In this bestselling volume of stories, National Book Award winner Sherman Alexie challenges readers to see Native American Indians as the complex, modern, real people they are. The tender and tenacious tales of The Toughest Indian in the World introduce us to the one-hundred-eighteen-year-old Etta Joseph, former co-star and lover of John Wayne, and to the unnamed narrator of the title story, a young Indian journalist searching for togetherness one hitchhiker at a time. Countless other brilliant creations leap from Alexie's mind in these nine stories. Upwardly mobile Indians yearn for a more authentic life, married Indian couples push apart while still cleaving together, and ordinary, everyday Indians hunt for meaning in their lives. The Toughest Indian in the World combines anger, humor, and beauty into radiant fictions, fiercely imagined, from one of America's greatest writers. Flight 2013-10-15 Sherman Alexie From the National Book Award–winning author of The Absolutely True Diary of a Part-Time Indian, the tale of a troubled boy's trip through history. Half Native American and half Irish, fifteen-year-old "Zits" has spent much of his short life alternately abused and ignored as an orphan and ward of the foster care system. Ever since his mother died, he's felt alienated from everyone, but, thanks to the alcoholic father whom he's never met, especially disconnected from other Indians. After he runs away from his latest foster home, he makes a new friend. Handsome, charismatic, and eloquent, Justice soon persuades Zits to unleash his pain and anger on the uncaring world. But picking up a gun leads Zits on an unexpected time-traveling journey through several violent moments in American history, experiencing life as an FBI agent during the civil rights movement, a mute Indian boy during the Battle of Little Bighorn, a nineteenth-century Indian tracker, and a modern-day airplane pilot. When Zits finally returns to his own body, "he begins to understand what it means to be the hero, the villain and the victim. . . . Mr. Alexie succeeds yet again with his ability to pierce to the heart of matters, leaving this reader with tears in her eyes" (The New York Times Book Review). Sherman Alexie's acclaimed novels have turned a spotlight on the unique experiences of modern-day Native Americans, and here, the New York Times–bestselling author of The Lone Ranger and Tonto Fistfight in Heaven and The Absolutely True Diary of a Part-Time Indian takes a bold new turn, combining magical realism with his singular humor and insight. War Dances 2013-10-15 Sherman Alexie The bestselling, award-winning author's "fiercely freewheeling collection of stories and poems about the tragicomedies of ordinary lives" (O, The Oprah Magazine). Winner of the PEN/Faulkner Award for Fiction, War Dances blends short stories, poems, call-and-response, and more into something that only Sherman Alexie could have written. Ordinary men stand at the threshold of profound change, from a story about a famous writer caring for a dying but still willful father, to the tale of a young Indian boy who learns to value his own life by appreciating the deaths of others. Perceptions change, too, as "Another Proclamation" casts a shadow over Abraham Lincoln's Emancipation Proclamation, and "Invisible Dog on a Leash" limns the heartbreak of shattered childhood illusions. And nostalgia for antiquated technology is tenderly rendered in "Ode to Mix Tapes" and "Ode for Pay Phones." With his versatile voice, Alexie explores love, betrayal, fatherhood, alcoholism, and art in this spirited, soulful, and endlessly entertaining collection, transcending genre boundaries to create something truly unique. This ebook features an illustrated biography including rare photos from the author's personal collection.

You Don't Have to Say You Love Me 2011 Sarra Manning Sweet, bookish Neve Slater always plays by the rules. So she's not that interested in other men. Until her sister Celia points out that if Neve wants William to think she's an experienced love-goddess and not the fumbling, awkward girl he left behind, then she'd better get some, well, experience. What Neve needs is someone to show her the ropes, someone like Celia's colleague Max. Wicked, shallow, sexy Max. And since he's such a man-slut, and so not Neve's type, she certainly won't fall for him. Because William is the man for her... right? Somewhere between losing weight and losing her inhibitions, Neve's lost her heart - but to who?

This is a must-have collection." —Donna Seaman, Booklist (starred review) "[A] sterling collection of short stories by Alexie, a master of the form. . . . The newer pieces are full of surprises. . . . These pieces show Alexie at his best: as an interpreter and observer, always funny if sometimes angry, and someone, as a cop says of one of his characters, who doesn't "fit the profile of the neighborhood.'"—Kirkus Reviews (starred review)

The First Year of Teaching 2014-05-09 Jabari Mahiri For first-year teachers entering the nation's urban schools, the task of establishing a strong and successful practice is often extremely challenging. In this compelling look at first-year teachers' practice in urban schools, editors Jabari Mahiri and Sarah Warsauer Freedman demonstrate how a program of systematic classroom research by teachers themselves enables them to effectively target instruction and improve their own practice. The book organizes the teachers' research into three broad areas, corresponding to issues the new teachers identified as the most challenging. The First Year of Teaching offers an array of classroom scenarios that will spark in-depth discussions in teacher preparation classes and professional development workshops, particularly in the context of problem-based, problem-posing pedagogies.

The Turquoise Ledge 2010-10-07 Leslie Marmon Silko A highly original and poetic self-portrait from one of America's most acclaimed writers. Leslie Marmon Silko's new book, her first in ten years, combines memoir with family history and reflections on the creatures and beings that command her attention and inform her vision of the world, taking readers along on her daily walks through the arroyos and ledges of the Sonoran desert in Arizona. Silko weaves tales from her family's past into her observations, using the turquoise stones she finds on the walks to unite the strands of her stories, while the beauty and symbolism of the landscape around her, and of the snakes, birds, dogs, and other animals that share her life and form part of her family, figure prominently in her memories. Strongly influenced by Native American storytelling traditions, The Turquoise Ledge becomes a moving and deeply personal contemplation of the enormous spiritual power of the natural world-of what these creatures and landscapes can communicate to us, and how they are all linked. The book is Silko's first extended work of nonfiction, and its ambitious scope, clear prose, and inventive structure are captivating. The Turquoise Ledge will delight loyal fans and new readers alike, and it marks the return of the unique voice and vision of a gifted storyteller.

