Impacting Theatre Audiences Dani Snyder-Young 2022-03-02 This edited collection explores methods for conducting critical empirical research examining the potential impacts of theatrical events on audience members. Dani Snyder-Young and Matt Omasta present an overview of the burgeoning subfield of audience studies in theatre and performance studies, followed by an introduction to the wide range of ways scholars can study the experiences of spectators. Consisting of chapter-length case studies, the book addresses methodologies for examining spectatorship, including qualitative, quantitative, historical/historiographic, arts-based, participatory, and mixed methods approaches. This volume will be of great interest to theatre and performance studies scholars as well as industry professionals working in marketing, audience development, and community engagement.

The Routledge Companion to Theatre and Performance Paul Allain 2013-05-13 What is theatre? What is performance? What are their connections and differences? What events, people, practices and ideas have shaped theatre and performance in the twentieth century, and, importantly, where are they heading next? Proposing answers to these big questions, The Routledge Companion to Theatre and Performance provides an informative and engaging introduction to the significant people, events, concepts and practices that have defined the complementary fields of theatre and performance studies. Including over 120 entries in three easy-to-use, alphabetical sections, this fascinating text presents a wide range of individuals and topics, such as: performance artist Marina Abramovic directors Vsevolod Meyerhold and Robert Wilson The Living Theatre's Paradise Now the haka multimedia performance political protest visual theatre. With each entry containing crucial historical and contextual information, extensive cross-referencing, detailed analysis, and an annotated bibliography, The Routledge Companion to Theatre and Performance is undoubtedly a perfect reference guide for the keen student and the passionate theatre-goer alike.

Fair Play - Art, Performance and Neoliberalism J. Harvie 2013-08-29 This book asks what is the quality of participation in contemporary art and performance? Has it been damaged by cultural policies which have 'entrepreneurialized' artists, cut arts funding and cultivated corporate philanthropy? Has it been fortified by crowdfunding, pop-ups and craftsmanship? And how can it help us to understand social welfare?

The Routledge Companion to Performance Philosophy Laura Cull Ó Maoilearca 2020-07-08 The Routledge Companion to Performance Philosophy is a volume of especially commissioned critical essays, conversations, collaborative, creative and performative writing mapping the key contexts, debates, methods, discourses and practices in this developing field. Firstly, the collection offers new insights on the fundamental question of how thinking happens: where, when, how and by whom philosophy is performed. Secondly, it provides a plurality of new accounts of performance and performativity – as the production of ideas, bodies and knowledges – in the arts and beyond. Comprising texts written by international artists, philosophers and scholars from multiple disciplines, the essays engage with questions of how performance thinks and how thought is performed in a wide range of philosophies and performances, from the ancient to the contemporary. Concepts and practices from diverse geographical regions and cultural traditions are analysed to draw conclusions about how performance operates across art, philosophy and everyday life. The collection both contributes to and critiques the philosophy of music, dance, theatre and performance, exploring the idea of a philosophy from the arts. It is crucial reading material for those interested in the hierarchy of the relationship between philosophy and the arts, advancing debates on philosophical method, and the relation between Performance and Philosophy more broadly.

The Routledge Companion to Performance Practitioners Franc Chamberlain 2020-08-17 The Routledge Companion to Performance Practitioners collects the outstanding biographical and production overviews of key theatre practitioners first featured in the popular Routledge Performance Practitioners series of guidebooks. Each of the chapters is written by an expert on a particular figure, from Stanislavsky and Brecht to Laban and Decroux, and places their work in its social and historical context. Summaries and analyses of their key productions indicate how each practitioner's theoretical approaches to performance and the performer were manifested in practice. All 22 practitioners from the original series are represented, with this volume covering those born before the end of the First World War. This is the definitive first step for students, scholars and practitioners hoping to acquaint themselves with the leading names in performance, or deepen their knowledge of these seminal figures.

Black Acting Methods Sharrell Lockett 2016-10-04 Black Acting Methods seeks to offer alternatives to the Euro-American performance styles that many actors find themselves working with. A wealth of contributions from directors, scholars and actor trainers address afrocentric processes and aesthetics, and interviews with key figures in Black American theatre illuminate their methods. This ground-breaking collection is an essential resource for teachers, students, actors and directors seeking to reclaim, reaffirm or even redefine the role and contributions of Black culture in theatre arts.

The Routledge Research Companion to Early Drama and Performance Pamela King 2016-12-01 The study of early drama has undergone a quiet revolution in the last four decades, radically altering critical approaches to form, genre,

and canon. Drawing on disciplines from art history to musicology and reception studies, The Routledge Research Companion to Early Drama and Performance reconsiders early "drama" as a mixed mode entertainment best studied not only alongside non-dramatic texts, but also other modes of performance. From performance before the playhouse to the afterlife of medieval drama in the contemporary avant-garde, this stunning collection of essays is divided into four sections: Northern European Playing before the Playhouse; Modes of Production and Reception; Reviewing the Anglophone Tradition; The Long Middle Ages Offering a much needed reassessment of what is generally understood as "English medieval drama". The Routledge Research Companion to Early Drama and Performance provides an invaluable resource for both students and scholars of medieval studies.

