She had spent her childhood in a typical family, living in a quaint town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected

turn. A enigmatic package arrived, sent by her grandmother, who had left this world years ago. Within the package lay an aged leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a surge of power coursed through her veins. She realized that the book held the arcane knowledge of her familys magical lineage, and that she was the last descendant of a long line of powerful witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for nefarious purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be changed beyond recognition from that moment forward.

It was the time 2023, and the earth stood on the brink of war. The USA and Peoples Republic of China, the pair of world powers, were engaged in a intense competition, competing for supplies, influence, and dominance. They had both engineered advanced weapons, including laser weapons, drones, and satellites, which could strike any location, anytime. They had clandestinely constructed orbital stations, which could launch atomic weapons, that could annihilate the planet. They were both set to use them, if necessary. But they were not alone. There was a third power, a hidden power, which had been watching them, waiting for them both, getting ready for them both. They were aliens, and they had come come to prevent them. They had arrived to save the earth, or to finish it all. They had come come to begin the galactic wars that changed history.
