The Hinge of Fate

2014-05-11 Winston S. Churchill The British prime minister recounts battles from Midway to Stalingrad, and how the Allies turned the tide of WWII: "Superlative." —The New York Times The Hinge of Fate is the dramatic account of the Allies' changing fortunes. In the first half of the book, Winston Churchill describes the fearful period in which the Germans threaten to overwhelm the Red Army, Rommel dominates the war in the desert, and Singapore falls to the Japanese. In the span of just a few months, the Allies begin to turn the tide, achieving decisive victories at Midway and Guadalcanal, and repulsing the Germans at Stalingrad. As confidence builds, the Allies begin to gain ground against the Axis powers. This is the fourth in the six-volume account of World War II told from the unique viewpoint of the man who led his nation in the fight against tyranny. The series is enriched with extensive primary sources, as we are presented with not only Churchill's retrospective analysis of the war, but also memos, letters, orders, speeches, and telegrams, day-by-day accounts of reactions as the drama intensifies. Throughout these volumes, we listen as strategies and counterstrategies unfold in response to Hitler's conquest of Europe, planned invasion of

England, and assault on Russia, in a mesmerizing account of the crucial decisions made as the fate of the world hangs in the balance. "No memoirs by generals or politicians . . . are in the same class." —The New York Times

A term paper is a scholarly paper written by students over an academic term, accounting for a major part of a grade. It's an essential component of your college education, often assigned towards the conclusion of a semester. The paper is a vehicle through which educators gauge your comprehension of the course content. Writing a term paper isn't just about summarizing facts. It requires a blend of organization, deep research, and the art of presenting your findings in a way that's both clear and analytical. This means structuring your arguments logically, citing relevant sources, and critically evaluating the information you've gathered. When grading a term paper, there are three important aspects to consider. First, the paper should be passionately written and captivating to read. Second, it should have good grammar and style (following MLA, APA, or CMS style). Third, it should be well documented with in-text references (in parentheses) linking their assertions to scholarly articles in the list of references at the end of the paper.
