**Robin Wood on the Horror Film** Robin Wood 2018-11-12 Robin Wood—one of the foremost critics of cinema—has laid the groundwork for anyone writing about the horror film in the last half-century. Wood's interest in horror spanned his entire career and was a form of popular cinema to which he devoted unwavering attention. Robin Wood on the Horror Film: Collected Essays and Reviews compiles over fifty years of his groundbreaking critiques. In September 1979, Wood and Richard Lippe programmed an extensive series of horror films for the Toronto International Film Festival and edited a companion piece: The American Nightmare: Essays on the Horror Film — the first serious collection of critical writing on the horror genre. Robin Wood on the Horror Film now contains all of Wood's writings from The American Nightmare and nearly everything else he wrote over the years on horror—published in a range of journals and magazines—gathered together for the first time. It begins with the first essay Wood ever published, "Psychoanalysis of Psycho," which appeared in 1960 and already anticipated many of the ideas explored later in his touchstone book, Hitchcock's Films. The volume ends, fittingly, with, "What Lies Beneath?," written almost five decades later, an essay in which Wood reflects on the state of the horror film and criticism since the genre's renaissance in the 1970s. Wood's prose is eloquent, lucid, and convincing as he brings together his parallel interests in genre, authorship, and ideology. Deftly combining Marxist, Freudian, and feminist theory, Wood's prolonged attention to classic and contemporary horror films explains much about the genre's meanings and cultural functions. Robin Wood on the Horror Film will be an essential addition to the library of anyone interested in horror, science fiction, and film genre.

**The Little Prince** Antoine de Saint-Exupéry 2021-08-31 The Little Prince and (French: Le Petit Prince) is a novella by French aristocrat, writer, and aviator Antoine de Saint-Exupéry. It was first published in English and French in the US by Reynal and Hitchcock in April 1943, and posthumously in France following the liberation of France and as Saint-Exupéry's works had been banned by the Vichy Regime. The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, The Little Prince makes observations about life, adults and human nature. The Little Prince became Saint-Exupéry's most

successful work, selling an estimated 140 million copies worldwide, which makes it one of the best-selling and most translated books ever published. It has been translated into 301 languages and dialects. The Little Prince has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera.

*Within the Woods* Tony Urban 2018-10-10 Something is lurking within the woods... For 12-year-old Garrett and his four best friends, this summer is supposed to be unforgettable. Games at the carnival, riding bikes on back roads, renting movies to watch in their clubhouse. It's as close to perfect as a boy's life could be... until Garrett's older brother vanishes. And then things get really weird. Something is wrong in Sallow Creek, Pennsylvania. Something is changing their neighbors, infecting their families. Something is coming for them. For fans of books and movies like Stranger Things, Stephen King, Stand By Me, The Goonies, etc. comes a thrilling new novel from #1 best-selling horror author Tony Urban. Growing up has never been so scary.

**Dread Wood (Dread Wood, Book 1)** Jennifer Killick 2022-03-31 The brand new must-read middle-grade novel from the author of super-spooky Crater Lake. Perfect for 9+ fans of R.L.Stine's Goosebumps

**Little Horrors** T.S. Kord 2016-07-25 Zombies, werewolves and chainsaw-wielding maniacs are tried-and-true staples of horror films. But none can match the visceral dread evoked by a child with an innocent face and a diabolical stare. Cinema's evil children attack our cherished ideas of innocence and our innocent bystander status as the audience. A good horror film is a scary ride—a "devil child" movie is a guilt trip. This book examines 24 international films—with discussions of another 100—that in effect "indict" viewers for crimes of child abuse and abandonment, greed, social and ecological negligence, and political and war crimes, and for persistent denial of responsibility for them all. For 75 years evil children have ritually rebuked audiences and, in playing on our guilt, established a horror subgenre that might be described as a blood-spattered rampage on an ethical mission.

