Rockabye 2008-04-15 Rebecca Woolf Rockabye is the lively memoir of a spontaneous young city-girl who becomes unexpectedly pregnant. That city-girl is Rebecca Woolf, who at 23, after the "holy shit, I'm pregnant" realization, decides to keep the baby, marry the boyfriend (in Vegas no less), and figure out how to wed her rock n' roll lifestyle and impending motherhood. With humor, honesty, and renegade insight, Rebecca makes the transition from life as an odd-job doing commitment-phobic, chain-smoking, irresponsible party-girl to life as a work-at-home mother with a different kind of social life. Throughout, Rebecca doesn't relinquish the token qualities of her free-spirited, pre-baby self; rebelling against both the "soccer mom," and "young mother" stereotypes, challenging herself to grow up without outgrowing her dreams, and most importantly embracing motherhood without a map. Rockabye explores the coming together of mother and son and their mutual coming of age. How does Rebecca adapt to motherhood? By acting on instinct and maintaining a strong sense of self, breaking rules (sometimes her own) in the process and building her own adventures out of legos and alphabet blocks.

Letter to a Young Female Physician: Thoughts on Life and Work 2021-05-04 Suzanne Koven "A warm and wry epistle, the endless and near-perfect email you wish your mother, your mentor and your therapist would sit down and type out together." —Laura Kolbe, Wall Street Journal In 2017, Dr. Suzanne Koven published an essay describing the challenges faced by female physicians, including her own personal struggle with "imposter syndrome"—a long-held secret belief that she was not smart enough or good enough to be a “real” doctor. Accessed by thousands of readers around the world, Koven’s “Letter to a Young Female Physician” has evolved into a deeply felt reflection on her career in medicine. Koven tells candid and illuminating stories about her pregnancy during a grueling residency in the AIDS era; the illnesses of her child and aging parents during which her roles as a doctor, mother, and daughter converged, and sometimes collided; the sexism, pay inequity, and harassment that women in medicine encounter; and the twilight of her career during the COVID-19 pandemic. As she traces the arc of her life, Koven finds inspiration in literature and faces the near-universal challenges of burnout, body image, and balancing work with marriage and parenthood. Shining with warmth, clarity, and wisdom, Letter to a Young Female Physician reveals a woman forging her authentic identity in a modern landscape that is as overwhelming and confusing as it is exhilarating in its possibilities. Koven offers an indelible account, by turns humorous and profound, from a doctor, mother, wife, daughter, teacher, and writer who sheds light on our desire to find meaning, and on a way to be our own imperfect selves in the world.

Cat and Nat's Mom Secrets 2022-03-29 Catherine Belknap The bestselling authors of Cat and Nat's Mom Truths go deeper than ever before with outrageous revelations and relatable stories that let every mom know she's not alone. Remember when you were first expecting, and it seemed like every woman on the planet who had ever given birth felt the need to warn you? Your life is about to change forever! With seven kids between them, Cat and Nat know a thing or two about the way motherhood turns your life upside down. Fiercely committed to dismantling the pressure to be perfect, they've connected with their audience by sharing their completely real take on the stress, guilt, and joy of being a mom. One might even say they've made a brand of oversharing. In their first book, they shared short dispatches and advice from the trenches. Now, Cat and Nat have invited the legion of moms who love them to share their own deepest darkest parenting secrets, and use those to kick off their own stories, going deeper about big topics like guilt, balancing career with motherhood, and body image. Cat dives into the Bachelor-inspired trend of taking your kids on "one-on-one's" and shakes off the guilt when she doesn't have the time/energy/helicopter to pull it off. Nat explains why her husband is completely off base when he "romantically" refers to her as his best friend (obviously, Cat already fills that role!). And Cat and Nat finally share the skincare routine that a lot of you have been asking about (it involves the car mirror and severely delayed deodorant application). These moments of truth are wildly funny, but also universal and oh-so-relatable. Grab a weighted blanket and curl up with this book for the comfort and camaraderie every mom needs.