The Routledge Companion to Stanislavsky Andrew White 2013-10-08 Stanislavsky's system of actor-training has revolutionised modern theatre practice, and he is widely recognised to be one of the great cultural innovators of the twentieth century. The Routledge Companion to Stanislavsky is an essential book for students and scholars alike, providing the first overview of the field for the 21st century. An important feature of this book is the balance between Stanislavsky's theory and practice, as international contributors present scholarly and artistic interpretations of his work. With chapters including academic essays and personal narratives, the Companion is divided into four clear parts, exploring Stanislavsky on stage, as an acting teacher, as a theorist and finally as a theatre practitioner. Bringing together a dazzling selection of original scholarship, notable contributions include: Anatoly Smeliansky on Stanislavsky's letters William D. Gunn on staging ideology at the Moscow Art Theatre Sharon Marie Carnicke and David Rosen on opera Rosemary Malague on the feminist perspective of new translations W.B. Worthen on cognitive science Julia Listengarten on the avant-garde David Krasner on the System in America and Dennis Beck on Stanislavsky's legacy in non-realistic theatre R. Andrew White is Associate Professor of Theatre at Valparaiso University, where he annually directs productions. He has an MFA in Acting from Carnegie Mellon University and the Moscow Art Theatre School, and has worked as an actor at a variety of theatres in the United States. In addition, his scholarship has appeared in edited works published by Routledge and Palgrave Macmillan, as well as in top American journals including Theatre Survey, TDR/The Drama Review, and New England Theatre Journal.

The Routledge Companion to Dramaturgy Magda Romanska 2014-08-07 Dramaturgy, in its many forms, is a fundamental and indispensable element of contemporary theatre. In its earliest definition, the word itself means a comprehensive theory of "play making." Although it initially grew out of theatre, contemporary dramaturgy has made enormous advances in recent years, and it now permeates all kinds of narrative forms and structures: from opera to performance art; from dance and multimedia to filmmaking and robotics. In our global, mediated context of multinational group collaborations that dissolve traditional divisions of roles as well as unbend previously intransigent rules of time and space, the dramaturg is also the ultimate globalist: intercultural mediator, information and research manager, media content analyst, interdisciplinary negotiator, social media strategist. This collection focuses on contemporary dramaturgical practice, bringing together contributions not only from academics but also from prominent working dramaturgs. The inclusion of both means a strong level of engagement with current issues in dramaturgy, from the impact of social media to the ongoing centrality of interdisciplinary and intermedial processes. The contributions survey the field through eight main lenses: world dramaturgy and global perspective dramaturgy as function, verb and skill dramaturgical leadership and season planning production dramaturgy in translation adaptation and new play development interdisciplinary dramaturgy play analysis in postdramatic and new media dramaturgy social media and audience outreach. Magda Romanska is Visiting Associate Professor of Slavic Languages and Literatures at Harvard University, Associate Professor of Theatre and Dramaturgy at Emerson College, and Dramaturg for Boston Lyric Opera. Her books include The Post-Traumatic Theatre of Grotowski and Kantor (2012), Boguslaw Schaeffer: An Anthology (2012), and Comedy: An Anthology of Theory and Criticism (2014). **The Routledge Companion to the Contemporary Musical** Jessica Sternfeld 2019-09-05 The Routledge Companion to the Contemporary Musical is dedicated to the musical's evolving relationship to American culture in the late twentieth and early twenty-first centuries. In the past decade-and-a-half, international scholars from an ever-widening number of disciplines and specializations have been actively contributing to the interdisciplinary field of musical theater studies. Musicals have served not only to mirror the sociopolitical, economic, and cultural tenor of the times, but have helped shape and influence it, in America and across the globe: a genre that may seem, at first glance, light-hearted and escapist serves also as a bold commentary on society. Forty-four essays examine the contemporary musical as an ever-shifting product of an ever-changing culture. This volume sheds new light on the American musical as a thriving, contemporary performing arts genre, one that could have died out in the post-Tin Pan Alley era but instead has managed to remain culturally viable and influential, in part by newly embracing a series of complex contradictions. At present, the American musical is a live, localized, old-fashioned genre that has simultaneously developed into an increasingly globalized, tech-savvy, intensely mediated mass entertainment form. Similarly, as it has become increasingly international in its scope and appeal, the stage musical has also become more firmly rooted to Broadway—the idea, if not the place—and thus branded as a quintessentially American entertainment.