**Scary Stories for Young Foxes** Christian McKay Heidicker 2019-07-30 A 2020 Newbery Honor Recipient! Christian McKay Heidicker, author of the Thieves of Weirdwood trilogy, draws inspiration from Bram Stoker, H. P. Lovecraft and Edgar Allan Poe for his debut middle-grade novel,

a thrilling portrait of survival and an unforgettable tale of friendship. "Clever and harrowing." —The Wall Street Journal "Into the finest tradition of storytelling steps Christian McKay Heidicker with these highly original, bone-chilling, and ultimately heart-warming stories. All that's needed is a blazing campfire and a delicious plate of peaches and centipedes." —Kathi Appelt, Newbery Award honoree and National Book Award finalist The haunted season has arrived in the Antler Wood. No fox kit is safe. When Mia and Uly are separated from their litters, they discover a dangerous world full of monsters. In order to find a den to call home, they must venture through field and forest, facing unspeakable things that dwell in the darkness: a zombie who hungers for their flesh, a witch who tries to steal their skins, a ghost who hunts them through the snow . . . and other things too scary to mention. Featuring eight interconnected stories and sixteen hauntingly beautiful illustrations, Scary Stories for Young Foxes contains the kinds of adventures and thrills you love to listen to beside a campfire in the dark of night. Fans of Neil Gaiman, Jonathan Auxier, and R. L. Stine have found their next favorite book. A Booklist 2019 Editors' Choice Selection *Watchers In The Woods* William W. Johnstone 2016-10-11 THE HUNTEDThe idea sounded like such fun to Susan Benning. Camping on the pristine mountains of Idaho with her old high school gang right after their thirty-year reunion. Even the kids were looking forward to it. But something felt wrong the deeper they traveled into the woods. Something was watching them from behind the thick undergrowth. Waiting . . . THE HUNTERS Their race had lived among the Great Trees in peace for centuries. The “others” came to kill animals with strange weapons and poison their sacred waters with the things they carelessly left behind. But they would soon learn to stay away. The Old Hunger would teach them. Especially the little ones.

*Fear and Nature* Christy Tidwell 2021-05-10 Ecohorror represents human fears about the natural world—killer plants and animals, catastrophic weather events, and disquieting encounters with the nonhuman. Its portrayals of animals, the environment, and even scientists build on popular conceptions of zoology, ecology, and the scientific process. As such, ecohorror is a genre uniquely situated to address life, art, and the dangers of scientific knowledge in the Anthropocene. Featuring new readings of the genre, *Fear and Nature* brings ecohorror texts and theories into conversation with other critical discourses. The chapters cover a variety of media forms, from literature and short fiction to manga, poetry, television, and film. The chronological range is equally varied, beginning in the nineteenth century with the work of Edgar Allan Poe and finishing in the twenty-first with Stephen King and Guillermo del Toro. This range highlights the significance of ecohorror as a mode. In their analyses, the contributors make explicit connections across chapters, question the limits of the genre, and address the ways in which our fears about nature intersect with those we hold about the racial, animal, and bodily “other.” A foundational text, this volume will appeal to specialists in horror studies, Gothic studies, the environmental humanities, and ecocriticism. In addition to the editors, the contributors include Kristen Angierski, Bridgitte Barclay, Marisol Cortez, Chelsea Davis, Joseph K. Heumann, Dawn Keetley, Ashley Kniss, Robin L. Murray, Brittany R. Roberts, Sharon Sharp, and Kerri Stevenson.

**Script Crypt** Chris Weedin 2007-04-01 What do a perfectly ordinary and normal insane asylum, a secret, subterranean cavern infested by evil spirits and the gateway to Hell have in common? They're all in this book! And they're all lined up, ready and waiting to scare the living bejabbers out of your Players. "Script Crypt Volume 4: Very Bad Places" is a collection of four adventure scripts for "Horror Rules, the Simply Horrible Roleplaying Game," featuring an (un)healthy spread of fiendish and sinister locations for your gaming pleasure. Each site has a dark secret, a terrifying foe or some other just plain nasty feature that qualifies it as an \*official\* Very Bad Place and will undoubtedly maim, kill or drive insane any who venture into it. With places THIS bad, your Players will be DYING to go back over and over and over! Each Script is a complete adventure, including all the classic Horror Rules elements: Story, Bad Guys, Cast, Walk-Ons, Chain of Events... even Mood tips and Plot Pushers! Also, with expanded Sequel Suggestions and Plot Twists, each haunting and sinister Script becomes FOUR Scripts - that's 16 times the horror! It's enough dark corners, creaking floorboards and lurking menace to reduce even the hardest Player into a sobbing, shattered heap... and with Horror Rules, they'll never have more fun getting there! Packed with all the wacky scares, edge-of-your-seat action and pee-your-pants thrills you've come to love, "Very Bad Places" is a sure hit and a must-have supplement for horror enthusiasts and gaming fans alike. So for those who dare, four Very Bad Places await. Enter at your own risk...

