Nearing Ninety 2019-04-02 Judith Viorst The newest illustrated poetry collection in beloved author Judith Viorst's "decade" series (from It's Hard to Be Hip Over Thirty to Unexpectedly Eighty), exploring, with her signature savvy and humor, what it means to be an impending nonagenarian. In Nearing Ninety, bestselling author Judith Viorst candidly shares the complicated joys and everyday tribulations that await us at the age of ninety, all with a large dose of humor and an understanding that nothing—well, almost nothing—in life should be taken too seriously. While she struggles to make it to midnight on New Year's Eve, while she's starting to hear more eulogies than symphonies, while she'll forever be disheartened by what she weighs (and forever unable to stop weighing herself), there is plenty to cherish at ninety: hanging out with the people she loves. Playing a relentless game of Scrabble. And still sleeping tush-to-tush with the same man to whom she's been married for sixty years. Accompanied by Laura Gibson's whimsical illustrations, Nearing Ninety's amusing and touching reflections make this collection relatable to readers of all ages. With the wisdom and spunk of someone who's seen it all, Viorst gently reminds us that everybody gets old, and that the best medicine at any age is laughter.

Irreversible Damage 2020-06-30 Abigail Shrier NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES "Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, The Times of London Until just a few years ago, gender dysphoria—severe discomfort in one's biological sex—was vanishingly rare. It was typically found in less than .01 percent of the

population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as “transgender.” These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans “influencers.” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls' social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier's essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

Suddenly Sixty and Other Shocks of Later Life 2001-02-21 Judith Viorst Judith Viorst is known and loved by readers of all ages, for children's books such as Alexander and the Terrible, Horrible, No Good, Very Bad Day; nonfiction titles, including the bestseller Necessary Losses; and her collections of humorous poetry, which make perfect gifts for birthdays, Mother's Day, graduation, Christmas, Chanukah, or at any time of year. Suddenly Sixty is a funny and touching book that speaks directly to the sixty-ish woman, inviting her to laugh about, sigh over, and come to hopeful terms with the complex issues of this decade of life. Among the poems in this charmingly illustrated collection are those exploring the joys—and strains—of children and grandchildren, and the intimacy of old friends who've 'known each other so long/We knew each other back when we were virgins." There are poems that tip their hat to mortality, wrestle with a husband's retirement —"He's coming with me when I shop at the supermarket/So I won't have to shop alone. I like alone."— and acknowledge the fact that at this stage of life we'd "give up a night of wild rapture with Denzel Washington for a nice report on my next bone density test." Offering plenty of laughs, a few tears, and cover-to-cover truths, these are poems for everyone who would "rather say never say die than enough is enough." Every woman who has reached this decade will—rueful and smiling—find herself in the pages of this book.

How Did I Get to Be Forty 2019-04-02 Judith Viorst And so you've reached that time in life when you're starting to "pick investments over adventure, / And clean over scenic, and comfortable over intense"; when, even though in your heart of hearts you're much younger, the rest of you is (how did it happen?) forty. Judith Viorst, the wise and witty lady of It's Hard to Be Hip Over 30 and Other Tragedies of Married Life, is here to guide you through these forty-ish years with poems that reflect the highs, the lows, and the everything-in-between of midlife. Viorst playfully considers the prospects of sagging kneecaps, awkward college reunions, and fantasies of love in the afternoo; being baffled by one's Buddhist bisexual vegetarian Maoist offspring; cholesterol counts, adult-education courses and other atrocities of midlife—which somehow aren't as painful when you can laugh at them. Filled with warmth, humor, and insight, How Did I Get to Be 40 & Other Atrocities is Judith Viorst at her best.

