Menolly's a vampire who's still trying to get the hang of being undead. And me? I'm Camille—a wicked-good witch. Except my magic's as unpredictable as the weather, as my enemies are about to find out the hard way... At the Wayfarer Inn, a portal to Otherworld and the local hangout for humans and beasts alike, a fellow operative, Jocko, has been murdered. Every clue points to Shadow Wing, the soul-munching, badass leader of the Subterranean Realms. He's made it clear that he aims to raze humankind to the ground, turning both Earth and Otherworld into his private playground. Our assignment: Keep Shadow Wing and his minions from creeping into Earth via the Wayfarer. The demons figure they're in like Flynn. Watching the Detectives 2017-05-22 Julie Mulhern USA TODAY BESTSELLING AUTHOR Ellison Russell wanted a decorator, not a corpse. Too bad she finds Mrs. White in the study killed with a revolver. Things go from bad to worse when she finds Mr. White in the dining room killed with a candlestick. With so many bodies, is it any wonder Detective Anarchy Jones' new partner considers Ellison a suspect? With the country club gossips talking a mile a minute, an unexpected cocktail party, a visit from Aunt Sis, and a romantic decision, Ellison hardly has time to think about murder. Unfortunately, the killer has plenty of time to think about her. "This series has become so enjoyable precisely because Ellison strives against the norms no matter how many times she is told how to behave. It is her sharp wit and humor that allows her to prevail, and attempting to teach the same to her daughter further cements her place as an admirable and extraordinarily likable heroine. As entertaining as it is for readers to romp through 1970s country club society, far more enthralling are the adventures of such a resilient and stalwart woman." - Kings River Life Magazine Related subjects include: cozy mysteries, women sleuths, murder mystery series, whodunit mysteries (whodunnit), amateur sleuth books, book club recommendations, humorous murder mysteries, historical mysteries. Author Bio: Julie Mulhern is the USA Today bestselling author of The Country Club Murders. She is a Kansas City native who grew up on a steady diet of Agatha Christie. She spends her spare time whipping up gourmet meals for her family, working out at the gym and finding new ways to keep her house spotlessly clean--and she's got an active imagination. Truth is--she's an expert at calling for take-out, she grumbles about walking the dog and the dust bunnies under the bed have grown into dust lions.

An Irreverent Curiosity 2009-07-09 David Farley Read David Farley's posts on the Penguin Blog.A tour through the centuries and through a bizarre Italian town in search of an unbelievable relic: the foreskin of Jesus Christ In December 1983, a priest in the Italian hill town of Calcata shared shocking news with his congregation: the pride of their town, the foreskin of Jesus, had been stolen. Some postulated that it had been stolen by Satanists. Some said the priest himself was to blame. Some even pointed their fingers at the Vatican. In 2006, travel writer David Farley moved to Calcata, determined to find the missing foreskin, or at least find out the truth behind its disappearance. Farley recounts how the relic passed from Charlemagne to the papacy to a marauding sixteenth-century German solider before finally ending up in Calcata, where miracles occurred that made the sleepy town a major pilgrimage destination. Blending history, travel, and perhaps the oddest story in Christian lore, An Irreverent Curiosity is a weird and wonderful tale of conspiracy and misadventure.