**The Road** Cormac McCarthy 2007-03-20 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

**Horrific Humor and the Moment of Droll Grimness in Cinema** John A. Dowell 2017-12-06 Horrific Humor and the Moment of Droll Grimness in Cinema explores the moment in audience reception where screams and laughter collide. Essays examinine the aesthetics and mechanics of the sLaughter moment, the impact of its frission of humor and horror on the viewer, and sLaughter's implications for the human condition more generally./span

**What's in the Woods?** Steve Foxe 2020 Bullied from his first moments at camp, Andy tries to prove himself to the older boys by going into the ancient woods and destroying a mysterious faerie ring.

**Journeys into Terror** Cynthia J. Miller 2023-05-15 Since ancient times, explorers and adventurers have captured popular imagination with their frightening narratives of travels gone wrong. Usually, these stories heavily feature the exotic or unknown, and can transform any journey into a nightmare. Stories of such horrific happenings have a long and rich history that stretches from folktales to contemporary media narratives. This work presents eighteen essays that explore the ways in which these texts reflect and shape our fear and fascination surrounding travel, posing new questions about the "geographies of evil" and how our notions of "terrible places" and their inhabitants change over time. The volume's five thematic sections offer new insights into how power, privilege, uncanny landscapes, misbegotten quests, hellish commutes and deadly vacations can turn our travels into terror.

**Found Footage Horror Films** Alexandra Heller-Nicholas 2014-04-24 As the horror subgenre du jour, found footage horror’s amateur filmmaking look has made it available to a range of budgets. Surviving by adapting to technological and cultural shifts and popular trends, found footage horror is a successful and surprisingly complex experiment in blurring the lines between quotidian reality and horror’s dark and tantalizing fantasies. *Found Footage Horror Films* explores the subgenre’s stylistic, historical and thematic development. It examines the diverse prehistory beyond *Man Bites Dog* (1992) and *Cannibal Holocaust* (1980), paying attention to the safety films of the 1960s, the snuff-fictions of the 1970s, and to television reality horror hoaxes and mockumentaries during the 1980s and 1990s in particular. It underscores the importance of *The Blair Witch Project* (1999) and *Paranormal Activity* (2007), and considers YouTube’s popular rise in sparking the subgenre’s recent renaissance.

**Sedona Sacrifice** Lisa Kessler 2021-03-29 For Gage Woods, being a single dad means making sacrifices, and being a werewolf on top of it all makes secrets a must. As his pack brothers find their true mates, he yearns for his own, but dating is almost as perilous as fighting the rogue jaguar shifters who attack his pack. The moment he decides to give up and focus on his boys, fate steps in, but what if Becca is actually working with the enemy? Becca Yates has always been a loner, and never more alone than today. When her uncle calls her with a dire warning about her boss and only real friend, her world is upended. She’s not sure who she can trust anymore, but if she doesn’t figure it out soon, it

could cost her life. With his special forces background Gage is ready to help Becca fight for the truth. The question is, will it set them free, or put them on a collision course with a disaster that even love can’t survive?

**Days 203 to 210** Amy Cross 2022-10-30 As New York is destroyed, Elizabeth desperately tries to find a way out. She eventually heads down into the subway system, hoping to at least escape from Manhattan, but she soon finds that she's not alone. Deadly creatures lurk in the dark tunnels, and Elizabeth is quickly plunged into a fight for survival. Zombies aren't the only danger, either, as swarms of rats hunt for their next meal Meanwhile, hundreds of miles away, Thomas starts to learn the truth about his sister. Martha might have survived, but she's acting strangely and it soon becomes apparent that she's hiding something. How will Thomas react if he's forced to choose between his sister and his friends? Days 203 to 210 is the tenth book in the Mass Extinction Event series. The book ends with a cliffhanger, and readers are advised to start with the first part of the series.

