Galactic Conflicts which Transformed History

It was the time 2023, and the earth stood on the brink of war. The USA and PRC, the two world powers, had been entangled in a ferocious competition, contending for assets, dominance, and dominance. They had created high-tech arms, including lasers, unmanned aerial vehicles, and spacecrafts, that could attack any location, any time. They had also clandestinely established space stations, which can deploy nuclear missiles, that could obliterate the world. They were both prepared to utilize them, if necessary. But they were not alone. There existed a third entity, a hidden power, which had been monitoring them both, waiting for them, preparing for them. They were extraterrestrials, and they had come to prevent them both. They had come arrived to rescue the earth, or to terminate it all. They had come arrived to start the space wars that changed chronicle.
