Defending a thesis title entails a process where you showcase and elucidate your proposed research to a committee of evaluators. This is a usual practice in many institutions where committees are organized to assess and scrutinize research titles before they are allowed to continue with the concrete research. The defense usually consists of a question-and-answer session aimed at proving the importance of the research you have selected and ascertaining if you, as a student, are actually able of completing it.

Eva had always been intrigued by the realm of magic, but she never anticipated that she would uncover her own witchcraft. She had spent her childhood in a typical family, living in a unremarkable town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A mysterious package arrived, sent by her grandmother, who had departed years ago. Within the package lay an ancient leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a wave of energy coursed through her veins. She realized that the book held the secrets of her familys magical lineage, and that she was the last descendant of a long line of mighty witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for evil purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be changed beyond recognition from that moment forward.