**The Collector** K. R. Alexander 2018-08-28 A spooky doll story filled with thrills and chills, for fans of Mary Downing Hahn and Neil Gaiman. Josie always liked visiting her grandmother's house. But when she's forced to move there, she starts to feel like something is a little . . . off. Her grandmother has some very strange rules:Never leave your windows open after dark.No dolls in the house.Never, ever go by the house in the woods.A little spooked, Josie is relieved to find that her school seems pretty normal. She even manages to make friends with a popular girl named Vanessa. When Vanessa invites Josie back to her house to hang out, Josie doesn't question it. Not even when Vanessa takes her into the woods, and down an old dirt road, toward the very house her grandmother had warned her about . . .The house that has been calling for her.

**Ghostowns & Gunsmoke** Chris Weedin 2008

**Gothic for Girls** Julia Round 2019-10-29 Winner of the 2019 Broken Frontier Award for Best Book on Comics Today fans still remember and love the British girls’ comic *Misty* for its bold visuals and narrative complexities. Yet its unique history has drawn little critical attention. Bridging this scholarly gap, Julia Round presents a comprehensive cultural history and detailed discussion of the comic, preserving both the inception and development of this important publication as well as its stories. *Misty* ran for 101 issues as a stand-alone publication between 1978 and 1980 and then four more years as part of *Tammy*. It was a hugely successful anthology comic containing one-shot and serialized stories of supernatural horror and fantasy aimed at girls and young women and featuring work by writers and artists who dominated British comics such as Pat Mills, Malcolm Shaw, and John Armstrong, as well as celebrated European artists. To this day, *Misty* remains notable for its daring and sophisticated stories, strong female characters, innovative page layouts, and big visuals. In the first book on this topic, Round closely analyzes *Misty*’s content, including its creation and production, its cultural and historical context, key influences, and the comic itself. Largely based on Round’s own archival research, the study also draws on interviews with many of the key creators involved in this comic, including Pat Mills, Wilf Prigmore, and its art editorial team Jack Cunningham and Ted Andrews, who have never previously spoken about their work. Richly illustrated with previously unpublished photos, scripts, and letters, this book uses *Misty* as a lens to explore the use of Gothic themes and symbols in girls’ comics and other media. It surveys existing work on childhood and Gothic and offers a working definition of Gothic for Girls, a subgenre which challenges and instructs readers in a number of ways.

**The Spire in the Woods** Tony Lunedi 2017-04-26 After discovering the suicide of a schoolmate may be connected to a local legend, a young man embarks on a quest to discover the truth. Why had Robert Edward Kennan killed himself? Was it because of a failed relationship or something more insidious? Based on actual events, the *Spire in the Woods* is equal parts coming of age and ghost story. A candid account of one man's struggles with his mental health, his obsession with the supernatural, and the single biggest regret of his life.

**The Inn** William Patterson 2015 When they inherit a dilapidated B&B in western Massachusetts, Jack and Annabel Devlin decide to use this opportunity to save their marriage and start over, but instead find themselves faced with a dark evil that comes to life once again, making their worst fears come true. Original.

**The Cabin in the Woods** Susanne Kord 2023-04-17 *The Cabin in the Woods* (2012), directed by Drew Goddard and co-authored by Goddard and Joss Whedon of *Buffy*-fame, was famously described by co-author Whedon as his ‘loving hate letter’ to horror. Interviews with Whedon reveal that his struggles with modern cinematic horror are not merely emotional, but intensely philosophical. This book is the first to read *Cabin* as a philosophical metatext that asks what horror offers audiences and why audiences accept. Like any good philosophy, the film offers no answers but raises questions: what ‘choices’ are possible in a pre-determined universe? How do we, the audience, see the victims of violence, and with what ethical consequences? And finally, the most fraught question of all: why do we keep looking?

