Speed Management 2006-10-13 European Conference of Ministers of Transport Speeding is the number one road safety problem in a large number of OECD/ECMT countries. It is responsible for around one third of the current, unacceptably high levels of road fatalities. Speeding has an impact not only on accidents but also on the ...

Broken 1988 Anna Shnukal Best friends tell you everything; about their kitchen renovation; about their little girl's new school. They tell you how he's leaving her for a younger model. Best friends don't tell lies. They don't take up residence on your couch for weeks. They don't call lawyers. They don't make you choose sides. Best friends don't keep secrets about their past. Best friends don't always stay best friends.

Dictionary of Louisiana French 2009 Albert Valdman The Dictionary of Louisiana French (DLF) provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present. This dictionary describes the current usage of French-speaking peoples in the five broad regions of South Louisiana: the coastal marshes, the banks of the Mississippi River, the central area, the north, and the western prairie. Data were collected during interviews from at least five persons in each of twenty-four areas in these regions. In addition to the data collected from fieldwork, the dictionary contains material compiled from existing lexical inventories, from texts published after 1930, and from archival recordings. The new authoritative resource, the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry. Entries include the word in the conventional French spelling, the pronunciation (including attested variants), the part of speech classification, the English equivalent, and the word's use in common phrases. The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was compiled. An English-to-Louisiana French index enables readers to find out how particular notions would be expressed in la Louisiane .

Creole Families of New Orleans 1921 Grace Elizabeth King

The Franciscans in Colonial Mexico 2021-07-22 Thomas Cohen Generations of scholars have studied the multifaceted experiences of the Franciscans in Mexico and how the Franciscan order shaped New Spain and the early Mexican republic. Recent scholarship has given long-overdue attention to the evangelized natives. Most of these works focus on a specific region or period, or on a particular aspect of Franciscan ministries in New Spain. A comprehensive account of the Franciscans in Mexico over the long term has been missing, until now. This book analyzes the Franciscans' engagement with native peoples, creole populations, the viceregal authorities, and the Spanish empire as a whole in order to offer a broad picture of Catholic evangelization in North America while keeping the Franciscans at the center of the story. Published in 2021, during commemoration of the quincentenary of the Spanish--and thus the Franciscan--presence in Mexico, the book brings together the research of junior and senior scholars from Mexico, Spain, and the United States on the long-enduring and far-reaching Franciscan presence in Mexico.

The Cambridge Handbook of Germanic Linguistics 2020-04-16 Michael T. Putnam The Germanic language family ranges from national languages with standardized varieties, including German, Dutch and Danish, to minority languages with relatively few speakers, such as Frisian, Yiddish and Pennsylvania German. Written by internationally renowned experts of Germanic linguistics, this Handbook provides a detailed overview and analysis of the structure of modern Germanic languages and dialects. Organized thematically, it addresses key topics in the phonology, morphology, syntax, and semantics of standard and nonstandard varieties of Germanic languages from a comparative perspective. It also includes chapters on second language acquisition, heritage and minority languages, pidgins, and urban vernaculars. The first comprehensive survey of this vast topic, the Handbook is a vital resource for students and researchers investigating the Germanic family of languages and dialects.

National Institute of Justice Journal 1997

Consular Notification and Access 2003 This booklet contains instructions and guidance relating to the arrest and detention of foreign nationals, deaths of foreign nationals, the appointment of guardians for minors or incompetent adults who are foreign nationals, and related issues pertaining to the provision of consular services to foreign nationals in the United States. This booklet is designed to help ensure that foreign governments can extend appropriate consular services to their nationals in the United States and that the United States complies with its legal obligations to such governments. The instructions and guidance herein should be followed by all federal, state, and local government officials, whether law enforcement, judicial, or other, insofar as they pertain to foreign nationals subject to such officials' authority or to matters within such officials' competence.

Slavery and Plantation Growth in Antebellum Florida 1821-1860 2018-02-20 Julia Floyd Smith The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida's long history of publishing Latin American and Caribbean studies titles that connect in and through Florida, highlighting the connections between the Sunshine State and its neighboring islands. Books in this series show how early explorers found and settled Florida and the Caribbean. They tell the tales of early pioneers, both foreign and domestic. They examine topics critical to the area such as travel, migration, economic opportunity, and tourism. They look at the growth of Florida and the Caribbean and the attendant pressures on the environment, culture, urban development, and the movement of peoples, both forced and voluntary. The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural, archaeological, cultural, and historical works, as well as the travelogues and naturalists' sketches of the area in prior to the twentieth century, making it accessible for scholars and the general public alike. The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W. Mellon Foundation, under the Humanities Open Books program.

CDL Study Guide Book 2016-03 CDL Test Prep Team Test Prep Book's CDL Study Guide Book: Test Preparation & Training Manual for the Commercial Drivers License (CDL) Exam Developed by Test Prep Books for test takers trying to achieve a passing score on the CDL exam, this comprehensive study guide includes: -Quick Overview -Test-Taking Strategies -Introduction -Driving Safely -Transporting Cargo Safely -Transporting Passengers Safely -Air Brakes -Combination Vehicles -Doubles and Triples -Tank Vehicles -Hazardous Materials -School Buses -Pre-Trip Vehicle Inspection Test -Basic Vehicle Control Skills Test -On-Road Driving -Practice Questions -Detailed Answer Explanations Disclaimer: CDL(R) is a registered trademark of Commercial Drivers License, which was not involved in the production of, and does not endorse, this product. Anyone planning to take this exam should take advantage of the CDL training review material, practice test questions, and test-taking strategies contained in this Test Prep Books study guide.

