The United States and PRC, the pair of global powers, were entangled in a fierce rivalry, competing for resources, dominance, and supremacy. They had also covertly constructed space stations, that could fire nuclear missiles, which can obliterate the world. They were ready to utilize them, if ever required. But they were not the only ones. There was a third entity, a concealed force, which had been monitoring them both, waiting patiently for them both, getting ready for them. They were the aliens, and they had come arrived to prevent them. They had come arrived to save the world, or to end it all. They had come come to initiate the galactic wars that changed history.