The Routledge Companion to African American Theatre and Performance Thomas DeFrantz 2019

The Routledge Companion to Contemporary European Theatre and Performance Ralf Remshardt 2023-08-24 This is a comprehensive overview of contemporary European theatre and performance as it enters the third decade of the twenty-first century. It combines critical discussions of key concepts, practitioners, and trends within theatre-making, both in particular countries and across borders, that are shaping European stage practice. With the geography, geopolitics, and cultural politics of Europe more unsettled than at any point in recent memory, this book's combination of national and thematic coverage offers a balanced understanding of the continent's theatre and performance cultures. Employing a range of methodologies and critical approaches across its three parts and ninety-four chapters, this book's first part contains a comprehensive listing of European nations, the second part charts responses to thematic complexes that define current European performance, and the third section gathers a series of case studies that explore the contribution of some of Europe's foremost theatre makers. Rather than rehearsing rote knowledge, this is a collection of carefully curated, interpretive accounts from an international roster of scholars and practitioners. The Routledge Companion to Contemporary European Theatre and Performance gives undergraduate and graduate students as well as researchers and practitioners an indispensable reference resource that can be used broadly across curricula.

The Routledge Companion to Australian Literature Jessica Gildersleeve 2020-12-23 In recent years, Australian literature has experienced a revival of interest both domestically and internationally. The increasing prominence of work by writers like Christos Tsiolkas, heightened through television and film adaptation, as well as the award of major international prizes to writers like Richard Flanagan, and the development of new, high-profile prizes like the Stella Prize, have all reinvigorated interest in Australian literature both at home and abroad. This Companion emerges as a part of that reinvigoration, considering anew the history and development of Australian literature and its key themes, as well as tracing the transition of the field through those critical debates. It considers works of Australian literature on their own terms, as well as positioning them in their critical and historical context and their ethical and interactive position in the public and private spheres. With an emphasis on literature's responsibilities, this book claims Australian literary studies as a field uniquely positioned to expose the ways in which literature engages with, produces and is produced by its context, provoking a critical re-evaluation of the concept of the relationship between national literatures, cultures, and histories, and the social function of literary texts.

The Routledge Companion to Actors' Shakespeare John Russell Brown 2012 The Routledge Companion to Actors' Shakespeare is a window onto how today's actors contribute to the continuing life and relevance of Shakespeare's plays. The process of acting is notoriously hard to document, but this volume reaches behind famous performances to examine the actors' craft, their development and how they engage with playtexts. Each chapter relies upon privileged access to its subject to offer an unparalleled insight into contemporary practice. This volume explores the techniques, interpretive approaches and performance styles of the following actors: Simon Russell Beale, Sinead Cusack, Judi Dench, Kate Duchene, Colm Feore, Mariah Gale, John Harrell, Greg Hicks, Rory Kinnear, Kevin Kline, Adrian Lester, Marcelo Magni, Ian McKellen, Patrice Naiambana, Vanessa Redgrave, Piotr Semak, Anthony Sher, Jonathan Slinger, Kate Valk, Harriet Walter This twin volume to *The Routledge Companion to Directors' Shakespeare* is an essential work for both actors and students of Shakespeare.

Theatre and Performance in Digital Culture Matthew Causey 2007-01-24 Theatre and Performance in Digital Culture examines the recent history of advanced technologies, including new media, virtual environments, weapons systems and medical innovation, and considers how theatre, performance and culture at large have evolved within those systems. The book examines the two Iraq wars, 9/11 and the War on Terror through the lens of performance studies, and, drawing on the writings of Giorgio Agamben, Alain Badiou and Martin Heidegger, alongside the dramas of Beckett, Genet and Shakespeare, and the theatre of the Kantor, Foreman, Societas Raffaello Sanzio and the Wooster Group, the book positions theatre and performance in technoculture and articulates the processes of aesthetics, metaphysics and politics. This wide-ranging study reflects on how the theatre and performance have been challenged and extended within these new cultural phenomena.

The Routledge Companion to Dance Studies Helen Thomas 2019-10-30 The Routledge Companion to Dance Studies maps out the key features of dance studies as the field stands today, while pointing to potential future developments. It locates these features both historically—within dance in particular social and cultural contexts—and in relation to other academic influences that have impinged on dance studies as a discipline. The editors use a thematically based approach that emphasizes that dance scholarship does not stand alone as a single entity, but is inevitably linked to other related fields, debates, and concerns. Authors from across continents have contributed chapters based on theoretical, methodological, ethnographic, and practice-based case studies, bringing together a wealth of expertise and insight to offer a study that is in-depth and wide-ranging. Ideal for scholars and upper-level students of dance and performance studies, *The Routledge Companion to Dance Studies* challenges the reader to expand their knowledge of this vibrant, exciting interdisciplinary field.

