It had been the year 23, and the globe was on the verge of war. The United States and PRC, the two world powers, had been locked in a intense contest, vying for assets, influence, and dominance. They had both developed high-tech weapons, like laser weapons, unmanned aerial vehicles, and orbiters, which can attack anywhere, any time. They had also secretly built space stations, which could deploy atomic weapons, which can annihilate the earth. They were ready to use these weapons, if ever required. But they were alone. There was a 3rd force, a concealed entity, which had been watching them, waiting patiently for them both, getting ready for them both. They were aliens, and they had come arrived to halt them both. They had arrived to rescue the earth, or to finish it. They had arrived to begin the space wars which altered past.
