India and the Olympics 2009-05-07 Boria Majumdar In most accounts of Olympic history across the world, India's Olympic journey is a mere footnote. This book is a corrective. Drawing on newly available and hitherto unused archival sources, it demonstrates that India was an important strategic outpost in the Olympic movement that started as a global phenomenon at the turn of the twentieth century. Among the questions the authors answer are: When and how did the Olympic ideology take root in India? Who were the early players and why did they appropriate Olympic sport to further their political ambitions? What explains India's eight consecutive gold medals in Olympic men's hockey between 1928 and 1956 and what altered the situation drastically, so much so that the team failed to qualify for the 2008 Beijing Games? India and the Olympics also explores why the Indian elite became obsessed with the Olympic ideal at the turn of the twentieth century and how this obsession relates to India's quest for a national and international identity. It conclusively validates the contention that the essence of Olympism does not reside in medals won, records broken or television rights sold as ends in themselves. Particularly for India, the Olympic movement, including the relevant records and statistics, is important because it provides a unique prism to understand the complex evolution of modern Indian society.

The Video Demo Tape 1992 Larry Charles Benedict Covers the step-by-step procedures and techniques behind creating successful demo tapes. Allan Dwan and the Rise and Decline of the Hollywood Studios 2013-03-15 Frederic Lombardi It could be said that the career of Canadian-born film director Allan Dwan (1885-1981) began at the dawn of the American motion picture industry. Originally a scriptwriter, Dwan became a director purely by accident. Even so, his creativity and problem-solving skills propelled him to the top of his profession. He achieved success with numerous silent film performers, most spectacularly with Douglas Fairbanks Sr. and Gloria Swanson, and later with such legendary stars as Shirley Temple and John Wayne. Though his star waned in the sound era, Dwan managed to survive through pluck and ingenuity. Considering himself better off without the fame he enjoyed during the silent era, he went on to do some of his best work for second-echelon studios (notably Republic Pictures' Sands of Iwo Jima) and such independent producers as Edward Small. Along the way, Dwan also found personal happiness in an unconventional manner. Rich in detail with two

columns of text in each of its nearly 400 pages, and with more than 150 photographs, this book presents a thorough examination of Allan Dwan and separates myth from truth in his life and films.

THE AUDITION BIBLE 2014-10-03 Holly Powell As a casting director for twenty-three years, Holly Powell witnessed the casting world from three different points of view: As an independent casting director, as Head of Casting for a Studio, and as a Network Casting Executive. From this unique perspective, she formed Holly Powell Studios, with her mission being to demystify the audition process for actors. Through using her "The 6 Audition Tools Method," actors are guided into adopting the mental focus of the athlete and learn to control sabotaging thoughts that can derail an audition. THE AUDITION BIBLE: Secrets Every Actor Needs To Know, originally written as a companion piece to Holly's audition workshops, covers not only audition techniques and tools but answers many common questions about audition protocol. Anecdotal audition stories exemplify what works and what doesn't during the casting process. Part 1: The Audition is a handbook for any actor auditioning for any venue, be it television, film, theater, a commercial or a webisode. The actor travels through waiting in the lobby, walking into the audition room, the audition itself, the people he encounters in the room, and finally exiting the audition room. Part 2: Auditioning For A Series-Regular Role guides the actor through the four steps it typically takes to book a series-regular role on a network television series: The Pre-Read with the Casting Director, The Callback for Producers, Reading for Studio Executives, and Testing at the Network. Even though the format in Part 2 is specifically geared toward auditioning for television, all actors in every medium will find invaluable information here that will apply to their individual audition circumstances. An audition is an audition is an audition.

Abandoned in the Wasteland 1995 Newton Minow Broadcasters, parents, public officials, and teachers have all abandoned our children to a wasteland of vacuous, often violent television programming. In this eloquent book, Newton Minow and Craig LaMay persuasively demonstrate that this is a false application of the First Amendment. Broadcasters are required by law to serve the public interest, and the Supreme Court and Congress have said that service to children is a broadcaster's obligation under law, they remind us; the First Amendment can be used on behalf of children, to help make television a force that will nurture and not harm them.