The Routledge Companion to Theatre and Politics Peter Eckersall 2019-03-14 *The Routledge Companion to Theatre and Politics* is a volume of critical essays, provocations, and interventions on the most important questions faced by today's writers, critics, audiences, and theatre and performance makers. Featuring texts written by scholars and artists who are diversely situated (geographically, culturally, politically, and institutionally), its multiple perspectives broadly address the question "How can we be political now?" To respond to this question, Peter Eckersall and Helena Grehan have created eight galvanising themes as frameworks or rubrics to rethink the critical, creative, and activist perspectives on questions of politics and theatre. Each theme is linked to a set of guiding keywords: Post (post consensus, post-Brexit, post-Fukushima, post-neoliberalism, post-humanism, post-global financial crisis, post-acting, the real) Assembly (assemblage, disappearance, permission, community, citizen, protest, refugee) Gap (who is in and out, what can be seen/heard/funded/allowed) Institution (visibility/darkness, inclusion, rules) Machine (biodata, surveillance economy, mediatiation) Message (performance and conviction, didacticism, propaganda) End (suffering, stasis, collapse, entropy) Re. (reset, rescale, reanimate, reimagine, replay: how to bring complexity back into the public arena, how art can help to do this). These themes were developed in conversation with key thinkers and artists in the field, and the resulting texts engage with artistic works across a range of modes including traditional theatre, contemporary performance, public protest events, activism, and community and participatory theatre. Suitable for academics, performance makers, and students, *The Routledge Companion to Theatre and Politics* explores questions of how to be political in the early 21st century, by exploring how theatre and performance might provoke, unsettle, reinforce, or productively destabilise the status quo.

The Routledge Companion to English Folk Performance Peter Harrop 2021-07-13 This broad-based collection of essays is an introduction both to the concerns of contemporary folklore scholarship and to the variety of forms that folk performance has taken throughout English history. Combining case studies of specific folk practices with discussion of the various different lenses through which they have been viewed since becoming the subject of concerted study in Victorian times, this book builds on the latest work in an ever-growing body of contemporary folklore scholarship. Many of the contributing scholars are also practicing performers and bring experience and understanding of performance to their analyses and critiques. Chapters range across the spectrum of folk song, music, drama and dance, but maintain a focus on the key defining characteristics of folk performance – custom and tradition – in a full range of performances, from carol singing and sword dancing to playground rhymes and mummies' plays. As well as being an essential reference for folklorists and scholars of traditional performance and local history, this is a valuable resource for readers in all disciplines of dance, drama, song and music whose work coincides with English folk traditions.

The Routledge Companion to Theatre of the Oppressed Kelly Howe 2019-02-21 This dynamic book offers a comprehensive companion to the theory and practice of Theatre of the Oppressed. Developed by Brazilian director and theorist Augusto Boal, these theatrical forms invite people to mobilize their knowledge and rehearse struggles against oppression. Featuring a diverse array of voices (many of them as yet unheard in the academic world), the book hosts dialogues on the following questions, among others: Why and how did Theatre of the Oppressed develop? What are the differences between the 1970s (when Theatre of the Oppressed began) and today? How has Theatre of the Oppressed been shaped by local and global shifts of the last 40-plus years? Why has Theatre of the Oppressed spread or "multiplied" across so many geographic, national, and cultural borders? How has Theatre of the Oppressed been shaped by globalization, "development," and neoliberalism? What are the stakes, challenges, and possibilities of Theatre of the Oppressed today? How can Theatre of the Oppressed balance practical analysis of what is with ambitious insistence on what could be? How can Theatre of the Oppressed hope, but concretely? Broad in scope yet rich in detail, *The Routledge Companion to Theatre of the Oppressed* contains practical and critical content relevant to artists, activists, teachers, students, and researchers.

The Routledge Companion to Dance in Asia and the Pacific Stephanie Burridge 2021-09-09 This Companion documents and celebrates artistic journeys within the framework of rich and complex cultural heritages and traditional dance practices of the Asia-Pacific region. It presents various dance forms from Australia, Cambodia, China, Hong Kong, India, Indonesia, Malaysia, the Philippines, Singapore, Taiwan, Thailand, and the South Pacific. Drawing on extensive research and decades of performative experience as artists, choreographers, producers, teachers, and critics, the authors approach issues of dance and cultural diversity from a theoretical perspective while at the same time exploring change, process, and transformation through dance. The book discusses themes such as tradition, contemporization, interdisciplinarity, dance education, youth dance, dance networks, curatorial practices, and evolving performative practices of dance companies and independents. It also looks at regional networking, curating dance festivals and spaces that foster collaboration, regional cooperation, and cultural exchange, which are essential features of dance in Asia and the Pacific. This collection will be of interest to students and researchers of pedagogy, choreography, community dance practice, theatre and performance studies, social and cultural studies, aesthetics, interdisciplinary arts, and more. It will be an invaluable resource for artists and practitioners working in dance schools and communities.