Native Americans Today 2010-06-22 Bruce E. Johansen This engaging collection of Native American profiles examines these individuals' unique life experiences within the larger context of U.S. history. Native Americans Today: A Biographical Dictionary focuses on the lives of contemporary Native Americans. Such treatments are rare, as most Native American biographies are historical (pre-1900) and cover familiar figures. Profiles collected here are written to be enjoyable as well as instructive, presented as examples of personal storytelling that should be savored not only for their factual content, but also for the humanity they evoke. The book spotlights Native American lives in the United States and Canada, mainly after 1900, though a few older figures are included because their lives evoke strikingly modern themes. The author, an expert on all things Native American, knows (or knew) several of the people in the entries, adding a special vibrancy to the writing. Among those profiled are former U.S. Senator Ben Nighthorse Campbell, activist Eloise Cobell, and controversial political prisoner Leonard Peltier, as well as writers, artists, and musicians. The compilation also includes non-Native Americans whose lives and careers impacted Indian life.

Native American Fiction 2013-05-21 David Treuer An entirely new approach to reading, understanding, and enjoying Native American fiction This book has been written with the narrow conviction that if Native American literature is worth thinking about at all, it is worth thinking about as literature. The vast majority of thought that has been poured out onto Native American literature has puddled, for the most part, on how the texts are positioned in relation to history or culture. Rather than create a comprehensive cultural and historical genealogy for Native American literature, David Treuer investigates a selection of the most important Native American novels and, with a novelist's eye and a critic's mind, examines the intricate process of understanding literature on its own terms. Native American Fiction: A User's Manual is speculative, witty, engaging, and written for the inquisitive reader. These essays—on Sherman Alexie, Forrest Carter, James Fenimore Cooper, Louise Erdrich, Leslie Marmon Silko, and James Welch—are rallying cries for the need to read literature as literature and, ultimately, reassert the importance and primacy of the word.

Conversations with Sherman Alexie 2009 Sherman Alexie Interviews with the Native American author of the short story collections Ten Little Indians and The Lone Ranger and Tonto Fistfight in Heaven; the National Book Award–winning young adult novel The Absolutely True Diary of a Part-Time Indian; and the screenplay Smoke Signals

Hunger for Memory 2004-02-03 Richard Rodriguez Hunger for Memory is the story of Mexican-American Richard Rodríguez, who begins his schooling in Sacramento, California, knowing just 50 words of English, and concludes his university studies in the stately quiet of the reading room of the British Museum. Here is the poignant journey of a "minority student" who pays the cost of his social assimilation and academic success with a painful alienation — from his past, his parents, his culture — and so describes the high price of "making it" in middle-class America. Provocative in its positions on affirmative action and bilingual education, Hunger for Memory is a powerful political statement, a profound study of the importance of language ... and the moving, intimate portrait of a boy struggling to become a man.

The Heartbeat of Wounded Knee 2019-01-22 David Treuer FINALIST FOR THE 2019 NATIONAL BOOK AWARD LONGLISTED FOR THE 2020 ANDREW CARNEGIE MEDAL FOR EXCELLENCE A NEW YORK TIMES BESTSELLER Named a best book of 2019 by The New York Times, TIME, The Washington Post, NPR, Hudson Booksellers, The New York Public Library, The Dallas Morning News, and Library Journal. "Chapter after chapter, it's like one shattered myth after another." - NPR "An informed, moving and kaleidoscopic portrait... Treuer's powerful book suggests the need for soul-searching about the meanings of American history and the stories we tell ourselves about this nation's past..." - New York Times Book Review, front page A sweeping history—and counter-narrative—of Native American life from the Wounded Knee massacre to the present. The received idea of Native American history—as promulgated by books like Dee Brown's mega-bestselling 1970 Bury My Heart at Wounded Knee—has been that American Indian history essentially ended with the 1890 massacre at Wounded Knee. Not only did one hundred fifty Sioux die at the hands of the U. S. Cavalry, the sense was, but Native civilization did as well. Growing up Ojibwe on a reservation in Minnesota, training as an anthropologist, and researching Native life past and present for his nonfiction and novels, David Treuer has uncovered a different narrative. Because they did not disappear—and not despite but rather because of their intense struggles to preserve their language, their traditions, their families, and their very existence—the story of American Indians since the end of the nineteenth century to the present is one of unprecedented resourcefulness and reinvention. In The Heartbeat of Wounded Knee, Treuer melds history with reportage and memoir. Tracing the tribes' distinctive cultures from first contact, he explores how the depredations of each era spawned new modes of survival. The devastating seizures of land gave rise to increasingly sophisticated legal and political maneuvering that put the lie to the myth that Indians don't know or care about property. The forced assimilation of their children at government-run boarding schools incubated a unifying Native identity. Conscripted in the US military and the pull of urban life brought Indians into the mainstream and modern times, even as it steered the emerging shape of self-rule and spawned a new generation of resistance. The Heartbeat of Wounded Knee is the essential, intimate story of a resilient people in a transformative era.