Frank & Ava 2015-10-13 John Brady "If I had to go back in Hollywood history and name two people who were most desperately and passionately in love with each other, I would say Frank Sinatra and Ava Gardner were It" --Liz Smith It began in

Hollywood's golden age when Ava was emerging as a movie star. But she fell in (and out of) love too easily. Mickey Rooney married her because he wanted another conquest. Artie Shaw treated her like a dumb brunette, giving her a reading list on their honeymoon. Neither marriage lasted a year. Then, after being courted by Howard Hughes and numerous others, along came Frank Sinatra. His passion for Ava destroyed his marriage and brought him close to ruin. Their wild affair broke all the rules of the prudish era as Frank left his wife and children and pursued Ava on an international stage. They became romantic renegades, with the press following them from location to location. "Oh, God, Frank Sinatra could be the sweetest, most charming man in the world when he was in the mood," said Ava. They married, but then came the quarrels, separations, infidelities, and reconciliations. Eventually, there was a divorce, and they thought it was over. It wasn't. Through all of the tortured years of separation and splintered affairs with others, they maintained a secretive relationship known only to those who recognized that this was the love of a lifetime. Over the years they attempted to reconcile, romanced and nurtured each other, right to the end. The love story of Frank and Ava has never been fully explored or explained - until now. John Brady's Frank & Ava delves deeply into the lives of these two iconic stars and their turbulent lifelong relationship. More than anything else, this is the story of a romance lived out under battlefield conditions.

Cultural Engagement 2019-07-09 Josh Chatraw How should Christians approach important contemporary issues like war, race, creation care, gender, and politics? Christians in every culture are confronted with social trends and moral questions that can be difficult to navigate. But, the Bible often doesn't speak directly to such issues. Even when it does, it can be confusing to know how best to apply the biblical teaching. In Cultural Engagement: A Crash Course in Contemporary Issues authors Joshua D. Chatraw and Karen Swallow Prior first offer a broadly accessible framework for cultural engagement and then explore specific hot topics in current Western culture including: Sexuality Gender Roles Human Life and Reproduction Technology Immigration and Race Creation and Creature Care Politics Work Arts War, Weapons, and Capital Punishment Featuring contributions from over forty top thinkers, proponents of various views on the specific topics present their approaches in their own words, providing readers an opportunity to fairly consider options. Unique in how it addresses both big-picture questions about cultural engagement and pressing current issues, Cultural Engagement provides a thorough and broad introduction useful for students, professors, pastors, college ministers, and any believer wanting to more effectively exercise their faith in the public square.

Watching Marilyn 2013-12-15 Jack Chapman In the heatwave summer of 1962 Frank Watson, an investigator with a dubious past in pre-revolutionary Cuba, is hired to plant phone taps in the Hollywood home of Marilyn Monroe. There are rumours Monroe has kept a diary, a red book, detailing her affair with John F. Kennedy, the record of a scandal that could bring down the President. With the world on the edge of nuclear war, the clock in Kennedy's words at 'five to midnight', Frank Watson comes to believe someone is conspiring to protect the President by other than legitimate means.

Bite Marks 2009-09-29 Terence Taylor A teenage runaway is killed by a sadistic vampire with the pathology of a serial killer, who has stalked her family for over a decade. Brought back to life to feed on her child, she's killed again -- but not before reviving her first victim, her firstborn. The undead infant escapes, triggering a citywide search for a vampire baby whose existence threatens to expose the entire vampire society. And they will stop at nothing to make sure that doesn't happen. In the downtown art world/club scene of New York City, Steven and Lori, an artist and a writer, are in the middle of a bad break up. Instead of being able to simply move on, they are stuck with each other, bound by a contract to do a book on vampires. When they stumble across the real thing, will their feelings for each other intensify as they're reunited to battle monsters they scarcely believe exist?

The Films That Made Me... 2019-09-19 Peter Bradshaw 'Like a pizza delivery driver who travels everywhere by moped, or a volcanologist who keeps turning the central heating up, I'm a film critic who loves going to the cinema.' - Peter Bradshaw. Bradshaw's reviews range from the insightful and introspective to the savage and funny. The Films That Made Me is a must read for all film fanatics.

An Actor Succeeds 2014-03-01 Boze Hadleigh (Book). An Actor Succeeds is a very special collection containing all the best trade secrets of the biggest and most successful film and theater professionals. Presented in an informative format, An Actor Succeeds is a useful yet entertaining how-to, tips-and-advice book comprising nearly 900 quotes mostly from actors but also directors, writers, casting directors, and more. The book is conveniently divided into five chapters: Acting, Auditioning, Connecting, Working, and Coping. Here's a sampling of quotes from each section: (Acting) "Of course we all learn that acting is basically reacting. The least acting you ever have to do is in a close-up. The close-up may require an actor's reaction, but a small, subtle one. Generally speaking, the less you 'act' in a close-up, the better." Sir John Gielgud. (Connecting) "Acting, especially in motion pictures, is very hierarchical, like a caste system. The stars are royalty, the other actors are serfs-okay, commoners... If you're not a big shot, you gotta be careful not to push or intrude. You gotta watch what you say, how you say it, and, especially, when you say it." Bruce Dern. (Working) "Acting in front of a camera or a live audience requires intense concentration, to shut out the real world and create the character's reality. Focus is just as important for an actor as for a cinematographer." Keira Knightley. (Coping) "Partly I got into show business to become rich and famous and thus show up anyone who'd treated me badly growing up. But doesn't one evolve with maturity? My focus ultimately changed from negative to positive, as I found that I enjoyed the work, even the struggle, for its own sake." Michael Landon

