It had been the time 23, and the world stood at the brink of war. The United States and China, the pair of world powers, had been locked in a ferocious competition, competing for assets, influence, and supremacy. They had created sophisticated weapons, such as laser weapons, unmanned aerial vehicles, and orbiters, that can strike any place, anytime. They had also clandestinely established orbital stations, which can fire nuclear missiles, that can obliterate the world. They were both set to use them, if necessary. But they were not the sole ones. There existed a third power, a concealed force, that had observing them both, waiting for them both, getting ready for them both. They were ETs, and they had come to stop them both. They had arrived to protect the globe, or to end it all. They had come to begin the galactic wars that changed chronicle.
