## Romeo and Juliet Folger Shakespeare Library

2020-08-28 Barbara A. Mowat In Romeo and Juliet, Shakespeare creates a violent world, in which two young people fall in love. It is not simply that their families disapprove; the Montagues and the Capulets are engaged in a blood feud. In this death-filled setting, the movement from love at first sight to the lovers' final union in death seems almost inevitable. And yet, this play set in an extraordinary world has become the quintessential story of young love. In part because of its exquisite language, it is easy to respond as if it were about all young lovers. The authoritative edition of Romeo and Juliet from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes:—Freshly edited text based on the best early printed version of the play—Newly revised explanatory notes conveniently placed on pages facing the text of the play—Scene-by-scene plot summaries—A key to the play's famous lines and phrases—An introduction to reading Shakespeare's language—An essay by a leading Shakespeare scholar providing a modern perspective on the play—Fresh images from the Folger Shakespeare Library's vast holdings of rare books—An up-to-date annotated guide to further reading Essay by Gail Kern Paster The Folger Shakespeare Library in Washington, DC, is home to the world's largest collection of Shakespeare's printed works, and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year, the Folger offers a full calendar of performances and programs. For more information, visit Folger.edu.

## Corpus Linguistics for Online Communication

2019-02-25 Luke Curtis Collins Corpus Linguistics for Online Communication provides an instructive and practical guide to conducting research using methods in corpus linguistics in studies of various forms of online communication. Offering practical exercises and drawing on original data taken from online interactions, this book: introduces the basics of corpus linguistics, including what is involved in designing and building a corpus; reviews cutting-edge studies of online communication using corpus linguistics, foregrounding different analytical components to facilitate studies in professional discourse, online learning, public understanding of health issues and dating apps; showcases both freely-available corpora and the innovative tools that students and researchers can access to carry out their own research. Corpus Linguistics for Online Communication supports researchers and students in generating high quality, applied research and is essential reading for those studying and researching in this area.

## The SAGE Handbook of Interpersonal Communication

2011-08-26 Mark L. Knapp The revised Fourth Edition of The SAGE Handbook of Interpersonal Communication delivers a clear, comprehensive, and exciting overview of the field of interpersonal communication. It offers graduate students and faculty an important, state-of-the-art reference work in which well-known experts summarize theory and current research. The editors also explore key issues in the field, including personal relationships, computer-mediated communication, language, personality, skills, nonverbal communication, and communication across a person's life span. This updated handbook covers a wide range of established and emerging topics, including: Biological and Physiological Processes Qualitative and Quantitative Methods for Studying Interpersonal Communication Interpersonal Communication in Work, Family, Intercultural, and Health Contexts Supportive and Divisive Transactions Social Networks Editors Mark L. Knapp and John A. Daly have significantly contributed to the field of interpersonal communication with this important reference work—a must-have for students and scholars.

## Present Day Romance Tragedy

2022-06-30 David D E Evans PhD OAM 1993 Reports from India of parents killing their children in public because of social shame related to forbidden marriage began coming to world attention. 1993 Admira Ismi (Bosniak) and Boko Brki (Serb) were killed by sniper fire while fleeing the besieged city of Sarejevo on Vrbanja bridge, now known as the 'Romeo and Juliet Bridge.' Their bravery 'became a symbol for the suffering of the people on all sides of the conflict.' The challenge of young people for rights to options is highlighted by the phenomenon and imperative of romance tragedy within and across cultures. Globalisation brings awareness of other cultures: of their legends and real life heroic stories; of their struggles and sacrifices; and of their social progress. This study focuses on the time period from 1993 to the present time during which romance tragedy in India especially, began attracting world attention through the media. The first pillar of Gandhi's 'Satyagraha' is truth, claiming that openness to, and awareness of the greater community - the world community - is a necessity of peace, both at the family level and for the world community. Nonviolence (the second pillar) is seen as the first step in the path of peace, using the word 'peace' here to equate with 'the enjoyment of good relationships'. Principles for the attainment and maintenance of good relations apply to individuals at the local level and to states and nations at the government level. Martyrdom of romantic lovers choosing Gandhian-like self sacrifice (the third pillar) continues today. Reflecting hugely intense joy and sorrow, storytelling of romance tragedy through the arts and media brings compelling heroism to our attention. It leaves us with a message of hope