Film and Television Acting 1997-12-11 Ian Bernard Film and Television Acting offers solid techniques for creating a natural, believable performance for film and television. The reader will discover techniques for listening and reacting, blocking and business, character, focus, the closeup, and comedy as they pertain to acting in front of a camera. The book analyzes the differences between theatre, film, and television acting, providing the theatre trained actor with specific approaches for making the transition to on-camera work. This second edition is thoroughly revised and updated. The book contains numerous scenes and exercises, including sample scenes from Cheers and Seinfeld, which provide the reader with ways to practice the specific techniques outlined by the author. Included are interviews with well-know actors and directors: Don Murray, Norman Jewison, and Emmy award winner, Glenn Jordan, to name a few. These interviews illustrate how the professionals apply their training and technique to filmed performances. There is also a chapter-length interview with John Lithgow, in which the actor provides a first-hand account of the differences of acting for the theatre and for the camera.

Wicked Stage 2017-11-01 Michelle Dayton A legendary blue diamond is the target, but Adam has bigger plans for Jess in this West End-set finale to Michelle Dayton's Strange Tango series Dealing with prima donna theater people and his uncle Tony's gang of thugs wasn't quite how Adam pictured his first holiday season with Jess. Especially not now, when he's made up his mind about things. Forever-type things. But it's the job of a lifetime: Tony plans to steal the Bulgarian Blue, an enormous blue diamond allegedly owned by one of Britain's most famously fickle directors. Choosing to stay in London with Adam over the holidays was a big step for Jess. Infiltrating the cast of their target's West End production while Adam puts his role-playing experience to good use as an understudy is bigger. But she and Adam are "all or nothing," and there's no way she'll let him play this one alone. In fact, Jess can't imagine letting Adam play anything alone anymore. On fronts both financial and personal, this is the riskiest venture Jess and Adam have ever embarked upon. On a snowy New Year's Eve they'll never forget, they'll need to be on top of their game-together-to save London's hottest play, rob the city's biggest jerk and find their happily-ever-after. This book is approximately 38,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!

The American People: Volume 2 2020-01-07 Larry Kramer In The American People: Volume 2: The Brutality of Fact, Larry Kramer completes his radical reimagining of his country's history. Ranging from the brothels of 1950s Washington, D.C., to the activism of the 1980s and beyond, Kramer offers an elaborate phantasmagoria of bigoted conspiracists in the halls of power and ordinary individuals suffering their consequences. With wit and bite, Kramer explores (among other things) the sex lives of every recent president; the complicated behavior of America's two greatest spies, J. Edgar Hoover and James Jesus Angleton; the rise of Sexopolis, the country's favorite magazine; and the genocidal activities of every branch of our health-care and drug-delivery systems. The American People: Volume 2 is narrated by (among others) the writer Fred Lemish and his two friends—Dr. Daniel Jerusalem, who works for America's preeminent health-care institution, and his twin brother, David Jerusalem, a survivor of a Nazi concentration camp who was abused by many powerful men. Together they track a terrible plague that intensifies as the government ignores it and depict the bold and imaginative activists who set out to shock the nation's conscience. In Kramer's telling, the United States is dedicated to the proposition that very few men are created equal, and those who love other men may be destined for death. Here is a historical novel like no other—satiric and impassioned and driven by an uncompromising moral and literary vision.

Sleeping with Strangers 2019-01-29 David Thomson In this wholly original work of film criticism, David Thomson, celebrated author of The Biographical Dictionary of Film, probes the many ways in which sexuality has shaped the movies—and the ways in which the movies have shaped sexuality. Exploring the tangled notions of masculinity, femininity, beauty, and sex that characterize our cinematic imagination—and drawing on examples that range from advertising to pornography, Bonnie and Clyde to Call Me by Your Name—Thomson illuminates how film as art, entertainment, and business has historically been a polite cover for a kind of erotic séance. In so doing, he casts the art and the artists we love in a new light, and reveals how film can both expose the fault lines in conventional masculinity and point the way past it, toward a more nuanced understanding of what it means to be a person with desires.

How I Got Skinny, Famous, and Fell Madly in Love 2014-04-22 Ken Baker "Thick. Heavy. Big-boned. Plump. Full-figured. Chunky. Womanly." To Emery Jackson, these phrases are just nice euphemisms for the big "F" word of "fat." But to her workout fiend dad, underwear model sister, and former Laker Girls mother, they are unacceptable states of being. Emery's cash-strapped family's solution? Signing up for a reality TV show in which Emery will have to lose fifty pounds in fifty days in order to win a million dollars. As the pounds start to drop and the ratings skyrocket, Emery feels the weight of success. And she must figure out how to turn the truths she uncovers—about beauty, love, fame, and family—into the keys to more than just fortune.