It's Hard to Be Hip Over Thirty and Other Tragedies of Married Life 2019-04-02 Judith Viorst Bringing together some of the best of Judith Viorst's witty and perceptive poetry—and featuring the illustrations from the original edition by John Alcorn—Viorst explores the all-too-true ironies and absurdities of being a woman in the modern world. Whether she's finding herself or finding a sitter, contemplating her sex life as she rubs hormone night cream on her face, or wrestling with the contradiction of falling in love with a man her parents would actually approve of, Viorst transforms the familiar events of daily life into poems that make you laugh with recognition. Here is the young single girl leaving her parents' home for life in the big city ("No I do not believe in free love/And yes I will be home for Sunday dinners"). Here is the aspiring bohemian with an expensive liberal arts education, getting coffee and taking dictation, "Hoping that someday someone will be impressed/With all I know." Here is that married woman, coping with motherhood ("The tricycles are cluttering my foyer/The Pop Tart crumbs are sprinkled on my soul") and fantasy affairs ("I could imagine cryptic conversations, clandestine martinis...and me explaining that long kisses clog my sinuses") and all-too-real family reunions ("Four aunts in pain taking pills/One cousin in analysis taking notes"). And here she is at mid-life, wondering whether a woman who used to wear a "Ban the Bomb" button can find happiness being a person with a set of fondue forks, a fish poacher, and a wok. Every step of the way, It's Hard to be Hip Over Thirty and Other Tragedies of Married Life demonstrates once and for all that no one understands American women coming of age like Judith Viorst. *It's Hard to be Hip Over Thirty and Other Tragedies of Married Life is a reissue of the previous collection originally titled When Did I Stop Being Twenty and Other Injustices.

Necessary Losses 2010-05-11 Judith Viorst From grief and mourning to aging and relationships, poet and Redbook contributor Judith Viorst presents a thoughtful and researched study in this examination of love, loss, and letting go. Drawing on psychoanalysis, literature, and personal experience, Necessary Losses is a philosophy for understanding and accepting life's inevitabilities. In Necessary Losses, Judith Viorst turns her considerable talents to a serious and far-reaching subject: how we grow and change through the losses that are a certain and necessary part of life. She argues persuasively that through the loss of our mothers' protection, the loss of the impossible expectations we bring to relationships, the loss of our younger selves, and the loss of our loved ones through separation and death, we gain deeper perspective, true maturity, and fuller wisdom about life. She has written a book that is both life affirming and life changing.

After Zero 2018-09-04 Christina Collins "Powerful and poetic." —John David Anderson, author of Posted and Ms. Bixby's Last Day Elise carries a notebook full of tallies, each page marking a day spent at her new public school, each stroke of her pencil marking a word spoken. A word that can't be taken back. Five tally marks isn't so bad. Two is pretty good. But zero? Zero is perfect. Zero means no wrong answers called out in class, no secrets accidentally spilled, no conversations to agonize over at night when sleep is far away. But now months have passed, and Elise isn't sure she could speak even if she wanted to—not to keep her only friend, Mel, from drifting further away—or to ask if anyone else has seen her English teacher's stuffed raven come to life. Then, the discovery of a shocking family secret helps Elise realize that her silence might just be the key to unlocking everything she's ever hoped for... Praise for After Zero: "This tender and truthful book stays with you long after the words have gone." —Patricia Forde, author of The List "A must read. After Zero reminds us of so many loved ones of those suffering from anxiety or depressive disorders. It is a story that will hopefully foster empathy and maybe even communication with our 'quiet' peers." —Wesley King, author of OCDaniel

Mary, Will I Die? 2021-09-07 Shawn Sarles Bestselling author Shawn Sarles' most terrifying YA horror yet . . . It starts innocently enough. Four kids - three girls, one boy - are at one of their houses, playing games. One of them has read about "Bloody Mary" and the idea that if you look into a mirror and say her name thirteen times, she will show you the future. Some legends say she'll show you your one true love or a skull to mark your death within five years. Others say that conjuring Bloody Mary will bring her into your world. Both sets of legends are true. The kids go through with the act, saying her name thirteen times. One girl looks in the mirror and sees her longtime crush. One girl looks in the mirror and sees the boy in the group. But she pretends to see something else. One girl looks in the mirror and sees a girl she's never seen before but can't get out of her mind. And the boy . . . he sees a skull. But he pretends to see something else. They try to laugh it off. And mostly they forget about it. Or at least they don't talk about it. Yes, over the next few years, whenever they look into a mirror, it's like there's always another figure standing in the background, getting closer. Just short of five years later, the four of them are no longer friends, having gone on separate paths. The girl whose house it was has always tried to avoid the mirror they used - because she always sensed someone in the background. One morning as she's passing by, she sees much more than her own reflection - it's a scary figure taunting her. She startles and breaks the mirror. When the pieces are put back together (barely), the figure is gone. That day in school, a new girl arrives. Her name is Mary . . .