## Concepts of love in William Shakespeare's Romeo and Juliet

2006-06-15 Thomas Eger Seminar paper from the year 2001 in the subject English Language and Literature Studies - Literature, grade: 1,3, Bielefeld University, 12 entries in the bibliography, language: English, abstract: Why was Shakespeare so successful in his times? How come, his plays drew the masses into the theatres? How did he manage to attract all these different groups of people with different backgrounds at the same time? These are the questions I will have in the back of my mind while writing this paper. I will examine one aspect of his style more closely, which I found in his Romeo and Juliet. In doing so, I hope to give at least some small explanation of the reason of his overwhelming success. It was probably in 1595 when Shakespeare wrote this famous tragedy. He was doing so, living in a society which was leaving the Middle Ages far behind and rapidly growing in complexity. The English society was splitting up into a huge variety of different groups and organisations. The Reformation produced a wealth of new religious groupings. Especially the Puritans were to become very influential in England. The rise of the middle class was taking place under the reign of queen Elizabeth, which was combining artisans, merchants and the more prosperous peasants and was accumulating new resources and capital. The aristocracy was changing: It was opening up for new members, mostly wholesalers who had earned a fortune with the profitable overseas trade. The decline of the ancient system of feudalism was highly advanced, which for the common peasant meant that he wasn't tied to his small piece of soil any longer. He was much more mobile now. Family structures were changing as well. The kin (that is the enlarged family) as the main organising factor was beginning to lose ground to the smaller nuclear family.

## The Oxford Handbook of Evolutionary Psychology and Romantic Relationships

2023-02-28 Todd Kennedy Shackelford "Evolutionary social science is having a renaissance. This volume showcases the empirical and theoretical advancements produced by the evolutionary study of romantic relationships. The editors assembled an international collection of contributors to trace how evolved psychological mechanisms shape strategic computation and behavior across the lifespan of a romantic partnership. Each chapter provides an overview of historic and contemporary research on the psychological mechanisms and processes underlying initiation, maintenance, and dissolution of romantic relationships. Contributors discuss popular and cutting-edge methods for data analysis and theory development, critically analyse the state of evolutionary relationship science, and provide discerning recommendations for future research. The handbook integrates a broad range of topics (e.g., partner preference and selection, competition and conflict, jealousy and mate guarding, parenting, partner loss and divorce, and post-relationship affiliation) that are discussed alongside major sources of strategic variation in mating behavior, such as sex and gender diversity, developmental life history, neuroendocrine processes, technological advancement, and culture. Its content promises to enrich students' and established researchers' views on the current state of the discipline and should challenge a diverse cross-section of relationship scholars and clinicians to incorporate evolutionary theorizing into their professional work"--

## Carl Jung, Darwin of the Mind

2018-05-08 Thomas T. Lawson Carl Jung, Darwin of the Mind is a review and an explanation of Jung's thought set in an evolutionary context. Jung explored the human psyche throughout his long life. His writings, of astonishing scope and depth, elaborate on imagery that can be found in rituals, myths and fables worldwide as well as in the dreams, visions and fantasies of his patients and himself. Jung pursued common threads of meaning to the point of becoming deeply versed in the esoterica of Eastern mysticism, Gnosticism, and alchemy. Taken collectively, Jung's works develop a coherent theory about how the psyche is constructed, including an idea of how consciousness emerged as a part of it. The author demonstrates that Jung's concept of a collective unconscious structured by archetypes meshes well with accepted views of evolution and can be squared with the most rigorous science of today. So taken, Jung's work is of unrivaled explanatory power and opens new vistas for understanding who we are and how we function.

Sam awoke with a jump, his body drenched in sweat. The same terrifying nightmare had once again haunted his sleep, the one where he was chased by a menacing figure wielding a gleaming. He glanced at the clock; it was 3:15 am. He tried to calm his thundering heart, attempting to convince himself that it was merely a dream. Yet, deep down, he knew it was far more than that. He knew the enigmatic figure was tangible, and it was approaching towards him. He had seen it before, in the frightening news reports, in the precise police sketches, in the despairing faces of the victims. It was the notorious serial killer that had been terrorizing the city for what seemed like an eternity. And Sam was next.