Federal Court Interpreter Orientation Manual and Glossary 2020-03-19 ADMINISTRATIVE. OFFICE OF THE UNITED STATES COURTS This manual was created and revised at the recommendation of the Court Interpreters Advisory Group (CIAG). It was the desire of the CIAG that the manual, supplemented by video resources and online modules, be created to serve as training resources for court interpreters and interpreter coordinators providing services for the federal courts. The primary purpose of this orientation manual and glossary is to provide contract and staff court interpreters with an introduction and reference to the federal court system, as well as to document best practices for interpreters in the courts. The secondary purpose is to serve as a court interpreting reference for judicial officers and for clerks of court and their staff.

Development of the Nominal Domain in Creole Languages 2012 Ekaterina Bobyleva

Liar's Poker 2010-03-15 Michael Lewis The time was the 1980s. The place was Wall Street. The game was called Liar's Poker. Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street's premier investment firms. During the next

three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. Liar's Poker is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis's knowing and hilarious insider's account of an unprecedented era of greed, gluttony, and outrageous fortune.

Vodou Songs in Haitian Creole and English 2011-10-28 Benjamin Hebblethwaite Vodou songs constitute the living memory of Haitian Vodou communities, and song texts are key elements to understanding Haitian culture. Vodou songs form a profound religious and cultural heritage that traverses the past and refreshes the present. Offering a one-of-a-kind research tool on Vodou and its cultural roots in Haiti and pre-Haitian regions, Vodou Songs in Haitian Creole and English provides a substantial selection of hard to find or unpublished sacred Vodou songs in a side-by-side bilingual format. Esteemed scholar Benjamin Hebblethwaite introduces the language, mythology, philosophy, origins, and culture of Vodou through several chapters of source songs plus separate analytical chapters. He guides readers through songs, chants, poems, magical formulae, invocations, prayers, historical texts and interviews, as well as Haitian Creole grammar and original sacred literature. An in-depth dictionary of key Vodou terms and concepts is also provided. This corpus of songs and the research about them provide a crucial understanding of the meaning of Vodou religion, language, and culture.

Making Sense of "Bad English" 2019-10-17 Elizabeth Peterson Why is it that some ways of using English are considered "good" and others are considered "bad"? Why are certain forms of language termed elegant, eloquent or refined, whereas others are deemed uneducated, coarse, or inappropriate? Making Sense of "Bad English" is an accessible introduction to attitudes and ideologies towards the use of English in different settings around the world. Outlining how perceptions about what constitutes "good" and "bad" English have been shaped, this book shows how these principles are based on social factors rather than linguistic issues and highlights some of the real-life consequences of these perceptions. Features include: an overview of attitudes towards English and how they came about, as well as real-life consequences and benefits of using "bad" English; explicit links between different English language systems, including child's English, English as a lingua franca, African American English, Singlish, and New Delhi English; examples taken from classic names in the field of sociolinguistics, including Labov, Trudgill, Baugh, and Lambert, as well as rising stars and more recent cutting-edge research; links to relevant social parallels, including cultural outputs such as holiday myths, to help readers engage in a new way with the notion of Standard English; supporting online material for students which features worksheets, links to audio and news files, further examples and discussion questions, and background on key issues from the book. Making Sense of "Bad English" provides an engaging and thought-provoking overview of this topic and is essential reading for any student studying sociolinguistics within a global setting.

Creole Identity in the French Caribbean Novel 2009-09-24 H. Adlai Murdoch "Murdoch exploits the postmodern theoretical vocabulary to provide perceptive readings of a selection of French Caribbean novels within the framework of antillanité and créolité."-- E. Anthony Hurley, State University of New York, Stony Brook Adlai Murdoch offers a detailed rereading of five major contemporary French Caribbean writers--Glissant, Condé, Maximin, Dracius-Pinalie, and Chamoiseau. Emphasizing the role of narrative in fashioning the cultural and political doubleness of Caribbean Creole identity, Murdoch shows how these authors actively rewrite their own colonially driven history. Murdoch maintains that the culture of the French Caribbean islands of Guadeloupe and Martinique is less homogeneous and more creatively fragmented than is commonly supposed. Promoting a new vision of this multifaceted region, he challenges preconceived notions of what it means to be both French and West Indian. The author's own West Indian origin provides him with intimate, firsthand knowledge of the nuances of day-to-day Caribbean life. While invaluable to students of Caribbean literature, this work will also appeal to those interested in the African diaspora, French and postcolonial studies, and literary theory. H. Adlai Murdoch, associate professor of French and Francophone studies at the University of Illinois at Urbana-Champaign, is the author of articles in Callaloo, Research in African Literatures, and Yale French Studies.

Voting Assistance Guide 1998

The 1619 Project 2021-11-16 Nikole Hannah-Jones #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, The 1619 Project: A New Origin Story offers a profoundly revealing vision of the American past and present. FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The New York Times Magazine's award-winning 1619 Project issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life.