**Horror in the Woods** Lee Mountford 2017-08-04 FINDING THAT DESECRATED BODY WAS ONLY THE BEGINNING...For Ashley and her three friends, it was supposed to be an adventure-filled weekend. A chance to get away from the hustle-and-bustle of city life, and experience the peaceful tranquility of nature.But when they ventured into those woods, their trip turned into a horror far beyond what they could have ever imagined.Because these four friends have wandered into the territory of the violent, grotesque Webb family. A group of psychopaths who have a taste for human meat. And they are hungry!Ashley and her friends must face this evil head on, and worse, discover the shocking secret behind the family's existence...In the vein of THE EVIL DEAD, TEXAS CHAINSAW MASSACRE, and WRONG TURN - HORROR IN THE WOODS will leave you exhausted and drained. A brutal, violent tale that hurtles along at break-neck pace - one that horror fans should not miss!

**Breaking Their Will** Janet Heimlich 2011-06-14 This revealing, disturbing, and thoroughly researched book exposes a dark side of faith that most Americans do not know exists or have ignored for a long time—religious child maltreatment. After speaking with dozens of victims, perpetrators, and experts, and reviewing a myriad of court cases and studies, the author explains how religious child maltreatment happens. She then takes an in-depth look at the many forms of child maltreatment found in religious contexts, including biblically-prescribed corporal punishment and beliefs about the necessity of "breaking the wills" of children; scaring kids into faith and other types of emotional maltreatment such as spurning, isolating, and withholding love; pedophilic abuse by religious authorities and the failure of religious organizations to support the victims and punish the perpetrators; and religiously-motivated medical neglect in cases of serious health problems. In a concluding chapter, Heimlich raises questions about children’s rights and proposes changes in societal attitudes and improved legislation to protect children from harm. While fully acknowledging that religion can be a source of great comfort, strength, and inspiration to many young people, Heimlich makes a compelling case that, regardless of one’s religious or secular orientation, maltreatment of children under the cloak of religion can never be justified and should not be tolerated.

**8 Days in the Woods** Matt Blazi 2019-10-03 Have you ever heard of the Blair Witch? This simple question captivated moviegoers in the summer of 1999. From the start, *The Blair Witch Project* was an unconventional idea that evolved into a theatrical experience never seen before. Blurring the lines between fiction and reality, Haxan Films carefully crafted a mythology that immersed the viewer in a world of mysterious occurrences and unexplained phenomenon. Now, for the first time, the complete story behind the making of *The Blair Witch Project* will be told. From conceptualization, to the world wide phenomenon, *8 Days in the Woods* tells the story of how first time filmmakers from UCF revolutionized a sub-genre of horror films that is still felt today. Containing interviews from cast and crew, including over 20 individuals who helped bring *The Blair Witch Project* to life-many who have never been interviewed before. With over 150 photographs and documents, *8 Days in the Woods* is the definitive history about a film that is still terrifying audiences to this day.

**Through the Woods** Emily Carroll 2014-07-15 Discover a terrifying world in the woods in this collection of five hauntingly beautiful graphic stories that includes the online webcomic sensation “His Face All Red,” in print for the first time. Journey through the woods in this sinister, compellingly spooky collection that features four brand-new stories and one phenomenally popular tale in print for the first time. These are fairy tales gone seriously wrong, where you can travel to “Our Neighbor’s House”—though coming back might be a problem. Or find yourself a young bride in a house that holds a terrible secret in “A Lady’s Hands Are Cold.” You might try to figure out what is haunting “My Friend

Janna,” or discover that your brother’s fiancée may not be what she seems in “The Nesting Place.” And of course you must revisit the horror of “His Face All Red,” the breakout webcomic hit that has been gorgeously translated to the printed page. Already revered for her work online, award-winning comic creator Emily Carroll’s stunning visual style and impeccable pacing is on grand display in this entrancing anthology, her print debut.

[The Girl Who Loved Tom Gordon](#) Stephen King 2017-04-25 A frightening suspense novel about nine-year-old Trisha, who becomes lost in the woods as night falls.