The Routledge Companion to Puppetry and Material Performance Dassia N. Posner 2014-07-17 The Routledge Companion to Puppetry and Material Performance offers a wide-ranging perspective on how scholars and artists are currently re-evaluating the theoretical, historical, and theatrical significance of performance that embraces the agency of inanimate objects. This book proposes a collaborative, responsive model for broader artistic engagement in and with the material world. Its 28 chapters aim to advance the study of the puppet not only as a theatrical object but also as a vibrant artistic and scholarly discipline. This Companion looks at puppetry and material performance from six perspectives: theoretical approaches to the puppet, perspectives from practitioners, revisiting history, negotiating tradition, material performances in contemporary theatre, and hybrid forms. Its wide range of topics, which span 15 countries over five continents, encompasses: • visual dramaturgy • theatrical juxtapositions of robots and humans • contemporary transformations of Indonesian wayang kulit • Japanese ritual body substitutes • recent European productions featuring toys, clay, and food. The book features newly commissioned essays by leading scholars such as Matthew Isaac Cohen, Kathy Foley, Jane Marie Law, Eleanor Margolies, Cody Poulton, and Jane Taylor. It also celebrates the vital link between puppetry as a discipline and as a creative practice with chapters by active practitioners, including Handspring Puppet Company's Basil Jones, Redmoon's Jim Lasko, and Bread and Puppet's Peter Schumann. Fully illustrated with more than 60 images, this volume comprises the most expansive English-language collection of international puppetry scholarship to date.

The Routledge Companion to Literature and Trauma Colin Davis 2020-05-11 Literary trauma studies is a rapidly developing field which examines how literature deals with the personal and cultural aspects of trauma and engages

with such historical and current phenomena as the Holocaust and other genocides, 9/11, climate catastrophe or the still unsettled legacy of colonialism. *The Routledge Companion to Literature and Trauma* is a comprehensive guide to the history and theory of trauma studies, including key concepts, consideration of critical perspectives and discussion of future developments. It also explores different genres and media, such as poetry, life-writing, graphic narratives, photography and post-apocalyptic fiction, and analyses how literature engages with particular traumatic situations and events, such as the Holocaust, the Occupation of France, the Rwandan genocide, Hurricane Katrina and transgenerational nuclear trauma. Forty essays from top thinkers in the field demonstrate the range and vitality of trauma studies as it has been used to further the understanding of literature and other cultural forms across the world.

The Routledge Companion to Michael Chekhov Marie Christine Autant Mathieu 2015-05-15 The Routledge Companion to Michael Chekhov brings together Chekhov specialists from around the world - theatre practitioners, theorists, historians and archivists – to provide an astonishingly comprehensive assessment of his life, work and legacy. This volume aims to connect East and West; theatre theory and practice. It reconsiders the history of Chekhov's acting method, directing and pedagogy, using the archival documents found across the globe: in Russia, England, America, Germany, Lithuania and Switzerland. It presents Chekhov's legacy and ideas in the framework of interdisciplinary theatre practices and theories, as well as at the crossroads of cultures, in the context of his forays into such areas as Western mime and Asian cosmology. This remarkable Companion, thoughtfully edited by two leading Chekhov scholars, will prove invaluable to students and scholars of theatre, theatre practitioners and theoreticians, and specialists in Slavic and transcultural studies. Marie-Christine Autant-Mathieu is Director of Research at the National Center For Scientific Research, and Assistant-Director of Sorbonne-CNRS Institute EUR'ORBEM. She is an historian of theatre and specialist in Russian and Soviet theatre. Yana Meerzon is Associate Professor in the Department of Theatre, University of Ottawa. Her book publications include *Adapting Chekhov: The Text and Its Mutations*, co-edited with Professor J. Douglas Clayton, University of Ottawa (Routledge, 2012).

The Art of Theater James R. Hamilton 2008-04-15 *The Art of Theater* argues for the recognition of theatrical performance as an art form independent of dramatic writing. Identifies the elements that make a performance a work of art Looks at the competing views of the text-performance relationships An important and original contribution to the aesthetics and philosophy of theater

The Routledge Companion to Performance Practitioners Franc Chamberlain 2020-08-17 The Routledge Companion to Performance Practitioners collects the outstanding biographical and production overviews of key theatre practitioners first featured in the popular Routledge Performance Practitioners series of guidebooks. Each of the chapters is written by an expert on a particular figure, from Stanislavsky and Brecht to Laban and Decroux, and places their work in its social and historical context. Summaries and analyses of their key productions indicate how each practitioner's theoretical approaches to performance and the performer were manifested in practice. All 22 practitioners from the original series are represented, with this volume covering those born after 1915. This is the definitive first step for students, scholars and practitioners hoping to acquaint themselves with the leading names in performance, or deepen their knowledge of these seminal figures.

