond. It is written in an accessible and example-rich style, offering practical and concrete advice in virtually all areas. It also includes references to additional resources and websites, and each chapter features key recommendations for improving the postgraduate research experience. The book addresses not only research-related aspects (e.g. supervisors; selecting your guiding assumptions; contextualising, framing and configuring research; reviewing literature; sampling; writing proposals; ethics and academic integrity; selecting a data gathering strategy; surviving your thesis/dissertation/portfolio examination; and publishing), but also questions concerning how to integrate, manage, and balance the research journey in the context of the postgraduate student's broader life-world (e.g. skill development and supervisor relations; effective time and project management; a healthy work-life balance; maintaining motivation; and dealing with criticism). The book adopts an explicitly pluralist perspective on postgraduate research, moving beyond mixed methods thinking, and offers concrete examples from postgraduate students' real-world experiences.

Woody Woodpecker is an animated character that initially appeared in theatrical short films made by the Walter Lantz Studio and distributed by Universal Pictures between 1940 and 1972. The character was created in 1940 by Lantz and storyboard artist Ben “Bugs” Hardaway, who had prior set the groundwork for two other screwball characters, Bugs Bunny and Daffy Duck¹. Woody Woodpecker’s character and design transformed over the years, from an insane bird with an particularly garish design to a more refined-looking and acting character.

The stories revolve around Woody’s mischievous and often turbulent pranks, his efforts to solve problems, and his relations with other characters such as Andy Panda, Chilly Willy, Winnie Woodpecker, Knothead, Splinter, Buzz Buzzard, and numerous others². Woody Woodpecker cartoons were first broadcast on television in 1957 under the title The Woody Woodpecker Show.

In addition to the original series, there have been numerous spin-offs and adaptations. For instance, “Wonder Toons: Woody Woodpecker And Many More” is a collection of Woody Woodpecker cartoons along with other animations.