Make Your Own Damn Movie! 2007-04-01 Lloyd Kaufman Lloyd Kaufman, the writer/producer/director of such cult-classic films as The Toxic Avenger, Class of Nuke 'Em High, and Tromeo and Juliet, offers a guide to movie-making unlike any other available anywhere. In 25 years, Kaufman, along with partner Michael Herz, has built Troma Studios up from a company struggling to find its voice in a field crowded with competitors to its current--and legendary--status as a lone survivor, a bastion of true cinematic independence, and the world's greatest collection of camp on film. As entertaining and funny as it is informative and insightful, Make Your Own Damn Movie! places Kaufman's radically low-budget, independent-studio style of filmmaking directly in the reader's hands. Thus we learn how to: develop and write a knock-out screenplay; raise funding; find locations and cast actors; hire a crew; obtain equipment, permits, and music rights (all for little or no money); make incredible special effects for \$0.79 each; charm, schmooze, and network while on the film-festival circuit; and, finally, make a bad actor act so bad it's actually good. From scriptwriting and directing to financing and marketing, this book is brimming with utterly off-the-wall, decidedly maverick, yet consistently proven advice on how to fully develop one's idea for an independent film.

The Best secrets from the casting couch on camera__First Love that Never Fades

Anna could never banish from her thoughts her first love, Leo. Their paths had crossed when they were both 16, at a idyllic summer camp. They were utterly smitten, spending every day exchanging lighthearted banter, engaging in deep conversations, and experiencing the thrill of first love. Their bond was unbreakable, and they vowed to keep in touch, to remain faithful, and to love each other forever. But life, as it often does, had a different path in store for them. They lost track of each other, they moved on with their lives, and they eventually married other people. Years passed, and the turmoil of life took them in different directions. But fate, it seems, had not forgotten their unwavering connection. At a chance encounter, at a sentimental reunion, their paths crossed once again. The moment they laid eyes on each other, the spark of their connection rekindled. The same undeniable attraction that had drawn them together years ago was still potent. They felt the same joy that had fueled their teenage romance, but they also felt the reality of their present. Their souls ached for the deep connection they had shared, but their minds grappled with the tangled web of their current lives. They were caught in a emotional battle, torn between the alluring memories of their first love and the comfort and familiarity of their present. They stood at a crossroads, forced to make a difficult choice. Would they choose the magnetic pull of their first love, risking the uncertainty that lay ahead, or would they hold onto the stability of their current lives, forever wondering what could have been? Only time would tell if their first love would survive the test of time.

History secrets from the casting couch on camera, Chapter 4 of Holt Chemistry, titled "Periodic Table", provides a thorough overview of the table of elements and its constituents. The chapter begins with a discussion on the traits of groups and periods, explaining how Russian chemist Mendeleev organized elements by their weight in ascending order¹. It then delves into the concept of valence electrons and levels of energy of atoms, emphasizing the role of valence electrons in chemical reactions and transformations to atomic structures and molecules.

The chapter further differentiates between transition elements and main elements, detailing on their features and characteristics. It also clarifies the notion of ionization energy and its patterns among groups and periodic groups on the periodic table¹. The chapter talks about atom's and radii, and how these can be forecasted based on an element's position on the periodic table.

Electronegativity, which calculates an atom's inclination to draw a pair of bonding electrons, is another crucial subject discussed in this section¹. The chapter ends with a conversation on the diagonal relationship, character of metals, and point of boiling of constituents.

In terms of questions, the chapter provides a range of questions for practice and preparation for tests materials to strengthen the notions studied. These questions cover a range of subjects, from understanding the order of elements to investigating the tendencies in the periodic table.

The Peabody Picture Vocabulary Test 4th Edition (PPVT-4) is a widely recognized vocabulary test that has been in use for close to half a century. Developed by Lloyd M. Dunn and Douglas M. Dunn, the assessment is designed to measure vocabulary comprehension for American English. It is quick and easy to administer, saving valuable time so that concentration can be placed on executing effective interventions.

The PPVT-4 evaluation material encompasses a broad range of vocabulary comprehension levels, spanning from preschool through adulthood. The test items widely feature words that represent 20 subject domains (e.g., actions, vegetables, tools), speech parts (nouns, verbs, attributes), and home and school vocabulary.

The evaluation provides two equal versions which contain distinct vocabulary terms, ensuring that the test-taker has not "mastered" the evaluation. One edition can be utilized prior to intervention to assess people's vocabulary knowledge and the second form can be utilized for re-evaluation to assess and note advancement. The PPVT-4 also features a special Growth Scale Value (GSV) which is reactive to slight changes in time.
