Losing Earth Nathaniel Rich 2020-03-05 By 1979, we knew all that we know now about the science of climate change - what was happening, why it was happening, and how to stop it. Over the next ten years, we had the very real opportunity to stop it. Obviously, we failed. Nathaniel Rich's groundbreaking account of that failure - and how tantalizingly close we came to signing binding treaties that would have saved us all before the fossil fuels industry and politicians committed to anti-scientific denialism - is already a journalistic blockbuster, a full issue of the New York Times Magazine that has earned favorable comparisons to Rachel Carson's *Silent Spring* and John Hersey's *Hiroshima*. Rich has become an instant, in-demand expert and speaker. A major movie deal is already in place. It is the story, perhaps, that can shift the conversation. In the book *Losing Earth*, Rich is able to provide more of the context for what did - and didn't - happen in the 1980s and, more important, is able to carry the story fully into the present day and wrestle with what those past failures mean for us in 2019. It is not just an agonizing revelation of historical missed opportunities, but a clear-eyed and eloquent assessment of how we got to now, and what we can and must do before it's truly too late.

Unsettling Whiteness Lucy Michael 2019-01-04 This book examines definitions and the complex artistic, intimate and institutional means by which whiteness continues to be both resisted and reproduced.

A Divine Revelation of Heaven Mary K. Baxter 1998-07-01 Caught Up into Heaven In A Divine Revelation of Heaven, after thirty nights in which God gave her visions of the depths of hell and the punishments of the lost, Mary K. Baxter was shown for ten nights the glories of heaven—the home of redeemed souls. Included in this book are her depictions of heaven's gates, angels, music, worship, storehouses of blessings, joyful heavenly citizens, four living creatures, and brilliant throne of God. Mary also describes heaven's perfect order and purpose, what happens to children, and much more. These breathtaking glimpses of heaven, interspersed with applicable Bible verses, will turn your heart toward the beauty and joy that await every believer in Christ.

Music Notation Christine Lucia 2011 This guide presents a new and uniquely South African approach to learning about staff notation - especially for musicians who are educated in the tonic solfa system. Readers will build an understanding of each aspect of notation by experiencing it as music. Tonic solfa is used in the earlier chapters to help relate the sounds to the concepts. The book is designed for mature music students and adult learners whose first language may not be English. However, it will be useful to students of music from any sector of society, whether they are enrolled in a formal course or simply want to find out more on their own. Each chapter is devoted to particular aspects of notation and most chapters are built around a piece of music generally familiar to South Africans. Because South Africa has a strong vocal and choral culture, examples are often drawn from the choral repertory. The book and CD include many examples of South African music, as well as samplings of classical Western music and jazz. The CD also offers music clips played on a keyboard, illustrating some of the examples of notation given in the book. Examples and exercises are drawn from this rich representation, and, by means of self-tests, readers will steadily become confident in reading and writing music in staff notation. They will also build up a strong knowledge of how music works by seeing the structures of a wide range of music from diverse cultures in South Africa.

Historical Dictionary of Lesotho Scott Rosenberg 2013-06-13 This second edition of *Historical Dictionary of Lesotho* covers the full scope of Lesotho's ancient, colonial, and independence eras. It gives greater emphasis to the more recent

period and brings the book fully up-to-date. This is done through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on civil society, key events, leaders, governmental, international, religious, and other private organizations, policies, political movements and parties, economic elements, and many other areas that have shaped the country's trajectory. This book is an excellent access point for students, researchers, and anyone wanting to know more about Lesotho.

The Finger of God Robert R. Edgar 2018-05-24 On the morning of May 24, 1921, a force of eight hundred white policemen and soldiers confronted an African prophet, Enoch Mgiijima, and some three thousand of his followers. Called the Israelites, they refused to leave their holy village of Ntabelanga, where they had been gathering since early 1919 to await the end of the world. While the Israelites maintained they were there to pray and worship in peace, the white authorities viewed them as illegally squatting on land that was not theirs. After many months of fruitless negotiations, the South African government sent an armed force to Bulhoek, a village in the Eastern Cape, to expel them. In the event that has come to be known as the Bulhoek massacre, police armed with rifles, machine guns, and cannons killed nearly two hundred Israelites wielding knobkerries, swords, and spears. In *The Finger of God*, Robert Edgar reveals how and why the Bulhoek massacre occurred. Edgar asks: Why did Mgiijima prophesize that the end of the world was imminent, and why did he summon his followers to Ntabelanga? Why did the South African government regard the Israelite encampment as a threat? Examining this clash between a government and a millennial movement, Edgar considers the Bulhoek massacre both as a signal event in South African history and as an example of similar conflicts worldwide.

One Half from the East Nadia Hashimi 2016-09-06 Perfect for fans of Rita Williams-Garcia, Thanhha Lai, and Rebecca Stead, internationally bestselling author Nadia Hashimi's first novel for young readers is a coming-of-age journey set in modern-day Afghanistan that explores life as a bacha posh—a preteen girl dressed as a boy. Obayda's family is in need of some good fortune, and her aunt has an idea to bring the family luck—dress Obayda, the youngest of four sisters, as a boy, a bacha posh. Life in this in-between place is confusing, but once Obayda meets another bacha posh, everything changes. Their transformation won't last forever, though—unless the two best friends can figure out a way to make it stick and make their newfound freedoms endure. Nadia Hashimi's first novel for adults, *The Pearl That Broke Its Shell*, was a bestseller that shares a bacha posh character with *One Half from the East*.