The Routledge Companion to Theatre and Performance Historiography Tracy C. Davis 2020-08-03 The Routledge Companion to Theatre and Performance Historiography sets the agenda for inclusive and wide-ranging approaches to writing history, embracing the diverse perspectives of the twenty-first century and Critical Media History. Written by an international team of authors whose expertise spans a multitude of historical periods and cultures, this collection of fascinating essays poses the central question: "what is specific to the historiography of the performative?" The study of theatre, in conjunction with the wider sphere of performance, involves an array of multi-faceted methods for collecting evidence, interpreting sources, and creating meaning. Reflecting on issues of recording – from early modern musical scores, through VHS-technology to latest digital procedures – and on what is missing from records or oblique in practices, the contributors convey how theatre and performance history is integral to social and cultural relations. This expertly curated collection repositions theatre and performance history and is essential reading for Theatre and Performance Studies students or those interested in social and cultural history more generally.

The Routledge Companion to Studio Performance Practice Franc Chamberlain 2021-11-29 The Routledge Companion to Studio Performance Practice is a unique, indispensable guide to the training methods of the world's key theatre practitioners. Compiling the practical work outlined in the popular Routledge Performance Practitioners series of guidebooks, each set of exercises has been edited and contextualised by an expert in that particular approach. Each chapter provides a taster of one practitioner's work, answering the same key questions: 'How did this artist work? How can I begin to put my understanding of this to practical use?' Newly written chapter introductions put the exercises in context, explaining how they fit into the wider methods and philosophy of the practitioner in question. All 21 volumes in the original series are represented in this volume.

Movement Training for the Modern Actor Mark Evans 2009-01-13 This book is the first critical analysis of the key principles and practices informing the movement training of actors in the modern era. Focusing on the cultural history of modern movement training for actors, Evans traces the development of the 'neutral' body as a significant area of practice within drama school training and the relationship between movement pedagogy and the operation of discipline and power in shaping the professional identity of the actor. The volume looks in detail at the influence of the leading figures in movement training – Laban, Alexander, Copeau and Lecoq – on twentieth century professional actor training, and is informed by interviews with students and staff at leading English drama schools. Mark Evans re-evaluates the significance of movement training in the professional drama school, offering a new understanding of the body as a site for performative resistance to industrialization. Despite the publication of a number of 'how to' books on movement training for the professional acting student, this is the first text to look behind the curtain and write the unseen biography of the actor's body.

Jacques Copeau Mark Evans 2006-07-27 Part of our successful Routledge Performance Practitioners series of introductory guides to the key theatre-makers of the last century, this book examines Jacques Copeau; a leading figure in the development of twentieth century theatre practice, a pioneer for work on actor-training, physical theatre and ensemble acting, and a key innovator in the movement to de-centralize theatre and culture to the regions. Presenting the background to and the work of one of the major influences on twentieth- and twenty-first-century performance, this is the first book to combine: an overview of Copeau's life and work an analysis of his key ideas a detailed commentary of his 1917 production of Moliere's late farce *Les Fourberies de Scapin* – the opening performance of his influential New York season a series of practical exercises offering an introduction to Copeau's working methods. As a first step towards critical understanding, and as an initial exploration before going on to further, primary research, Jacques Copeau is unbeatable value for today's student.

Theatre Histories Phillip B. Zarrilli 2013-03-07 This new edition of the innovative and widely acclaimed Theatre Histories: An Introduction offers overviews of theatre and drama in many world cultures and periods together with case studies demonstrating the methods and interpretive approaches used by today's theatre historians. Completely revised and renewed in color, enhancements and new material include: a full-color text design with added timelines to each opening section a wealth of new color illustrations to help convey the vitality of performances described new case studies on African, Asian, and Western subjects a new chapter on modernism, and updated and expanded chapters and part introductions fuller definitions of terms and concepts throughout in a new glossary a re-designed support website offering links to new audio-visual resources, expanded bibliographies, approaches to teaching theatre and performance history, discussion questions relating to case studies and an online glossary.

The Routledge Companion to Theatre and Young People Selina Busby 2022-10-31 This companion interrogates the relationship between theatre and youth from a global perspective, taking in performances and theatre made by, for, and about young people. These different but interrelated forms of theatre are addressed through four critical themes that underpin the ways in which analysis of contemporary theatre in relation to young people can be framed: political utterances – exploring the varied ways theatre becomes a platform for political utterance as a process of dialogic thinking and critical imagining; critical positioning – examining youth theatre work that navigates the sensitive, dynamic, and complex terrains in which young people live and perform; pedagogic frames – outlining a range of contexts and programmes in which young people learn to make and understand theatre that reflects their artistic capacities and aesthetic strategies; applying performance – discussing a range of projects and companies whose work has been influential in the development of youth theatre within specific contexts. Providing critical, research-informed, and research-based discussions on the intersection between young people, their representation, and their participation in theatre, this is a landmark text for students, scholars, and practitioners whose work and thinking involves theatre and young people.