**What Lives in the Woods** Lindsay Currie 2021-09-14 For fans of Small Spaces and the Goosebumps series by R.L Stine comes a chilling ghost story about a girl living in the decrepit and creepy mansion, who discovers something in the woods is after her. All Ginny Anderson wants from her summer is to sleep in, attend a mystery writing workshop, and spend time with her best friend. But when Ginny's father—a respected restoration expert in Chicago—surprises the family with a month-long trip to Michigan, everything changes. They aren't staying in a hotel like most families would. No, they're staying in a mansion. A twenty-six room, century-old building surrounded by dense forest. Woodmoor Manor. But unfortunately, the mansion has more problems than a little peeling wallpaper. Locals claim the surrounding woods are inhabited by mutated creatures with glowing eyes. And some say campers routinely disappear in the woods, never to be seen again. As terrifying as it sounds, Ginny can't shake the feeling that there's something darker . . . another story she hasn't been told. When the creaky floors and shadowy corners of the mansion seem to take on a life of their own, Ginny uncovers the wildest mystery of all: There's more than one legend roaming Saugatuck, Michigan, and they definitely aren't after campers. It's after her. "This is a teeth-chattering, eyes bulging, shuddering-and-shaking, chills-at-the-back-of-your-neck ghost story. I loved it!"—R.L. Stine, author of the Goosebumps series on Scribbr  
**Scratch Pick up What Lives in the Woods** if you are looking for: A book for middle school students, 5th grade to 9th grade A story with a strong female protagonist that explores bravery, friendship, and family Mystery books for kids 9-12 Chilling ghost stories and ghost books for kids (perfect for Halloween!)

**Joss Whedon vs. the Horror Tradition** Kristopher Karl Woofter 2018-11-29 Although ostensibly presented as “light entertainment,” the work of writer-director-producer Joss Whedon takes much dark inspiration from the horror genre to create a unique aesthetic and perform a cultural critique. Featuring monsters, the undead, as well as drawing upon folklore and fairy tales, his many productions both celebrate and masterfully repurpose the traditions of horror for their own means. Woofter and Jowett's collection looks at how Whedon revisits existing feminist tropes in the '70s and '80s “slasher” craze via Buffy the Vampire Slayer to create a feminist saga; the innovative use of silent cinema tropes to produce a new fear-laden, film-television intertext; postmodernist reflexivity in Cabin in the Woods; as well as exploring new concepts on “cosmic dread” and the sublime for a richer understanding of programmes Dollhouse and Firefly. Chapters provide the historical context of horror as well as the particular production backgrounds that by turns support, constrain or transform this mode of filmmaking. Informed by a wide range of theory from within philosophy, film studies, queer studies, psychoanalysis, feminism and other fields, the expert contributions to this volume prove the enduring relevance of Whedon's genre-based universe to the study of film, television, popular culture and beyond.

**Transnationalism and Genre Hybridity in New British Horror Cinema** Lindsey Decker 2021-03-01 As an intervention in conversations on transnationalism, film culture and genre theory, this book theorises transnational genre hybridity – combining tropes from foreign and domestic genres – as a way to think about films through a global and local framework. Taking the British horror resurgence of the 2000s as case study, genre studies are here combined with close formal analysis to argue that embracing transnational genre hybridity enabled the boom; starting in 2002, the resurgence saw British horror film production outpace the golden age of British horror. Yet, resurgence films like 28 Days Later and Shaun of the Dead had to reckon with horror’s vilified status in the UK, a continuation of attitudes perpetuated by middle-brow film critics who coded horror as dangerous and Americanised. Moving beyond British cinema studies’ focus on the national, this book also presents a fresh take on long-standing issues in British cinema, including genre and film culture.

[Shadow in the Woods and Other Scary Stories: An Acorn Book \(Mister Shivers #2\)](#) Max Brallier 2020-07-07 Dive into these spooky stories from New York Times bestselling author Max Brallier, perfect for beginning readers!