Songs and Politics in Eastern Africa Kimani Njogu 2007 This volume brings together essays on songs and politics in the region of Eastern Africa and beyond. The theme that cuts across the contributions is that songs are, in addition to their aesthetic appeal, vital tools for exploring how political and social events are shaped and understood by citizens. Urbanization, commercialization and globalization contributed to the vibrancy of East African popular music of the 1990s. It was a product of social processes inseparable from society, politics, and other critical issues of the day. The lyrics explored social cosmology, world views, class and gender relations, interpretations of value systems, and other political, social and cultural practices, even as they entertained and provided momentary escape for audience members. Frustration, disenchantments, and emotional fatigue resulting from corrupt and dictatorial political systems that stifle the potential of citizens drove and still drive popular music in Eastern Africa as in most of Africa.

Themes in African Church History. Missionary Motives, Merits and Mistakes Thorsten Prill 2019-10-25 Document from the year 2019 in the subject Theology - Historic Theology, Ecclesiastical History, Namibia Evangelical Theological Seminary, language: English, abstract: The Protestant missionary movements have for some time come under severe criticism. Writing from a Namibian perspective, Brendell and Prill demonstrate that the overall picture painted by the critics is often harsh. Most Protestant missionaries were driven by compassion for people who needed to hear the Christian Gospel. Of course, that does not mean that they were faultless. Their zeal for the mission of the Church did not prevent missionaries from making serious mistakes. One of these mistakes was the practice of paternalism, as the example of the Rhenish Missionary Society shows.

Silent Night, Holy Night Joseph Mohr 2007-11-01 "'Silent Night,'" written on Christmas Eve in a small town in Austria nearly two centuries ago, is one of the world's most beloved Christmas carols. Maja Dusikovaa captures the song's simplicity and grace in warm, reverent pictures that illustrate the joy and wonder experienced around the world at the birth of the Christ Child. The result is a picture book Nativity that echoes the universal appeal of "'Silent Night.'"

Tumelo Allan Anderson 1993 This presents a study at grassroots level on African Pentecostal-type churches in South Africa. Quantitative research covers various churches, and includes statistics on church membership. The qualitative research undertaken covers particular church beliefs, concepts of evil, salvation, the Holy Spirit, healing practices, African traditional beliefs, burial practices and sociopolitical attitudes. The book also looks at aspects such as patterns of recruitment and growth, the reasons for leaving 'mission' or other churches; the worship and liturgy of the different types of African Pentecostal churches and the ways in which African Pentecostalism challenges the whole Christian church in its message and mission.

Death in a Church of Life Frederick Klaitz 2010 "Klaitz' work is not only a major contribution to the anthropology of religion and the social scientific literature on AIDS, but also a significant intervention into debates on how Africanists should approach their understandings of sociality and relatedness."--Matthew Engelke, author of *A Problem of Presence: Beyond Scripture in an African Church* "The reader gets the sense of being a welcome party to a close conversation. Klaitz sustains a direct, clear, humane, and jargon-free voice, and we come away with a radically challenged understanding of what it means in an African church to be 'born anew'."--Richard Werbner, author of *Tears of the Dead: The Social Biography of an African Family*

Readings in African Popular Culture Karin Barber 1997 "This is an extraordinarily rich collection full of informative detail and excellent interpretative analysis. There is not a single piece that fails to fascinate... " --Leeds African Studies Bulletin "... an impressive collection of inspiring and thought-provoking essays."

--Media Development "This is a book that should find its way into many syllabuses and onto the bookshelves of Africanist scholars in many disciplines. Its publication marks a key turning point in scholarship on the cultures of contemporary Africa."

--Africa Today This book surveys the popular culture of contemporary Africa, including popular literature, oral narrative and poetry, dance, drama, music, and visual art, with special emphasis on the verbal arts. The essays cover six main areas: views of the field; oral tradition revisited; social history, social criticism and interpretation; women in popular culture; "little genres of everyday life"; the local and the global.

The World of South African Music Christine Lucia 2009-03-26 The present Reader is a selection of texts on South African music which are chosen not only for their importance or the frequency of citations, but with the express purpose of providing the reader with a deep understanding of the music itself. Consequently, there are readings that are chosen because they have been influential, but there are also many which, though published, have not enjoyed very wide circulation. There are those which are of obvious historic interest, and others which speak to contemporary issues. Among other things, the volume provides an excellent sense of the varying ideologies and approaches that determine the relationship between author and subject. The reader is indispensable to scholars and enthusiasts of South African music and it is of great interest to ethnomusicologists more generally. It is also an excellent resource for those who do not have immediate access to harder-to-find articles, and is perhaps most vital to those who are looking to find a way into the world of South African music.