The Routledge Companion to Theatre, Performance and Cognitive Science Rick Kemp 2018-09-05 The Routledge Companion to Theatre, Performance and Cognitive Science integrates key findings from the cognitive sciences (cognitive psychology, neuroscience, evolutionary studies and relevant social sciences) with insights from theatre and performance studies. This rapidly expanding interdisciplinary field dynamically advances critical and theoretical knowledge, as well as driving innovation in practice. The anthology includes 30 specially commissioned chapters, many written by authors who have been at the cutting-edge of research and practice in the field over the last 15 years. These authors offer many empirical answers to four significant questions: How can performances in theatre, dance and other media achieve more emotional and social impact? How can we become more adept teachers and learners of performance both within and outside of classrooms? What can the cognitive sciences reveal about the nature of drama and human nature in general? How can knowledge transfer, from a synthesis of science and performance, assist professionals such as nurses, care-givers, therapists and emergency workers in their jobs? A wide-ranging and authoritative guide, *The Routledge Companion to Theatre, Performance and Cognitive Science* is an accessible tool for not only students, but practitioners and researchers in the arts and sciences as well.

The Routledge Companion to Butoh Performance Bruce Baird 2018-09-03 The Routledge Companion to Butoh Performance provides a comprehensive introduction to and analysis of the global art form butoh. Originating in Japan in the 1960s, butoh was a major innovation in twentieth century dance and performance, and it continues to shape-shift around the world. Taking inspiration from the Japanese avant-garde, Surrealism, Happenings, and authors such as Genet and Artaud, its influence can be seen throughout contemporary performing arts, music, and visual art practices. This Companion places the form in historical context, documents its development in Japan and its spread around the world, and brings together the theory and the practice of this compelling dance. The interdisciplinarity evident in the volume reflects the depth and the breadth of butoh, and the editors bring specially commissioned essays by leading scholars and dancers together with translations of important early texts.

The Routledge Introduction to Theatre and Performance Studies Erika Fischer-Lichte 2014-04-03 Erika Fischer-Lichte's introduction to the discipline of Theatre and Performance Studies is a strikingly authoritative and wide ranging guide to the study of theatre in all of its forms. Its three-part structure moves from the first steps in starting to think about performance, through to the diverse and interrelated concerns required of higher-level study: Part 1 – Central Concepts for Theatre and Performance Research – introduces the language and key ideas that are used to discuss and think about theatre: concepts of performance; the emergence of meaning; and the theatrical event as an

experience shared by actors and spectators. Part 1 contextualizes these concepts by tracing the history of Theatre and Performance Studies as a discipline. Part 2 – Fields, Theories and Methods – looks at how to analyse a performance and how to conduct theatre-historiographical research. This section is concerned with the 'doing' of Theatre and Performance Studies: establishing and understanding different methodological approaches; using sources effectively; and building theoretical frameworks. Part 3 – Pushing Boundaries – expands on the lessons of Parts 1 and 2 in order to engage with theatre and performance in a global context. Part 3 introduces the concept of 'interweaving performance cultures'; explores the interrelation of theatre with the other arts; and develops a transformative aesthetics of performance. Case studies throughout the book root its theoretical discussion in theatrical practice. Focused accounts of plays, practitioners and performances map the development of Theatre and Performance Studies as an academic discipline, and of the theatre itself as an art form. This is the most comprehensive and sophisticated introduction to the field available, written by one of its foremost scholars.

The Routledge Companion to Theatre and Performance Paul Allain 2014-08-01 What is theatre? What is performance? What connects them and how are they different? What events, people, practices and ideas have shaped theatre and performance in the twentieth and twenty-first century? The Routledge Companion to Theatre and Performance offers some answers to these big questions. It provides an analytical, informative and engaging introduction to important people, companies, events, concepts and practices that have defined the complementary fields of theatre and performance studies. This fully updated second edition contains three easy to use alphabetized sections including over 120 revised entries on topics and people ranging from performance artist Ron Athey, to directors Vsevolod Meyerhold and Robert Wilson, megamusicals , postdramatic theatre and documentation. Each entry includes crucial historical and contextual information, extensive cross-referencing, detailed analysis and an annotated bibliography. The Routledge Companion to Theatre and Performance is a perfect reference guide for the keen student.