[Midnight Customer \(Vampire Soul, Book One\)](#) Mac Flynn 2015 Long cold nights working at a trucker’s diner makes sassy waitress Misty pine for something more. She gets her wish when rumors spread about strange creatures seen in the night, and one of the regular diners tells her a haunting story. Misty offers to help him, and before she knows it one trouble leads to another and she’s entwined in a web of death and undeath. The undeath is a handsome and mysterious stranger, and the death might be her own. She’ll have to use all her wits to get her out of this mess, and with most of her blood intact. [In the Dark of the Night](#) John Saul 2006 The Brewster family's idyllic summer vacation at Phantom Lake turns to horror when their teenage son and his friends stumble upon a mysterious secret room in their rental home, a room that has a strange influence over the boys.

**Grief in Contemporary Horror Cinema** Erica Joan Dymond 2022-10-03 Over the course of the past two decades, horror cinema around the globe has become increasingly preoccupied with the concept of loss. Grief in Contemporary Horror Cinema: Screening Loss examines the theme of grief as it is represented in both indie and mainstream films, including works such as Jennifer Kent's watershed film The Babadook, Juan Antonio Bayona's award-sweeping El orfanato, Ari Aster's genre-straddling Midsommar, and Lars von Trier's visually stunning Melancholia. Analyzing depictions of grief ranging from the intimate grief of a small family to the collective grief of an entire nation, the essays illustrate how these works serve to provide unity, catharsis, and—sometimes—healing.

**Dark Knowledge** Keith Pyeatt 2015-01-28 When good and evil intertwine, taking one means accepting the other...A new world beckons inside the mind of mentally challenged Wesley Henson, a world that offers him a gift he can't resist: knowledge. He carries his gift back to the physical world, unaware of the dark instincts that come with it. The knowledge builds Wesley's intellect and gives him the ability to heal two sick friends, but the instincts thrust him into an evil contest he doesn't understand, against opponents who have trained their entire lives to compete. The more Wesley understands, the harder it becomes to tell good from evil, and the more difficult his choices become. What must he sacrifice to save the world from his dark knowledge...his life or his soul?

[Horror Dogs](#) Brian Patrick Duggan 2023-08-07 How did beloved movie dogs become man-killers like Cujo and his cinematic pack-mates? For the first time, here is the fascinating history of canines in horror movies and why our best friends were (and are still) painted as malevolent. Stretching back into Classical mythology, treacherous hounds are found only sporadically in art and literature until the appearance of cinema's first horror dog, Sherlock Holmes' Hound of the Baskervilles. The story intensifies through World War II's K-9 Corps to the 1970s animal horror films, which broke social taboos about the "good dog" on screen and deliberately vilified certain breeds--sometimes even fluffy lapdogs. With behind-the-scenes insights from writers, directors, actors, and dog trainers, here are the flickering hounds of silent films through talkies and Technicolor, to the latest computer-generated brutes--the supernatural, rabid, laboratory-made, alien, feral, and trained killers. "Cave Canem (Beware the Dog)"--or as one seminal film warned, "They're not pets anymore."

[Best Ghost Stories of Algernon Blackwood](#) Algernon Blackwood 2013-04-09 Thirteen stories, including "The Willows" — acclaimed by Lovecraft as the finest supernatural story ever written — "The Wendigo," "Ancient Sorceries," and others. Includes an introduction by E. F. Bleiler.

**The Girl in the Woods** Camilla Lackberg 2018-02 A missing child. When a four-year-old girl disappears in the woods just outside Fjällbacka, the community is horror-struck. Thirty years ago, a young girl went missing from the exact same spot, and was later discovered, murdered. A murder. Back then, two teenage girls were found guilty of the killing. Could it really be a coincidence that one of the girls - now a world-famous actress - has just returned to Fjällbacka? Detective Patrik Hedström starts investigating, with his wife, bestselling crime writer Erica Falck, by his side. A community torn apart. But as Patrik and Erica dig deeper, the truth becomes ever murkier, because it seems that everyone in the tight-knit community is hiding something. And soon, the residents must confront the fact that they could be harbouring a murderer in their midst.

[Tales Of Horror & Terror](#) BPI A collection of 10 books with gripping stories of horror, terror, ghosts, supernatural elements, and all things scary!