The Routledge Companion to Applied Performance Tim Prentki 2020-10 The Routledge Companion to Applied Performance provides an in-depth, far-reaching and provocative consideration of how scholars and artists negotiate the theoretical, historical and practical politics of applied performance, both in the academy and beyond. These volumes offer insights from within and beyond the sphere of English-speaking scholarship, curated by regional experts in applied performance. The reader will gain an understanding of some of the dominant preoccupations of performance in specified regions, enhanced by contextual framing. From the dis(h)arming of the human body through dance in Colombia to clowning with dementia in Australia, via challenges to violent nationalism in the Balkans, transgender performance in Pakistan and resistance rap in Kashmir, the essays, interviews and scripts are eloquent testimony to the courage and hope of people who believe in the power of art to renew the human spirit. Students, academics, practitioners, policy-makers, cultural anthropologists and activists will benefit from the opportunities to forge new networks and develop in-depth comparative research offered by this bold, global project.

The Routledge Companion to Commedia dell'Arte Judith Chaffee 2014-11-20 From Commedia dell'Arte came archetypal characters that are still with us today, such as Harlequin and Pantalone, and the rediscovered craft of writing comic dramas and masked theatre. From it came the forces that helped create and influence Opera, Ballet, Pantomime, Shakespeare, Moliere, Lopes de Vega, Goldoni, Meyerhold, and even the glove puppet, Mr Punch. The Routledge Companion to Commedia dell'Arte is a wide-ranging volume written by over 50 experts, that traces the history, characteristics, and development of this fascinating yet elusive theatre form. In synthesizing the elements of

Commedia, this book introduces the history of the Sartori mask studio; presents a comparison between Gozzi and Goldoni's complicated and adversarial approaches to theatre; invites discussions on Commedia's relevance to Shakespeare, and illuminates re-interpretations of Commedia in modern times. The authors are drawn from actors, mask-makers, pedagogues, directors, trainers and academics, all of whom add unique insights into this most delightful of theatre styles. Notable contributions include: • Donato Sartori on the 20th century Sartori mask • Rob Henke on form and freedom • Anna Cottis on Carlo Boso • Didi Hopkins on One Man, Two Guv'nors • Kenneth Richards on acting companies • Antonio Fava on Pulcinella • Joan Schirle on Carlo Mazzone-Clementi and women in Commedia • and M.A. Katritzky on images Olly Crick is a performer, trainer and director, having trained in Commedia under Barry Grantham and Carlo Boso. He is founder of The Fabulous Old Spot Theatre Company. Judith Chaffee is Associate Professor of Theatre at Boston University, and Head of Movement Training for Actors. She trained in Commedia with Antonio Fava, Julie Goell, Stanley Allen Sherman, and Carlos Garcia Estevez.

The Routledge Companion to Drama in Education Mary McAvoy 2022-05-23 The Routledge Companion to Drama in Education is a comprehensive reference guide to this unique performance discipline, focusing on its process-oriented theatrical techniques, engagement of a broad spectrum of learners, its historical roots as a field of inquiry and its transdisciplinary pedagogical practices. The book approaches drama in education (DE) from a wide range of perspectives, from leading scholars to teaching artists and school educators who specialise in DE teaching. It presents the central disciplinary conversations around key issues, including best practice in DE, aesthetics and artistry in teaching, the histories of DE, ideologies in drama and education, and concerns around access, inclusivity and justice. Including reflections, lesson plans, programme designs, case studies and provocations from scholars, educators and community arts workers, this is the most robust and comprehensive resource for those interested in DE's past, present and future.

The Routledge Companion to Scenography Arnold Aronson 2017-09-11 The Routledge Companion to Scenography is the largest and most comprehensive collection of original essays to survey the historical, conceptual, critical and theoretical aspects of this increasingly important aspect of theatre and performance studies. Editor and leading scholar Arnold Aronson brings together a uniquely valuable anthology of texts especially commissioned from across the discipline of theatre and performance studies. Establishing a stable terminology for a deeply contested term for the first time, this volume looks at scenography as the totality of all the visual, spatial and sensory aspects of performance. Tracing a line from Aristotle's Poetics down to Brecht and Artaud and into contemporary immersive theatre and digital media, The Routledge Companion to Scenography is a vital addition to every theatre library.

The Politics of New Media Theatre Gabriella Giannachi 2006-11-22 The first book in the field to explore the links between theories of globalization and surveillance, bipower and biopolitics, performance and theatre, computer arts and politics, "The Politics of New Media Theatre" is an investigation into the political role played by the new media theatre. Gabriella Giannachi explores how new media arts constitute themselves as a radical political movement, and presents an analysis of both the role of virtuality in radical performance and politics in virtual and mixed reality practices. This outstanding new work offers an analysis of leading political, philosophical and artistic texts and artworks, and represents a milestone for anyone interested in new technologies, theatre and politics.
